Information about SGTU

SGT University, also known as Shree Guru Gobind Singh Tricentenary University, Gurugram, occupies more than 70 acres of lush, green campus surrounded by a tranquil setting. The university is located in Chandu-Bhudera, on the outskirts of Gurgaon. It can be easily accessed from I.G. International Airport and is less than five kilometres from the Delhi border at Daurala.

Under the auspices of the Dashmesh Educational Charitable Trust, which was established in 1999 with the sacred purpose of advancing the teachings of the renowned philosopher and social reformer Shree Guru Gobind Singh Ji—"Spread of Learning is the Best Service to Mankind"—SGT University was established by the Haryana Private Universities (Amendment) Act No. 8 of 2013." In fact, the seeds for its magnificent growth were sown way back in 2002 with the establishment of the SGT Dental College.

"Nurturing Future Leaders" is the best investment that any educational establishment can make. The torchbearers of SGT University have assumed responsibility for this investment to develop the NextGen leaders with a vision to close the current skill gap, given the ongoing rise in expectations for fundamental leadership standards.

Through the establishment of Centers of Excellence, a dedicated Center for Career Advancement, and academic partnerships with prominent industry players such as Apple, Laerdal-Jhpiego, SAP NextGen, UNESCO Bioethics, IBM, Oracle, etc., the university is dedicated to cultivating young, innovative, and naturally self-assured leaders who will create opportunities for career advancement through ongoing education, guidance, and experience.

Given the dynamic nature of the workplace and the competition for skilled personnel, SGT University cultivates an environment that values lifelong learning in order to produce future globally recognised innovators and leaders who can quickly pick up new skills and apply them, comprehend how customer needs are changing, adapt to change in a highly creative and comfortable way, and modestly revamp operations while yielding a significant return on investment.

To map the galloping pace of innovation coupled with changing technology and HR systems, SGT University is determined to inculcate domain-specific skills and soft skills in our emerging innovative leaders and make them future-ready. The university's primary focus is to inculcate skills and behaviours for a good cultural fit along with the right academic background.

Through its 18 faculties—Medicine & Health Sciences, Dental Sciences, Physiotherapy, Nursing, Allied Health Sciences, Commerce & Management, Hotel & Tourism Management, Mass Communication & Media Technology, Law, Science, Engineering & Technology, Behavioral Health and Social Sciences, Indian Medical System, Agricultural Sciences, Design, Education, Pharmacy, and Naturopathy & Yogic Sciences—the University offers diploma, undergraduate, postgraduate, and doctoral programs in a variety of human learning areas in accordance with its vision and mission.

The University has recently created new platforms to help in the advancement of realisation of its goals. Among other things, this entails fostering a stronger sense of social responsibility within the community and enabling students to form academic associations.

MESSAGE

MESSAGE FROM

Padma Bhushan Shri Ram Bahadur Rai
Chancellor
SGT University, Gurugram

श्री गुरु गोबिंद सिंह त्रिशताब्दी विश्वविद्यालय ने स्वास्थ्य विज्ञान, कानून, पत्रकारिता, व्यापार जगत, साहित्य, सिनेमा, खेल, ज्ञान-विज्ञान, प्रौद्योगिकी, सामुदायिक सेवा नेतृत्व आदि जीवन के विविध क्षेत्रों को अपनी शिष्य संपदा के द्वारा समृद्ध किया है। यदि 'स्मृति' मनुष्य को प्रकृति द्वारा प्रदत्त सर्वोत्तम क्षमताओं में से एक है, तो वैभवशाली 'अतीत' मानवजाति की किसी भी पीढ़ी के लिए सबसे सुखद स्मृति है; और यह स्वयं के स्वरूप की पहचान या मान्यता के लिए भी अत्यंत आवश्यक है। श्री गुरु गोबिंद सिंह त्रिशताब्दी विश्वविद्यालय का बीता दशक न केवल गौरवशाली है, बल्कि इससे भी बड़ी खुशी की बात है कि यह विश्वविद्यालय आज अपने गौरवशाली अतीत की परंपरा का संवाहक बना हुआ है।

विश्वविद्यालय के विभिन्न पाठ्यक्रमों में परम्परागत प्राचीन भारतीय ज्ञान प्रणाली के साथ-साथ इक्कीसवीं सदी के अनुरूप शिक्षण भी शामिल है। यह विश्वविद्यालय उच्च गुणवत्ता वाले शोध कार्यों का संचालन कर रहा है। साथ ही नियमित रूप से स्वास्थ्य शिविरों और जागरूकता अभियानों का आयोजन भी किया जा रहा है। हमारे विश्वविद्यालय के छात्र सामाजिक संपर्क की गतिविधियों में भागीदारी कर रहे हैं। विश्वविद्यालय ने शिक्षा के अंतर्राष्ट्रीयकरण हेतु विश्वभर के विभिन्न विश्वविद्यालयों के साथ साझा कार्यक्रमों के संचालन के लिए अनुबंध भी किया है।

विश्वविद्यालय अपने गौरवपूर्ण अतीत से सत्प्रेरणा प्राप्त करता हुआ भविष्य में उत्कृष्ट शोध व अनुसंधान, शिक्षण-प्रशिक्षण द्वारा नवीन ज्ञान का सर्जन तथा उपलब्ध ज्ञान व कौशल का प्रसार करने में समर्थ होगा; कर्तव्य के उपदेश द्वारा समाज का मार्गदर्शन तथा उसकी शक्ति, सामर्थ्य और समृद्धि का संवर्धन करेगा; ऐसी मेरी शुभकामना है।

राम बहादुर राय
कुलाधिपति
एसजीटी विश्वविद्यालय, गुरुग्राम

MESSAGE FROM

Smt. Madhupreet Kaur Chawla
 Chairperson,
 Dashmesh Educational Charitable Trust

We at SGT University, Gurugram focus on the all-round development of the students in academics, research and co-curricular activities so that they can pursue their dreams. At SGT University, we believe that the best learning environment is supported by renowned faculty whose teaching is informed by their research-based experiences. Education remains the driving force for the growth and socioeconomic development of the country. Apart from regular conferences, seminars and workshops as part of academic and research activity, SGT University organizes the annual Techno-Fest: Synergy, which is the biggest annual techno fest in an educational institution in the Delhi-NCR region.

We have taken long strides in appointments of highly qualified, experienced, and competent teaching and non-teaching staff, the creation of modern ultra-smart classrooms, well-equipped labs, a rich library, internet services, playgrounds, clubs for extra and co-curricular activities, residential accommodation, transport and other essential facilities. Our strategic array of programs, offered by 18 Faculties, also makes it possible for SGT University to impact society better and impact more industries and corporate partners, too. We take all relevant measures to have an environmentally friendly campus, including using renewable energy, proper waste management and disposal, water conservation, green audit, paperless administration, and a plastic-free and No-Smoking campus.

SGT University implemented the National Education Policy (NEP) and promoted multidisciplinary courses for the holistic learning of our students. We welcome students from across the country and provide them with the best possible learning experience. Considering that the students come to SGT University with many different backgrounds, we seek to provide the highest-quality learning experience by tailoring the academic experience to individual student development. We believe in transforming students and making them better teams, organizations, and industry leaders.

We are thrilled to welcome you to an exciting educational journey of discovery. You will find unlimited opportunities to enjoy campus life by learning, exploring, and engaging together. I look forward to seeing you around campus. My compliments to you for taking your first step towards becoming a special member of our SGT University family.

Sincerely Yours,
Madhupreet Kaur Chawla

Vision, Mission, and Core Values

Vision

To nurture individual excellence through value-based, cross-cultural, integrated, and holistic education. Adopting contemporary and advanced methods blended with ethical values to contribute to building a peaceful and sustainable global civilisation.

Mission

To impart higher education that is at par with global standards and meets the changing needs of society.
 To provide access to quality education and to improve quality of life, both at individual and community levels, by advancing knowledge in all fields through innovations and ethical research.
 To actively engage with and promote the growth and welfare of the surrounding community through suitable extension and outreach activities.
 To develop socially responsible citizens by fostering ethical values and compassion through participation in community engagement, extension, and promotion activities.
 To create a competitive and coordinated environment wherein the individual develops skills and lifelong learning abilities to excel in their endeavours.

Core Values

- Innovation
- Leadership
- Ethics
- Social Responsibility

Prolegomenon

Education is considered one of the most transformative means to bring about development in society. It is the most efficient way to increase people's capability to transform their visions for the community into reality. Keeping this in mind, Shree Guru Gobind Singh Tricentenary University strives to provide students with scientific and technical skills through education. The university is also providing support for pursuing and applying those skills. Also, we are dedicated to offering quality enhancement through education and training.

SGT University's highest priority is to offer quality academic training. It is not only about the environment where we need sustainable development, but we also need to focus on and bring this development to other domains of life, such as education. SGT University aims to provide world-class training programs to make students understand the importance and role of sustainable development in education. In addition to offering instruction and training to become professionals in the field, SGT University promotes social justice, human rights, citizenship, peace, and development initiatives that advance society.

SGT University is a new-age global university that is designing plans for future professionals. Through perseverance, dedication, and excellence, SGT University is making a name for itself among the outstanding educational institutions in India. At SGT University, every student can acquire the values and beliefs that will guide them throughout their lives. Activities are planned to inculcate team spirit and feelings of patriotism amongst the students. The university believes in imparting holistic education so that students efficiently discharge their responsibilities to themselves, the nation as a whole, and humanity at large.

FACULTY OF MASS COMMUNICATION & MEDIA TECHNOLOGY

Overview

The Faculty of Mass Communication & Media Technology (FMMT) at SGT University stands as a leader in journalism and media education. It offers a curriculum that blends theoretical knowledge with practical skills, preparing students to meet industry demands. Developed in collaboration with media professionals, FMMT's programs cover a range of disciplines, including print, television, radio, digital journalism, advertising, and outdoor media, ensuring a comprehensive media education.

With the rise of employment opportunities in journalism and media, the field has become a sought-after career choice. FMMT, with its strong industry connections, ensures that graduates and postgraduates have access to numerous media organisations in India and abroad, with almost full placement success at competitive salaries.

What makes FMMT stand out?

- Mentorship by world-class faculty
- Cutting-edge research supported by modern facilities
- Industry-relevant curriculum
- Transdisciplinary working environment

Pedagogy

FMMT's pedagogy integrates the vision of the New Education Policy with hands-on, practical learning. Students engage in real-world experiences across journalism and mass communication, fostering critical thinking, digital proficiency, and ethical reporting, ensuring they are well-equipped for the ever-evolving media landscape.

Career Opportunities

Graduates from FMMT are prepared for diverse roles, including investigative journalists, content creators, social media strategists, PR specialists, and multimedia producers. They can work in newsrooms, digital agencies, corporate communications, or pursue independent ventures.

Infrastructure

FMMT offers state-of-the-art facilities, including studios, multimedia labs, and a modern newsroom equipped with teleprompters and Apple iMac editing labs. These resources foster creativity and hands-on learning, preparing students for a dynamic media landscape.

Research

The department encourages media research, engaging students in projects that explore media analytics and communication trends. The research hub promotes intellectual exploration, empowering students to contribute to the growing discourse in media studies.

Industry Engagement

FMMT bridges academia and the media industry through workshops, internships, and collaborations with professionals. Students interact with top media organisations, including TV9 Bharatvarsh, Zee News, Doordarshan, Radio City, and the BBC, gaining industry-ready skills.

Social Responsibility

FMMT instills a strong sense of social responsibility in its students, encouraging them to engage in ethical journalism and community outreach initiatives, ensuring they graduate as responsible global citizens.

Achievements

FMMT has been recognised as the "Best Mass Communication Institution" by the Newspaper Association of India, underscoring its commitment to excellence and innovation in media education.

Accreditations/Affiliations/Approvals

All courses are UGC-approved

Alumni

FMMT boasts a strong alumni network, with graduates excelling in various roles, from renowned journalists to media entrepreneurs. This network offers valuable mentorship and career opportunities for current students.

PROGRAMS OFFERED			
S.No.	Program Name	Duration	Fee (Rs.)
1	Bachelor of Arts (Journalism & Mass Communication) [Social Media, SEO & Digital Marketing/Corporate Communications, Event Management & Brand Management/MOJO (Mobile Journalism)/Podcasting, Audiobook Production & Digital Radio Production]	6 Semesters * / 8 Semesters **	75000 (Per Semester)
2	Master of Arts (Journalism & Mass Communication) [Television Journalism, Online Journalism & Advertising, Public Relations, Event Management]	4 Semesters	50000 (Per Semester)
3	Doctor of Philosophy (Journalism & Mass Communication)	As per UGC norms	150000 (Per Year)

Eligibility: As per UGC/ Council norms

* Student will be awarded with Bachelor's Degree after successful completion of 3 years &

** Student will be awarded with Bachelor's Degree (Hons. with Research) after completion of 4 years

Relaxation in Eligibility for SC students of Haryana State only will be as per government rules. Reservation of seats will be as per government rules.

Note : Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One time refundable) as caution money and Rs. 2,500/- (One time non refundable) for registration of Alumni Association.

FACULTY OF DESIGN

Overview

The Faculty of Design (FOD) was established in 2016 and has quickly emerged as a hub of creativity, innovation, and practical learning. Offering a range of undergraduate, postgraduate, and doctoral programs, the faculty aims to nurture the next generation of designers who will lead the way in various industries. Our courses include five undergraduate specialisations under the Bachelor of Design (B.Des.) program:

- Fashion Design
- Furniture & Interior Design
- Animation & VFX Design
- Communication Design
- Product Design

Beyond academic and professional excellence, we look to create socially responsible designers who contribute positively to the community and environment.

What Makes the FOD Stand Out?

- **Comprehensive Curriculum:** Our programs are designed with a blend of creativity, technical skills, and business acumen to prepare students for the challenges of the global design industry.
- **Focused Mentoring:** Design aspirants are supervised individually to monitor and ensure their learning level.
- **Industry-Driven Approach:** Strong collaborations with leading companies ensure that our students gain industry-relevant exposure through internships, live projects, and workshops.
- **Expert Faculty:** A mix of experienced academicians and industry professionals who mentor and guide students.
- **In-house brand:** The “DESIGN FOR LIFE” brand supports and showcases creative & innovative products of design students.
- **Innovation Labs:** Encouraging students to experiment with new ideas and technologies.
- **Strong Industry Advisory Board:** The faculty is supported by experienced design industry professionals.

Pedagogy

- **Project-Based Learning:** Students work on real-world design challenges to develop practical skills.
- **Collaborative Learning:** Group projects foster teamwork and interdisciplinary thinking.
- **Jury-based continuous assessment:** All design students regularly present their unique ideas, concepts, and prototypes in the presence of experts and incorporate inputs based on feedback.

Career Opportunities

Graduates from the Faculty of Design are equipped to pursue a wide range of careers in industries such as:

- Fashion Design: Fashion Houses, Garment Manufacturing, Retail, and Export Firms.
- Furniture & Interior Design: Interior Design Studios, Architectural Firms, and Furniture Manufacturing Companies.
- Animation & VFX Design: Animation Studios, Film Production Houses, Advertising Agencies, and Game Design Companies.
- Communication Design: Graphic Design Firms, UI and UX Studios, Digital Marketing Agencies, and Media Houses.
- Product Design: Manufacturing Industries and Speciality Design Houses.

Additionally, the Master's and Ph.D. programs open pathways into academia, research, and high-level industry roles.

Infrastructure

The Faculty of Design boasts cutting-edge infrastructure, including:

- Garment Construction Lab: Equipped with industrial grade machines.
- Pattern Making and Draping Lab: For shaping creative ideas into prototypes.
- Computer Aided Design Lab: High-end systems for graphic design, animation, and VFX work.
- Design Studios: Well-equipped with advanced tools and technologies.
- Fabrication Labs: Facilities for prototyping, dyeing and printing, and model-making.

- Resource Centers: Comprehensive libraries and access to global databases for research.
- Exhibition Spaces: Platform for students to showcase their work.
- Smart Classrooms: A modern design studio setup is available in classrooms.

Research

Research is a cornerstone of the faculty's mission. Our Ph.D. program encourages in-depth exploration into emerging design trends, sustainable practices, and technological advancements. Faculty members and students collaborate on projects that contribute to both academic knowledge and practical industry solutions.

Students and faculties are publishing their project outcomes in recognised SCOPUS-indexed design journals and protecting their unique ideas and creativity through design registrations. The faculty's research interests focus on sustainable materials, computer-aided design, digital fashion, consumer behaviour, and design research.

Industry Engagement

The Faculty of Design maintains robust industry partnerships to ensure that our students receive up-to-date knowledge and hands-on experience. These collaborations result in:

- Internships and Industry Visits: Opportunities with top design firms pertaining to fashion, interiors, and communication. Internships and industry visits are integral parts of the design curriculum.
- Industry Projects: Live projects that bring real-world challenges into the classroom.
- Focused Workshops & Guest Lectures: Regular sessions with leading professionals from various design disciplines.

Social Responsibility

We believe in using design for social good. Our students and faculty regularly engage in community-based projects aimed at solving social issues, promoting sustainability, and raising awareness of the role of design in shaping a better future. The faculty is regularly conducting training workshops for interested participants in various skill modules.

Achievements

- Collaboration with the Hungarian University of Fine Arts on the Erasmus+ program.
- Successful alumni placements in leading design firms, including Richa Global, FlixStock, NewTimes Development, Ravels Apparels, and BIBA.
- The faculty members and involved students are regularly publishing their outcomes in SCOPUS-indexed journals and design registrations.
- Numerous accolades at national-level competitions and fashion shows, that are organised in collaboration with the Fashion Design Council of India.

Accreditations/Affiliations/Approvals

All programs are UGC-approved.

Alumni

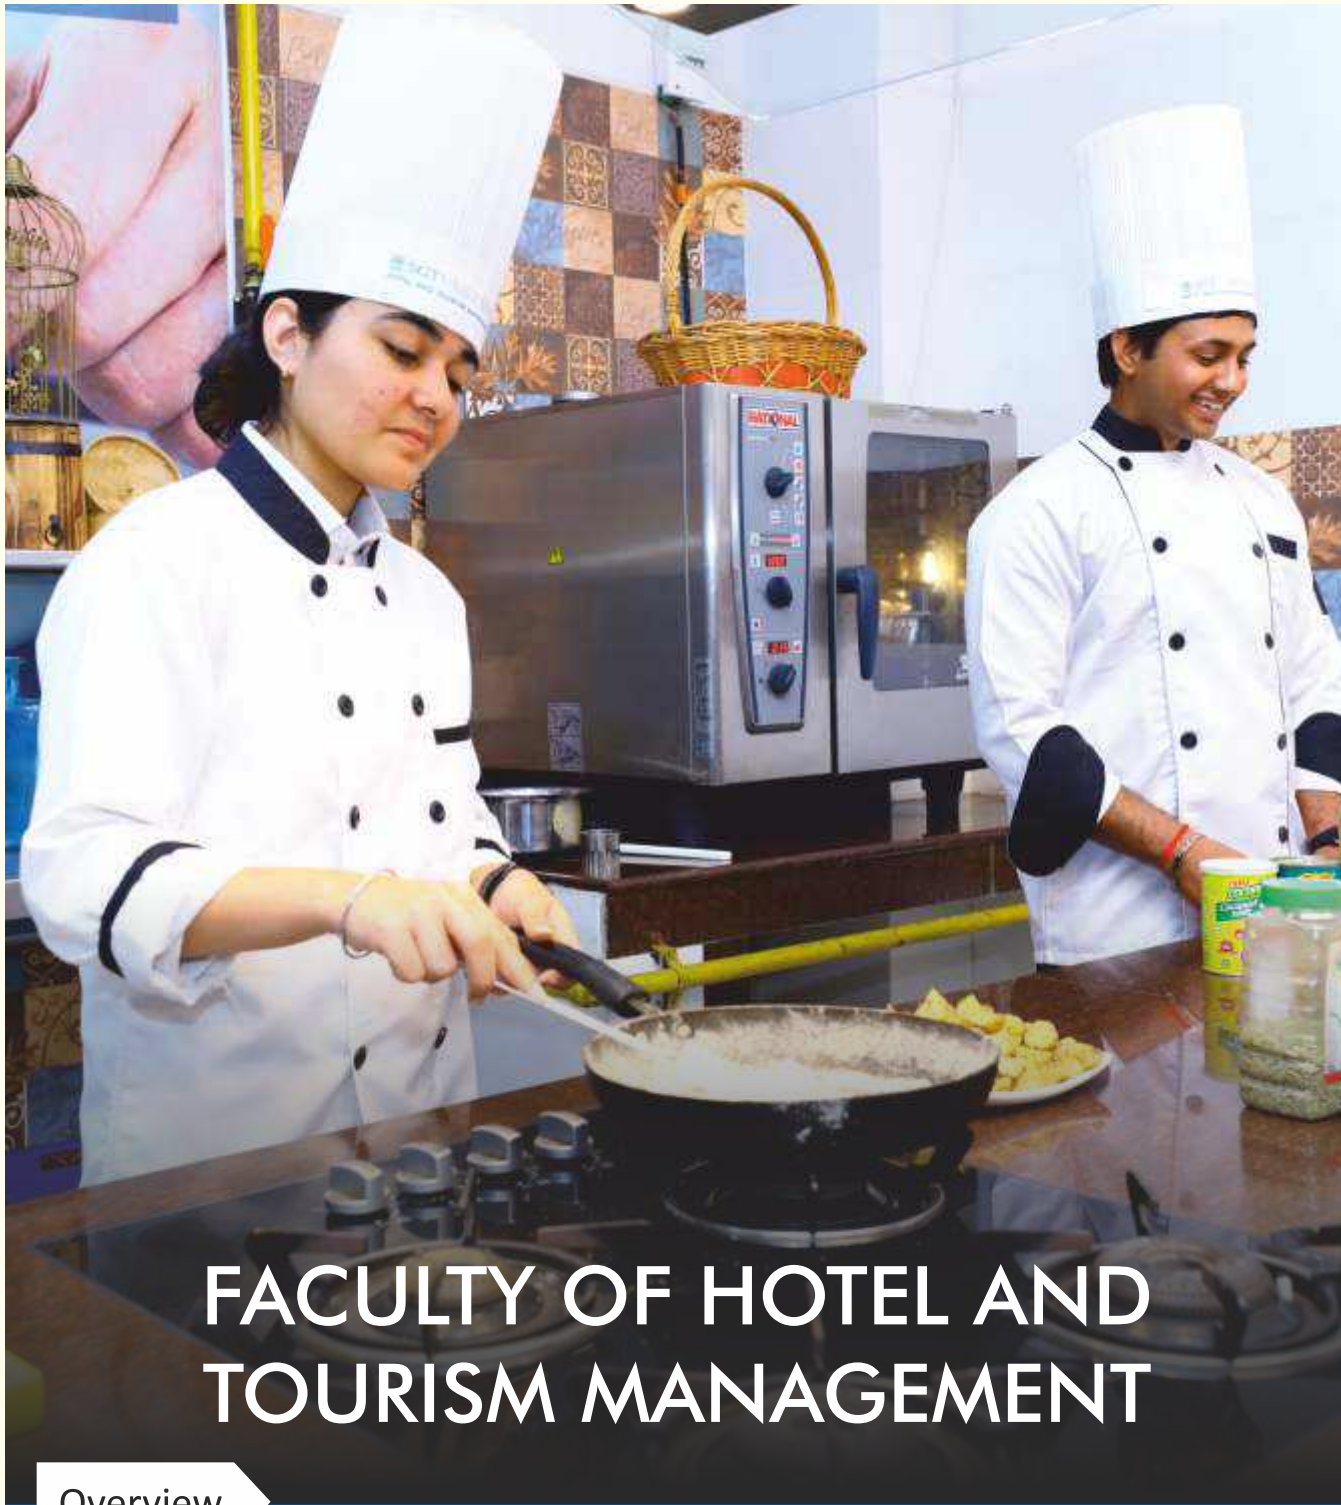

Our alumni are a testament to the success of our programs, with many excelling in their careers at reputed global organisations. They serve as mentors to current students regularly and often return to share their professional experiences.

FACULTY OF HOTEL AND TOURISM MANAGEMENT

Overview

The Faculty of Hotel and Tourism Management (FHTM) at SGT University in Gurugram, Haryana, was founded in 2014 with the goal of producing better than the best professionals as per hospitality needs and nurturing hospitality leaders from young aspirant Indians.

FHTM strives to make students industry-ready by focusing on and developing their aptitude, skills, and knowledge. Our educational plans are designed to provide ample opportunities for students to train them to become industry-ready professionals. Also, we offer internship programs at various five-star hotels in India and abroad.

What makes FHTM stand out?

- **Academic Excellence:** At the Faculty of Hotel and Tourism Management (FHTM), we prioritise high-quality education, offering programs that are accredited and recognised globally. Our curriculum is designed to provide both theoretical knowledge and practical skills, ensuring that you are well-prepared for the demands of the industry.
- **Experienced Faculty:** Learn from industry leaders and dedicated educators who bring a wealth of experience to the classroom. Our faculty members are passionate about teaching and committed to mentoring students, providing valuable insights and guidance throughout their academic journey.
- **State-of-the-Art Facilities:** FHTM is equipped with modern facilities, including a studio kitchen, a food photography lab, various culinary kitchens, an Ambrosia restaurant, a nutrition lab, a fruit and vegetable farm, and dedicated spaces for event planning. These resources allow students to gain hands-on experience in a realistic setting, enhancing their learning and readiness for the workforce.
- **Strong Industry Connections:** Our extensive network within the hospitality and tourism sectors opens doors to numerous internship and job opportunities. FHTM regularly collaborates with industry partners, ensuring that our programs remain relevant and aligned with current market trends.
- **Global Perspective:** In today's interconnected world, understanding global markets is essential. FHTM emphasises cultural awareness and international trends, preparing you to work in diverse environments and engage with a global clientele.

- **Career Support:** From the moment you join FHTM, our dedicated career services team is here to support you. We offer resume workshops, interview preparation, and access to exclusive job fairs, helping you to transition seamlessly from a student to a professional.
- **Vibrant Community:** Join a diverse and inclusive community of students who share your passion for hospitality and tourism. At FHTM, you will create lasting friendships, engage in exciting extracurricular activities, and be part of a supportive network that fosters personal and professional growth.
- **Lifelong Learning:** Education doesn't end at graduation. FHTM encourages a culture of lifelong learning, offering alumni resources, continuing education programs, and networking events that keep you connected and engaged in your field.

Pedagogy

Every faculty member uses cutting-edge teaching techniques to interact with their students, placing particular emphasis on application-based techniques. Project-based learning, problem-based learning, student interactive sessions, case studies, student seminars, critical research appraisal, simulation-based learning, field and industry-based learning, outreach initiatives, regular seminars, and workshops are a few actively employed and frequently adopted approaches. Smart classrooms, ERPs (Enterprise Resource Planning), learning management systems, and other digital modules through Coursera, Swayam, and NPTEL are available to enhance the learning environment.

Accreditations/Affiliations/Approvals

The faculty has helped the university with its University Grants Commission affiliations and QSI Gauge Accreditations.

Career Opportunities

Students are capable of serving in the following profiles after completion of the offered programs:

- 5-star Hotels & Restaurants
- Airlines Industry
- Cruise Industry
- Railways (Catering Manager, Pantry chef)
- Defence (Mess Manager, Line cook, caretaker)
- Lecturer / Professor
- Tour Operators / Travel Agencies
- Banking (Customer Relationship Manager, PR Manager)
- Corporate Sectors (Facility Manager, Customer Service, PR Manager)
- Event Management Companies
- Entrepreneurship

International Training & Placement opportunities

Infrastructure

The faculty has the following practical labs:

- Basic Training Kitchen (BTK)
- Quantity Training Kitchen (QTK)
- Advanced Training Kitchen (ATK)
- Bakery & Confectionary
- Model Guest Room
- Housekeeping Training Lab
- Ambrosia Training Restaurant
- Studio Kitchen and Food Photography lab
- Front Office Lab
- Nutrition Lab
- Fruit and Vegetable Farm

Research

The faculty has applied for funding for numerous intramural and extramural projects to various organisations. In addition to actively encouraging students to participate in research and publication projects, faculty members also conduct their own research. Students are also encouraged to develop a variety of entrepreneurship skills for use in their future professional endeavours.

Industry Engagement

The faculty engages in various modes of industry involvement and maintains good industry connections through Guest Lectures, Workshops, and Seminars on various topics, such as:

- Cocktail/Mocktail Making
- Table Manners & Dining Etiquettes
- Latest Trends in Hospitality Sector Post COVID-19
- Health Benefits of Plant-Based Diet
- A Visit to Vineyards by Sula Wines
- National Sandwich Day Celebration
- Salad Festival
- Cake Mixing Ceremony

Social Responsibility

Both our teachers and students have always placed a high value on social responsibility, and they have collaborated with corporate organisations and rural schools to raise awareness of our area of expertise. Our teams have started encouraging local residents to learn how to understand ingredients and cook as a means of generating income, particularly for women and young children.

Achievements

Several culinary events have seen the active participation of our students. Apart from academic laurels, our students have proved their mettle in extracurricular competitions too.

Alumni

The faculty greatly benefits from the alumni students, who also actively interact with the current-year students. A number of our former students who are currently employed in the top hospitality sectors feel obligated to return to and interact with their former faculty.

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)

FACULTY OF COMMERCE & MANAGEMENT

Empowering Future Leaders with a Global Edge through Innovation, Immersion, and Industry Excellence

Overview

Our Faculty of Commerce and Management (FCAM) programs are designed to shape visionary leaders by combining an **internationally benchmarked curriculum** with unparalleled **industry collaboration**. Programs are meticulously aligned with current market demands, ensuring graduates to be job-ready from day one. Students gain a **global perspective** through immersive international experiences, paired with hands-on **experiential learning** opportunities that bridge the gap between theory and practice. Cutting-edge technology is seamlessly integrated into classroom teaching, fostering innovation and critical thinking and ensure students thrive with AI as its co-intelligence, while our **research-driven approach** equips students to provide solutions to real-world business challenges. This holistic blend of academic rigor, industry alignment, and global exposure prepares you to excel in a dynamic, interconnected world. Step into a future of boundless possibilities with us!

What makes FCAM stand out?

- **Internationally Benchmarked Curriculum:** Curriculum designed to meet international academic and industry standards, ensuring a competitive edge in the global job market.
- **Strong Industry Collaboration:** Partnerships with top companies provide real-world insights, internships, and placement opportunities.
- **Industry-Aligned Courses:** Programs tailored to evolving market demands, equipping students with skills and knowledge highly sought after by employers.
- **AI as co-intelligence:** Technology-enhanced teaching leverages AI-based learning tools and data analytics to create an innovative, interactive, and personalised learning experience. This prepares them to navigate and lead in an AI-driven world.
- **Global Immersion Opportunities:** International study tours, exchange programs, and collaborations with global universities expose students to diverse business environments and cultures.
- **Research-Integrated Learning:** Encouragement of cutting-edge research fosters critical thinking and problem-solving abilities, preparing students to lead and innovate.
- **Experiential Learning:** Hands-on projects, live case studies, and simulations enable students to apply theoretical knowledge in practical, real-world scenarios.

Pedagogy

Student-centric approach for collaborative learning and real-world application. This includes experiential learning through case studies, projects, applied exercises, media hours for news discussion, mentoring for heutagogy for self-directed learning, etc. All this helps engage students

and illustrates how they can apply theoretical concepts in practice, think creatively, consider multiple perspectives and develop well-supported points for discussions.

The interactive, collaborative and technology-based learning environment helps develop essential skills like critical thinking, problem solving and communication. This also enables the faculty to provide more personalised support while boosting student motivation and participation.

FCAM's emphasis on immersive and synergistic learning with group discussions, live cases, hands-on projects, etc. helps create engaged students with the requisite teamwork and leadership skills required to succeed in the business world.

The integration of Artificial Intelligence (AI) into teaching pedagogy enables us to stay at the forefront of technological advancements and prepare students for the evolving business landscape in alignment with industry expectations from business graduates.

Career Opportunities

The avenues for career opportunities include the following sectors:

- Banking, Financial services and Insurance
- Financial Analysts
- Consultants
- Accountant/ Auditor
- Investment Bankers
- HR Managers

- Talent Acquisition Managers
- Business Development Manager
- Learning and Development Specialists
- Marketing and Sales Roles
- Brand Managers
- Advertising, Media Managers
- Digital Marketing Managers
- Market research Specialist

- Operations Managers
- Logistics Managers
- Supply Chain Analysts
- Business Analysts
- Hospital Administrators
- Entrepreneurs and in Start-ups
- Global roles in Multinational Corporations (MNCs).

Infrastructure

Rooftop Projectors and ICT-enabled smart classrooms ensure that students engage with lectures in an interactive and immersive manner, making every lesson an opportunity for deeper understanding. The computer labs, equipped with the latest software, provide hands-on experience with real-world business tools, enhancing both technical and analytical skills.

Beyond the classroom, seminar halls offer professional settings for guest lectures, presentations, and collaborative projects, fostering a space where ideas are exchanged and industry insights are gained. With access to a rich collection of books and digital resources, including ProQuest, E-books, Delnet, and JGate, students have the world of knowledge at their fingertips, ensuring they stay connected with the latest global trends and academic research.

On-campus amenities like a modern multi-speciality hospital, sports complexes and cultural activity spaces further contribute to students' holistic development. SGT University prioritize innovation and interdisciplinary research, housing numerous Centres of Excellence that foster collaboration between academia and industry.

Research

At FCAM, research is at the core of our academic mission. Our Ph.D. programs in all fields of management are designed to explore contemporary business issues and drive innovation. Through conferences, seminars, and workshops, we cultivate research skills at both the undergraduate and postgraduate levels.

FCAM faculty have published over 150 papers in top-tier journals like Scopus, ABDC, and UGC-listed publications, and more than 60 patents, reflected in their high impact and H-index scores. By collaborating with government and industry partners, we further advance interdisciplinary research and knowledge.

Industry Engagement

Integrating industry engagement into the curriculum helps align academic learning with real-world applications. This is done by:

Project Work: Incorporating industry projects through live case studies to allow students to analyse and solve actual industry problems.

Site Tours: Organising industrial visits and site tours to manufacturing plants, corporate offices, or tech hubs helps gain first-hand exposure to workplace operations. Some of the companies visited include Havells, Coca-Cola, Yakult, Mother Dairy, Parle G, Gentech HealthCare, H M Steels Limited, and the Himalayan Enterprises Tea Factory in Palampur.

Industry Insights: Engagement of industry leaders and subject matter experts to share insights, trends, and best practices gives students direct exposure to current business landscapes. In partnership with the NCR Chamber of Commerce and Industry, we hosted the transformative industry meet “Viksit Bharat @ 2047: Empowering Youth and Establishing a Growth in Ecosystem” in September 2024 with visionary leaders and industry experts.

Advisory Boards and Curriculum Design: Industry advisory boards help co-develop and periodically review the curriculum, ensuring alignment with market needs and emerging skills.

Industry-Embedded Courses: Our programs are taught by

faculty and industry professionals, combining academic rigour with practical expertise.

Certification and Skill Development Programs: Partnering with industry organisations to offer certifications in areas like digital marketing, data analytics, or supply chain management, thereby enhancing employability. AIMA Bizlab offers management graduates practical experience through a virtual laboratory, where students apply business theories, develop problem-solving skills, and make real-time strategic decisions.

This hands-on learning bridges the gap between academic knowledge and industry readiness. Additionally, we facilitate NASSCOM certification by providing students the opportunity to assess their technical capabilities through the Competency Diagnostic Test, offering courses in 12 digital technologies and 10 professional skills aligned to industry standards. Upon completion, students are equipped with industry-ready skills to advance their careers.

Further, in collaboration with ACCA (Association of Chartered Certified Accountants), we help students obtain the globally recognised CA certification, ensuring they gain both technical and ethical accounting expertise. We offer a comprehensive blend of theoretical and practical skills, preparing learners for future challenges in business, technology, and finance.

Social Responsibility

The students of FCAM participate in various campaigns to raise awareness about start-ups, road safety, relief fund collection and distribution, and tree planting as small acts of kindness for society.

Alumni

Many of our former students are associated with reputed companies, while others have pursued further education at prestigious international universities. They continuously collaborate with us to offer internships and participate in placement drives, ensuring students gain real-world experiences and career opportunities.

Our alumni frequently return to campus to share their expertise through guest lectures, workshops, and mentoring, enriching our academic programs and equipping students with the tools to succeed in their careers. Their involvement provides first-hand insights into industry trends, guiding students in making informed career decisions.

Achievements

Aspiring managers from FCAM actively engage in a wide range of extracurricular, co-curricular, and curricular activities, both within and between universities. They have participated in inter-college events such as Business Plan, Badminton, Photography, Case Writing Competitions, Rangoli Making, Ad-mania, and Poster Making, showcasing their versatility and competitive spirit. Additionally, many students have pursued higher education at foreign universities to broaden their horizons and achieve greater success.

Recently, students from the MBA Pharmaceutical Management program presented research at the "Current Paradigm in Cancer Theranostics" conference, while students from the B Com semester secured First Prize at the National Student Research Poster Conference on Sustainable Development Goals, held at SGT University.

Accreditations/Affiliation/Approvals

All programs are UGC-approved

PROGRAMS OFFERED			
S.No.	Program Name	Duration	Fee (Rs.)
1	Bachelor of Commerce (Hons.)	6 Semesters * / 8 Semesters **	60000 (Per Semester)
2	Bachelor of Commerce (Hons.) with (International Accounting & Finance)	6 Semesters * / 8 Semesters **	60000 (Per Semester) & 40000 (in first year)
3	Integrated B. Com - M. Com	10 Semesters	70000 (Per Semester)
4	Bachelor of Business Administration (General)	6 Semesters * / 8 Semesters **	85000 (Per Semester)
5	Bachelor of Business Administration (Banking, Financial Service & Insurance)	6 Semesters * / 8 Semesters **	100000 (Per Semester)
6	Bachelor of Business Administration (Business Analytics)	6 Semesters * / 8 Semesters **	125000 (Per Semester)
7	Bachelor of Business Administration (Global Business Management)	6 Semesters * / 8 Semesters **	100000 (Per Semester)
8	Bachelor of Business Administration (Logistics & Supply Chain Management)	6 Semesters	100000 (Per Semester)
9	Bachelor of Business Administration (Entrepreneurship & Family Business Management)	6 Semesters	100000 (Per Semester)
10	Bachelor of Business Administration (Digital Marketing)	6 Semesters * / 8 Semesters **	100000 (Per Semester)
11	Bachelor of Business Administration (Health Care Management)	6 Semesters * / 8 Semesters **	75000 (Per Semester)
12	Integrated BBA-MBA	10 Semesters	100000 (Per Semester)
13	Master of Business Administration (General)	4 Semesters	150000 (Per Semester)
14	Master of Business Administration (Finance / Fintech)	4 Semesters	200000 (Per Semester)
15	Master of Business Administration (Human Resource Management)	4 Semesters	150000 (Per Semester)
16	Master of Business Administration (Marketing)	4 Semesters	150000 (Per Semester)
17	Master of Business Administration (Business Analytics)	4 Semesters	225000 (Per Semester)
18	Master of Business Administration (Entrepreneurship & Family Business Management)	4 Semesters	200000 (Per Semester)
19	Master of Business Administration (Logistics & Supply Chain Management)	4 Semesters	200000 (Per Semester)
20	Master of Business Administration (Digital & Social Media Marketing)	4 Semesters	160000 (Per Semester)
21	Master of Business Administration (International Business)	4 Semesters	175000 (Per Semester)
22	Master of Business Administration (Health Care Management)	4 Semesters	150000 (Per Semester)
23	Executive MBA	2 Semesters	225000 (Per Semester)
24	Doctor of Philosophy (Management)	As per UGC norms	150000 (Per Year)

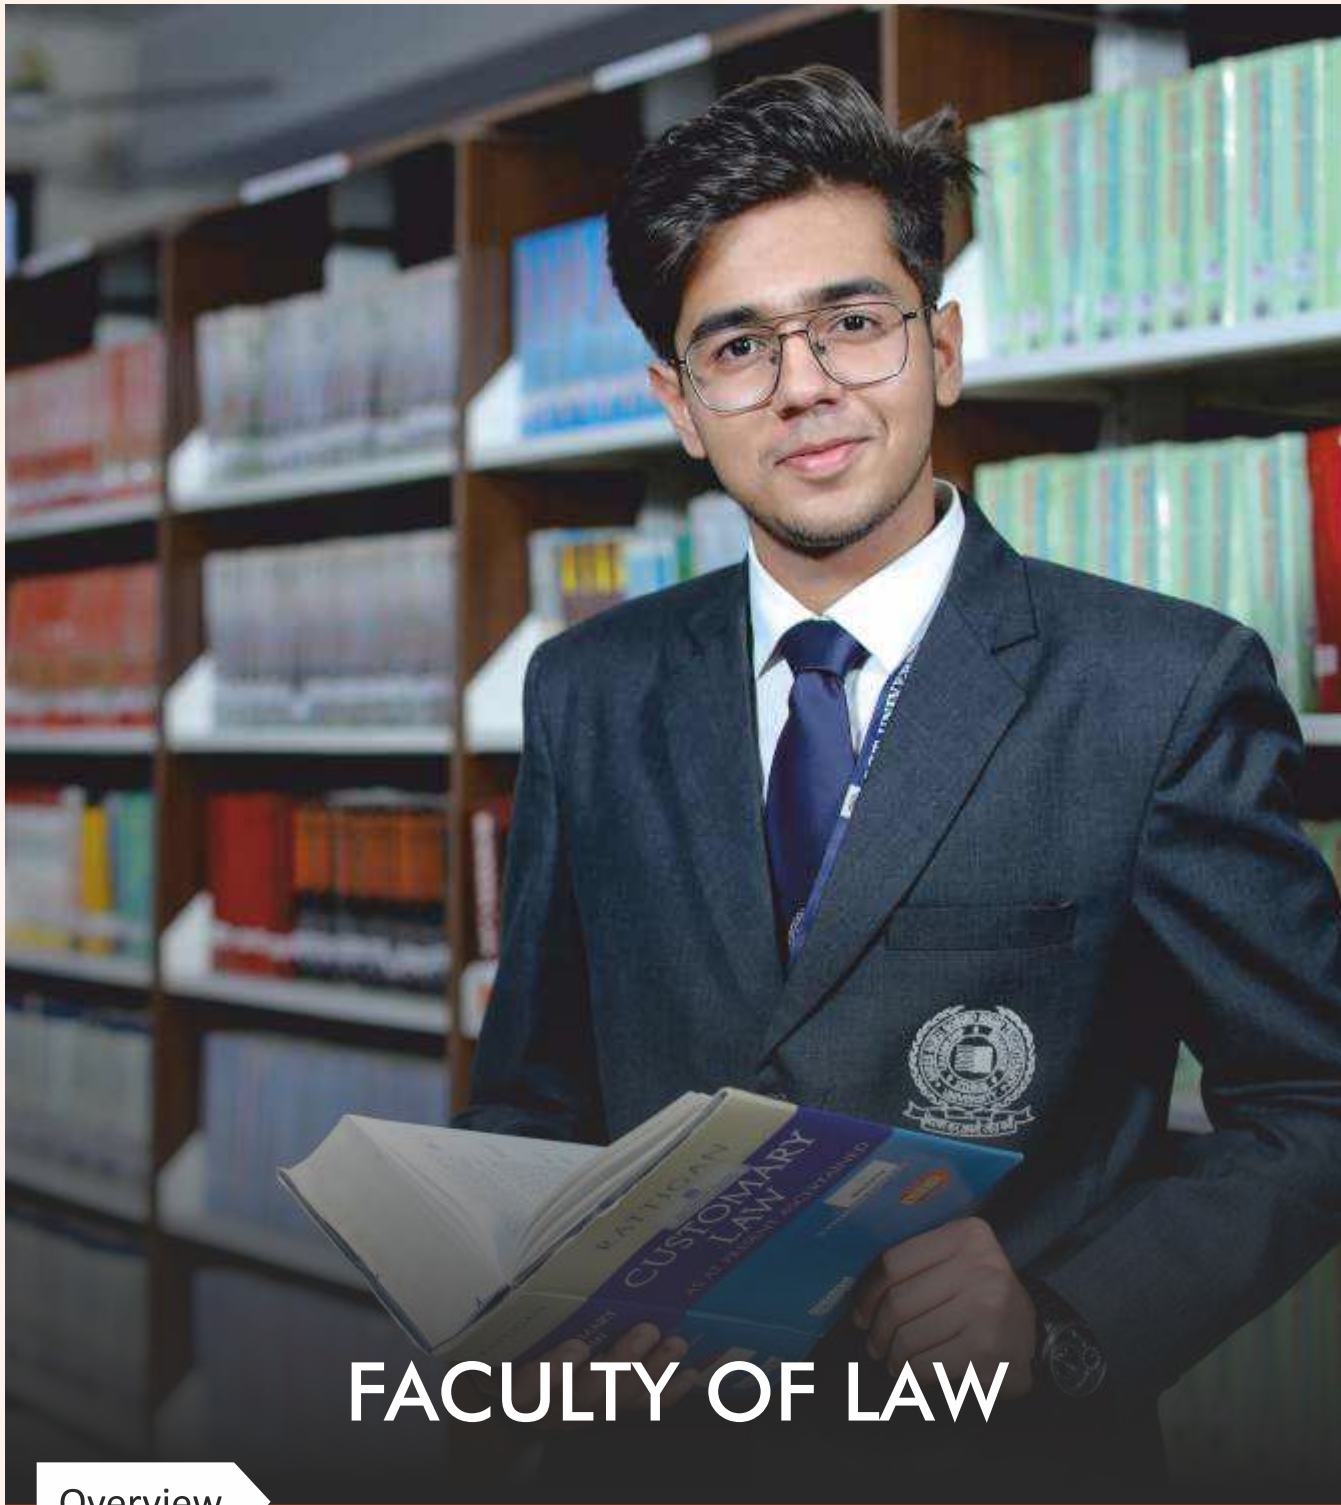

Eligibility: As per UGC/ Council norms

* Student will be awarded with Bachelor's Degree after successful completion of 3 years &

** Student will be awarded with Bachelor's Degree (Hons. with Research) after completion of 4 years

Relaxation in Eligibility for SC students of Haryana State only will be as per government rules. Reservation of seats will be as per government rules.

Note : Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One time refundable) as caution money and Rs. 2,500/- (One time non refundable) for registration of Alumni Association.

FACULTY OF LAW

Overview

Founded in 2014, the goal of the Faculty of Law at SGT University is to provide students from a variety of socioeconomic and cultural backgrounds with access to high-quality legal education. The law programs are in consonance with this and are based on state-of-the-art curriculum and syllabi created by knowledgeable and experienced faculty members to adapt to the changing demands of the legal profession. The faculty envisions creating legal professionals dedicated to advancing human dignity, promoting social welfare, and providing justice to aggrieved people.

What makes FOL stand out?

- MOUs with various universities, including Consortium of NLU'S Bangalore the National University of Study and Research in Law, Ranchi and think tanks like the CUTS Institute of Regulation and Competition, New Delhi.
- Established the Moot Court Society to conduct Moot Court competitions and workshops for students to help them develop their advocacy skills and give them a better application of mind and law.
- Various centres, including the Centre for Panchayati Raj, Cyber Cell, SADR, Centre for Women, Child & Gender Justice, Centre for Advanced Legal Studies, Training & Research, Centre for Criminal Justice, and Centre for Research in IPR.
- Introduction of various certificate courses, including a course on Forensic Science
- Regular workshops and guest lectures are provided so that the students can have a better understanding of contemporary legal issues.

Pedagogy

- Blended Learning
- Clinical Legal Education
- Critical Thinking
- Inter-disciplinary research
- Project-based learning.

Career Opportunities

Apart from entering into legal practice as a litigating lawyer, law graduates today have the option to join the legal profession and work as:

- Law Officers
- Legal Advisors
- Legal Executives
- Judicial Services

Infrastructure

The well-equipped seminar hall and smart classrooms are designed for conferences, guest lectures, workshops, and other academic and miscellaneous activities for the students. The Legal Aid Cell, Grievances Counseling Cell, Girls Common Room, and Common Reading Room are designed keeping in mind the needs and requirements of law students.

Industry Engagement

- Students are sent for internships on a regular basis under judicial officers, advocates on record, and senior advocates.
- Industrial experts are constantly being invited to the Faculty of Law to interact with students. A few of them include Justice Manju Goel, Former Judge of the Delhi High Court; Ms. Sunaina Dutta, Joint Director of CCI; and Prof. Dr. P.C. Jain, Prof. Sociology, JNU, Delhi.
- Students regularly visit the Parliament, Supreme Court of India, High Courts, Police Stations, Tribunals, Cyber Cells, and other related institutions.

Research

The Faculty of Law has its own Research Cell, which facilitates the research among students and faculty members. The students do a wide array of research for their moot court competitions, research paper publications in reputed law journals, and other purposes.

The Faculty of Law publishes its monthly e-newsletter, "Law Spectrum," which is curated by a dedicated team of students led by faculty members. It disseminates information about the contemporary legal developments of our country.

The faculty also has its own "SGTU Law Journal," which welcomes authors from various backgrounds to share their manuscripts on contemporary legal issues.

Social Responsibility

The Faculty of Law's main social outreach program is the provision of free legal aid services. The faculty has established a "Pro Bono Club" under the aegis of the Ministry of Law and Justice. Several events are arranged under this program, including awareness camps to spread awareness among the rural society on many social issues like "Gender Equality," "POCSO & Gender Sensitization," "Women Empowerment," and "Traffic Rules & Doping Laws."

Achievements

The students of the Faculty of Law have won the following awards:

- 1st Runner-Up Award & Best Memorial Award in 4th National Moot Court Competition, 2024 by Bahra University, Shimla.
- 2nd position in the Paper Presentation Competition organised by USLLS, GGSIPU, New Delhi.
- 3rd Position in Inter-College Quiz Competition organised by Maharaja Surajmal Institute, New Delhi, in collaboration with Delhi Police.
- Best Researcher Award in the National Moot Court Competition, 2023 of LAW TRYST, organised by Shri Vile Parle Kelavani Mandal's Jitendra Chauhan College of Law, Mumbai.
- Best Memorial Award in Maharishi Mahesh Yogi National Moot Court Competition, 2023.
- Runner-Up Award in 2nd National Moot Court Competition organised by School of Law, Graphic Hill Era University, Dehradun, in collaboration with Chambers of Abhinav Mishra, Advocates & Solicitors.

Accreditations/Affiliations/ Approvals

- Affiliated with the Bar Council of India.
- Affiliate of the National Law University Consortium.

Alumni

The alumni students are a significant asset to the faculty and are actively engaged with current-year students, motivating them to perform and excel. Some of our alumni who are successful today feel their responsibility to visit and engage with their alma mater.

PROGRAMS OFFERED			
S.No.	Program Name	Duration	Fee (Rs.)
1	Bachelor of Arts and Bachelor of Legislative Law (Hons.)	10 semesters	80000 (Per Semester)
2	Bachelor of Business Administration and Bachelor of Legislative Law (Hons.)	10 semesters	80000 (Per Semester)
3	Bachelor of Legislative Law (Hons.)	6 Semesters	80000 (Per Semester)
4	Master of Law	2 Semesters	80000 (Per Semester)
5	Doctor of Philosophy (Law)	As per UGC norms	150000 (Per Year)

Eligibility: As per UGC/ Council norms

Relaxation in Eligibility for SC students of Haryana State only will be as per government rules. Reservation of seats will be as per government rules.
Note : Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One time refundable) as caution money and Rs. 2,500/- (One time non refundable) for registration of Alumni Association.

FACULTY OF ENGINEERING AND TECHNOLOGY

Overview

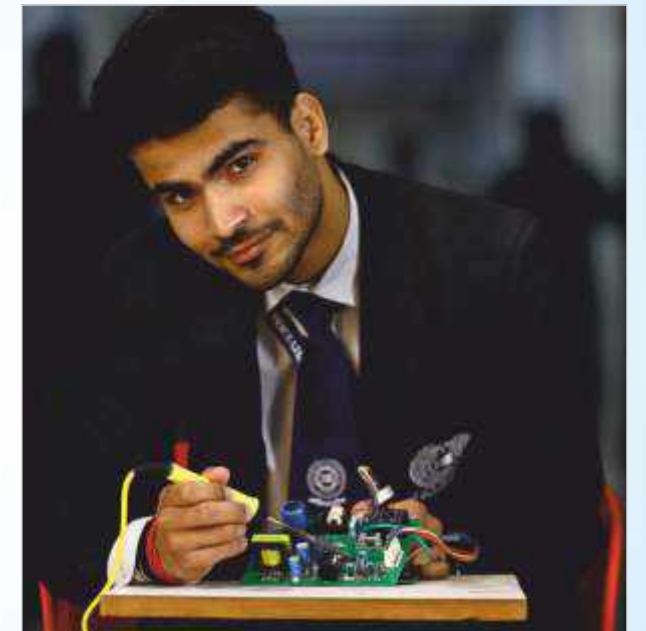

Welcome to the Faculty of Engineering and Technology (FEAT) at SGT University, a truly dynamic and diverse place where we offer a broad spectrum of programs in engineering and technology and aim to develop graduates who are ethical, technologically literate, and ready for multicultural workplaces.

Our programs are relevant to industry needs, with a strong focus on creative and critical thinking, problem-solving approach and the development of unique leadership skill sets. All our programs are aligned with national priorities yet tailored to meet the demands and needs of the global employment market. With the support of industry experts, they integrate real-world practices with theory, ensuring our students are equipped to address complex problems.

What makes FEAT stand out?

- **Interdisciplinary Synergy:** Our curriculum encourages students to explore multiple engineering domains, facilitating collaboration and the exchange of ideas. This cross-disciplinary approach empowers students to become well-rounded engineers who can adapt and thrive in a rapidly evolving technological landscape.
- **Experiential Learning Ecosystem:** Across all departments, we emphasize practical learning through extensive hands-on projects, industrial exposure, and internships. This approach ensures that students don't just understand theory but can also apply it effectively, preparing them for real-world challenges.
- **Cutting-Edge Facilities:** Each department boasts state-of-the-art laboratories and infrastructure that cater to the unique needs of Computer Science Engineering, Civil Engineering, Electronics and Communication Engineering, and Mechanical Engineering. Our students have access to modern equipment and software, enabling them to experiment and innovate in a supportive environment.
- **Research-Centric Culture:** We promote a culture of research and innovation in all four departments. Our students are encouraged to engage in research projects, publish their findings, and contribute to the advancement of their respective fields. This focus on research ensures that they stay at the forefront of industry developments.
- **Industry Partnerships:** Strong industry connections and collaborations are a shared USP, facilitating internships, networking opportunities, and practical insights for students in all three departments. These partnerships lead to internships and job placements with reputable companies.

- **Comprehensive Skill Development:** Our holistic approach to education not only imparts technical knowledge but also nurtures essential soft skills, leadership qualities, and teamwork through active participation in student organisations. These skills make our graduates well-rounded professionals and leaders.

Pedagogy

- **Active Learning:** Active learning methods, such as problem-based learning, peer teaching, and flipped classrooms, engage students in the learning process. These methods encourage student participation, critical thinking, and collaborative problem-solving.
- **Project-Based Learning (PBL):** PBL is a globally recognised pedagogical approach that empowers students to work on real-world projects, enhancing their practical skills and ability to apply knowledge to complex challenges.
- **Research-Based Learning:** Encouraging students to engage in research, publish findings, and contribute to academic knowledge. This fosters innovation, critical thinking, and deep subject matter understanding.
- **Blended Learning:** Combining traditional classroom teaching with e-learning, virtual labs, and digital libraries to enhance student learning experiences.

Pioneering the Future: Unique Thrust Areas at FEAT

- **Artificial Intelligence and Machine Learning (AIML):** AIML is at the forefront of technological innovation, and we ensure that our students are well-versed in this transformative field. They learn to harness AIML for predictive maintenance in smart vehicles, optimise energy consumption in smart building systems, improve precision in additive manufacturing, and develop AI-driven solutions in various engineering domains.

- **Smart Building Infrastructure:** Smart infrastructures are the future of sustainable and efficient urban living. Our students delve into the design and implementation of intelligent building systems with a focus on energy efficiency, automation, and occupant comfort.
- **Additive Manufacturing Innovation:** Additive manufacturing, or 3D printing, is revolutionising how we design and create products. In our pursuit of excellence, we have established additive manufacturing as a unique thrust area. Our students explore the latest technologies and materials, pushing the boundaries of what's possible. From rapid prototyping to custom medical implants, our graduates are equipped to lead the field, harnessing the potential of 3D printing in innovative ways.
- **Smart Vehicles:** The future of transportation is electric, connected, and autonomous. SGT University is at the forefront of this revolution. Our students work on cutting-edge smart vehicle technologies, from electric and hybrid propulsion to autonomous navigation. By combining AIML with vehicular engineering, we are shaping the future of transportation.
- **Very Large-Scale Integration (VLSI):** It is emerging as a pivotal thrust area in electronics, shaping the future for aspiring engineers. VLSI technology enables the integration of millions, or even billions, of transistors on a single chip, driving advancements in computing power, miniaturization, and energy efficiency.

Career Opportunities

- | | |
|------------------------|-----------------------------|
| ● Data Scientist | ● Production Engineer |
| ● Data Analyst | ● Design Engineer |
| ● Prompt Engineer | ● IOS Developer |
| ● Robotics Engineer | ● Automation Engineer |
| ● Full Stack Developer | ● Environmental Engineer |
| ● Simulation Engineer | ● Geotechnical Engineer |
| ● Web Developer | ● Structural Designer |
| ● Cybersecurity Expert | ● Network Engineer |
| ● Aerospace Engineer | ● Semiconductor Engineer |
| ● Electric Vehicle | ● System on Chip (SOC Arc.) |

Infrastructure

- **World-Class Laboratories:** Our well-equipped laboratories are at the forefront of technological advancements. From advanced robotics and automation setups to materials testing and computer simulation labs, students have access to the tools and resources they need to explore, experiment, and learn.
- **Modern Classrooms:** Our spacious and technologically advanced classrooms create a conducive learning environment. They are equipped with audio-visual aids, facilitating interactive sessions and dynamic discussions.
- **Library and Digital Resources:** The university's extensive library, complemented by a vast digital repository, ensures students have access to a wide range of textbooks, journals, research papers, and e-learning materials. This knowledge hub supports students in their academic pursuits and research endeavours.
- **E-Learning Platforms:** We embrace technology in education. Our e-learning platforms provide students with the flexibility to access educational materials, engage in online courses, and explore virtual labs, enhancing the learning experience.
- **State-of-the-Art Workshops:** Our workshops are equipped with modern tools and machinery. These spaces allow students to gain practical insights and hands-on experience, an essential component of engineering education.
- **Research Centers:** FEAT houses research centres that promote innovation and interdisciplinary research. Students can participate in projects that address real world challenges and contribute to the advancement of engineering and technology.

Research

The Faculty of Engineering & Technology has published research-related articles in journals of international repute and peer-reviewed journals. In the last year, our publication status was as follows:

- Research Papers: 300
- Patents: 190
- Book Chapter: 43
- Books: 25

Industry Engagement

At the Faculty of Engineering & Technology, we firmly believe that strong ties with industry are pivotal in shaping the engineers and technologists of the future. Our industry engagements continue to be a cornerstone of our approach to education, ensuring that our students are well-prepared for the challenges and opportunities that await them in the professional world. Our students got internship opportunities in the majority of India's top companies, including:

- Airport Authority of India (AAI)
- National Highways Authority of India (NHAI)
- Signature Global
- Honda
- Maruti Suzuki India Limited
- Hyundai Pvt. Ltd.
- Texas Instruments
- Nvidia
- Philips Electronics
- Motorola
- Infosys
- Wipro
- Accenture
- Tech Mahindra

Synergy Tech-fest

In the dynamic world of engineering and technology, staying ahead means embracing innovation and nurturing creativity. At SGT University, we take this commitment to the next level with our annual flagship event, the Synergy tech-fest. Synergy tech-fest is a celebration of all things innovative, a convergence of ideas, and a demonstration of the incredible possibilities within the world of health care, engineering and technology, and sustainable research and development. Our latest edition, Synergy 2024, featured more than 22000 students and 200+ student-led innovations.

Social Responsibility

We have engaged with rural and corporate societies to help develop innovations and solutions for uplifting the masses, especially the rural populations residing in our campus vicinity. We have initiated several awareness programs to address critical environmental and technological issues in nearby villages.

Our programs have covered a diverse range of topics, such as water conservation and safe drinking water, solid waste management techniques, sanitary drainage systems, electric vehicles, solar power utilisation, and the effective use of e-resources. These programs aim to empower local communities with knowledge and sustainable practices.

Achievements

Our faculty members and students have actively participated in different national & international conferences. They have actively participated and won prizes at major techfests and hackathons organised by both public and private institutions. Our faculty members and students have also collaborated with other faculties on campus to provide technological development support to many health-driven innovations.

Accreditations/Affiliations/Approvals

Engineering programs are approved by UGC and accredited by NAAC.

Alumni

The alumni students are a significant asset to the faculty and are actively engaged with current-year students, motivating them to perform and excel. Some of our alumni who are working in leading industries today feel their responsibility to visit and engage with their alma mater.

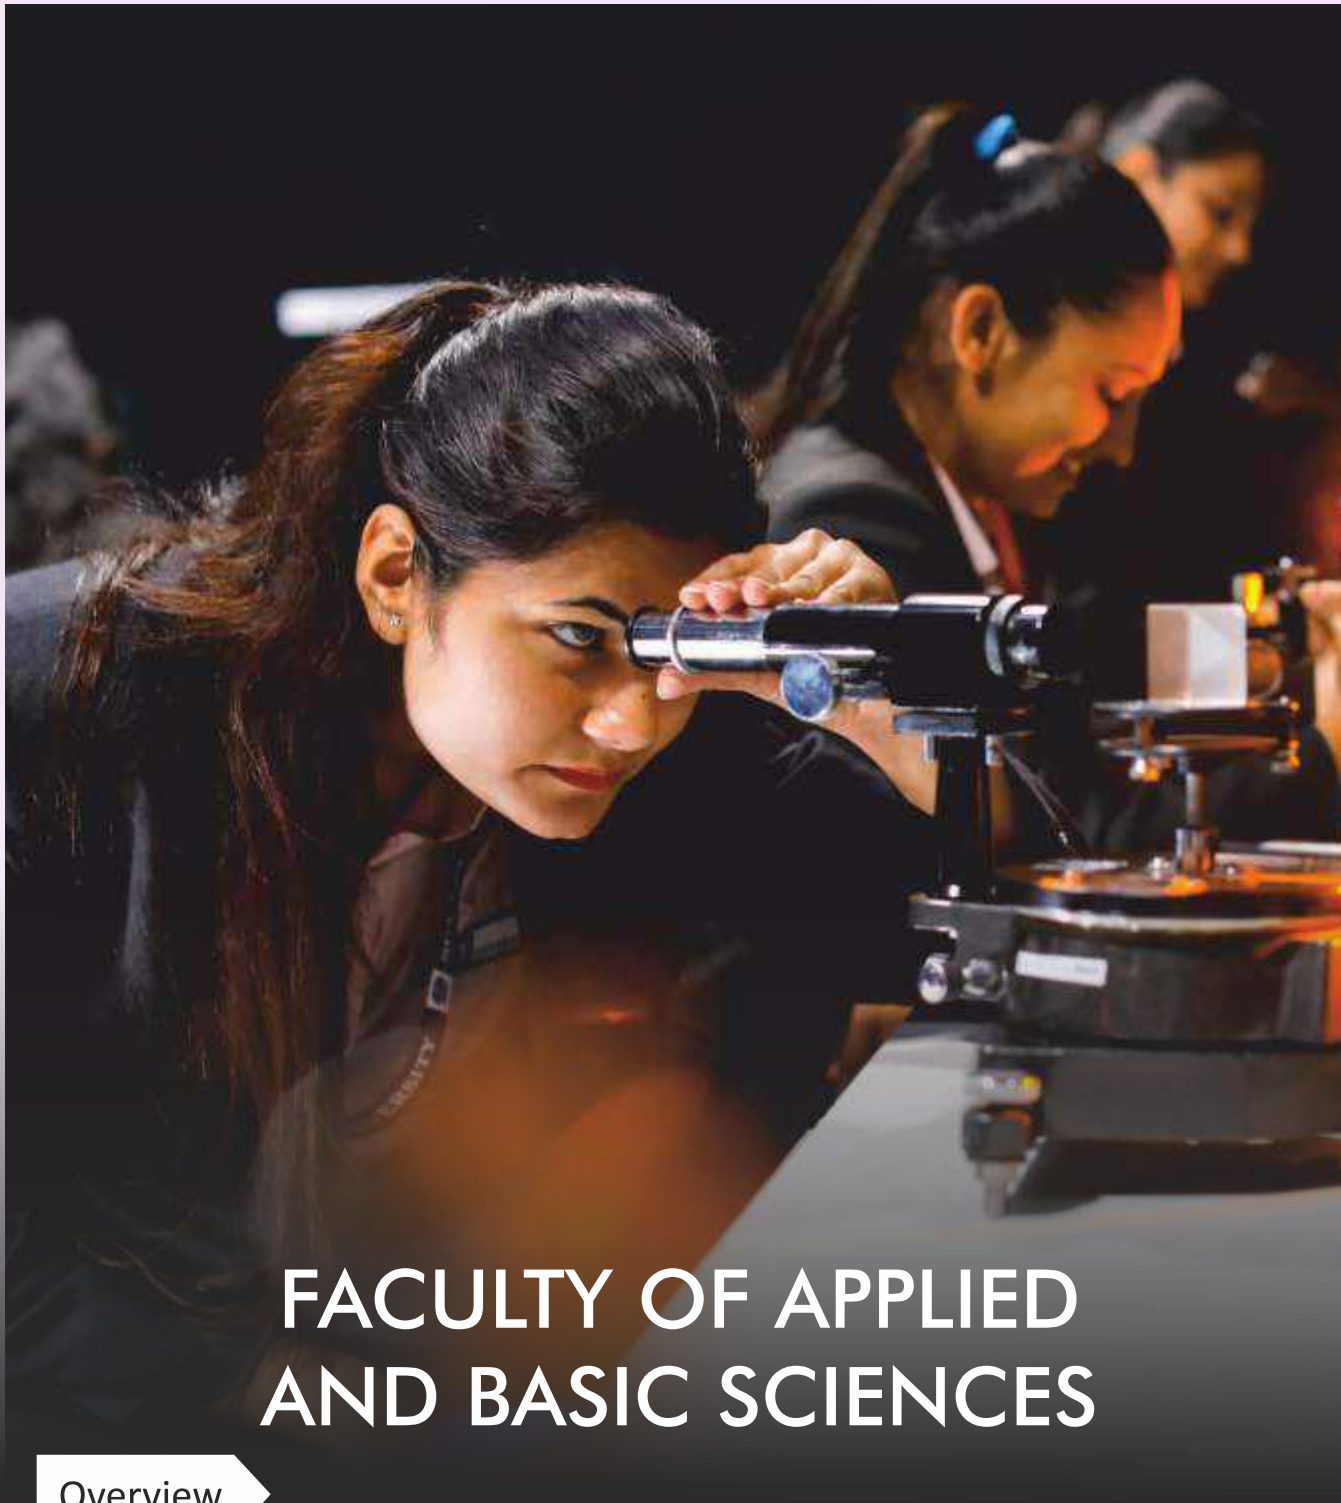

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)
1	Bachelor of Technology in Computer Science & Engineering (Artificial Intelligence and Machine Learning/ Cloud Computing/ iOS & Mobile Applications/ Cyber Security/ Data Science/ Blockchain/ Gen AI/ DevOps/ Data Engineering)	8 Semesters	115000 (Per Semester) 140000 (Per Semester) (With Specialization)
2	Bachelor of Technology in Computer Science & Engineering (AI & Future Technologies)	8 Semesters	140000 (Per Semester)
3	Bachelor of Technology in Computer Science [Work Integrated program] (Software Product Engineering)	8 Semesters	162500 (Per Semester)
4	Bachelor of Technology in Mechanical Engineering (Robotics/ Electric Vehicle/ Digital Manufacturing)	8 Semesters	70000 (Per Semester)
5	Bachelor of Technology in Civil Engineering (Green Technology and Sustainability Engineering/ Construction Technology)	8 Semesters	70000 (Per Semester)
6	Bachelor of Technology in Electronics & Communication Engineering (General/ VLSI)	8 Semesters	70000 (Per Semester) 95000 (Per Semester) (With Specialization)
7	Bachelor of Computer Applications (Artificial Intelligence & Machine Learning/ Cloud Computing/ Cyber Security/ Web Development/ Data Science)	6 Semesters	75000 (Per Semester)
8	Master of Computer Applications (Artificial Intelligence & Machine Learning/ Cyber Security/ Data Science)	4 Semesters	50000 (Per Semester)
9	Master of Technology in Civil Engineering (Structural Engineering/ Transportation Engineering/ Remote Sensing and GIS)	4 Semesters	50000 (Per Semester)
10	Master of Technology in Computer Science & Engineering (General/ Big Data Analytics)	4 Semesters	50000 (Per Semester)
11	Master of Technology in Electronics & Communication Engineering	4 Semesters	50000 (Per Semester)
12	Master of Technology in Mechanical Engineering	4 Semesters	50000 (Per Semester)
13	Doctor of Philosophy (Computer Science & Engineering)	As per UGC norms	150000 (Per Year)
14	Doctor of Philosophy (Electronics & Communication Engineering)		150000 (Per Year)
15	Doctor of Philosophy (Mechanical Engineering)		150000 (Per Year)
16	Doctor of Philosophy (Civil Engineering)		150000 (Per Year)

Eligibility: As per UGC/ Council norms

Relaxation in Eligibility for SC students of Haryana State only will be as per government rules. Reservation of seats will be as per government rules.
Note : Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One time refundable) as caution money and Rs. 2,500/- (One time non refundable) for registration of Alumni Association.

FACULTY OF APPLIED AND BASIC SCIENCES

Overview

Established in 2014, the Faculty of Applied and Basic Sciences (FABS) is dedicated to providing exceptional education and training while actively engaging in cutting-edge scientific research.

Emphasising impactful innovations in science and related fields, the faculty is committed to cultivating socially responsible and self-motivated future leaders with a comprehensive scientific mindset. The faculty provides quality education, training, and research in different fields through its five departments, namely, the Department of Physics, Department of Chemistry, Department of Mathematics, Department of Forensic Science, and Department of Environmental Science.

What makes FABS stand out?

- Creative, Innovative, and Interactive Teaching-Learning Methodology
- Industry-oriented curricula prepared in coordination with Industry Advisory Board (IAB)
- Focus on the students' placements in reputed companies and professional organisations
- Frequent industrial training/internships, educational/industrial visits as well as recreational tours in Govt. and Non Govt organisations
- Regular interactive sessions with Eminent Academicians, Scientists, and Industry Experts
- Well-qualified and experienced Faculty Members with National and International exposure teaching with new pedagogy
- Running American Chemical Society (ACS) Student Chapter
- Running OPTICA Local Section from Optical Society of America
- Facility of Swayam/NPTEL Local Chapter for students to support additional online courses
- SES-REC recognized institution by Ministry of Higher Education, Govt. of India
- Research-oriented environment with well-equipped laboratories
- Scholars Hub Platform for Meritorious Students
- Soft skill training for personality development
- Effective mentor-mentee system to ensure the academic & social well-being of the students
- Supported by the well-established, autonomous Centre for Cosmology and Science Popularization (CCSP)
- Established new center for Forensic Science consultancy and trainings

Pedagogy

- Student Interactive Session (SIS)
- Project Based Learning (PBL)/Experiential Learning (EL)
- Professional Activities
- ICT Pedagogical Tools
- Case Studies
- Continuous Evaluation

Career Opportunities

- Teaching and research positions in both government and non-government institutions.
- Scientists in DRDO, BARC, CSIR, CFSL, SFSL etc
- Government services such as IAS, PCS, PO, and Banking
- Forensic Expert Consultancy
- Environmental Consultant
- Biomedical Researcher
- Policy Advisor
- Scientific Writer
- Entrepreneur

Infrastructure

- Smart classrooms to enhance students' learning experience.
- Well-equipped laboratories for Physics, Chemistry, computer, Forensic Science and Environmental Science.
- Centralised Synthetic Organic Chemistry Research lab for conducting advanced research.
- The Centre for Cosmology and Science Popularization (CCSP) facility is fully dedicated to hard-core research in cosmology and popularising science at the grassroots level in society.

Research

The Faculty of Applied and Basic Sciences is dedicated to cutting-edge research and development, focusing on practical solutions to complex global challenges. Its research facilities are equipped with advanced laboratories, computational labs, a central synthetic chemistry lab, and collaborative workspaces that enable faculty and students to explore a wide range of applied science and basic sciences, from physics, mathematics, and chemical technology to environmental science and forensic applications. The faculty promotes interdisciplinary research, allowing researchers to leverage expertise across various fields, fostering innovation and impactful discoveries. Through partnerships with industry and government, the faculty also provides students with hands-on experience, preparing them to apply their research in real-world settings.

These state-of-the-art facilities support a culture of innovation, creativity, and knowledge dissemination, driving advancements that benefit society and the environment.

The faculty has more than 80 PhD scholars, and more than 10 PhDs have been awarded. The faculty has published over 300 research papers in journals indexed by Web of Science and Scopus and has received several research grants of about 1.5 crores from organizations such as DST and BIRAC. Additionally, the faculty has authored over 15 books and 50 book chapters and published more than 50 patents.

Industry Engagement

FABS has established an excellent interface with the corporate world in various sectors, including top organisations such as:

- Prism Johnson Limited
- Byjus
- NIIT
- Genpact
- Bank of America
- Mankind Pharma
- Environics, and more
- FSL
- Enterprenure

Synergy: Delhi NCR's Biggest Tech Fest

SGT University hosts Synergy each year to encourage young students to adopt a culture of innovation, creativity, and entrepreneurship. The festival gives participants the chance to display their creations in front of professionals from business, government, and academia. Students who take part in Synergy have the chance to implement their innovative solutions and novel business concepts.

Additionally, they receive insightful criticism on their innovations from subject-matter experts, which helps advance both their innovations and startups. Through Synergy, students have created some ground-breaking innovations that have addressed issues in healthcare, education, agriculture, robotics, renewable energy, and other fields.

Achievements

- Ranked 96th among all the science colleges in India, 4th among all private science colleges in Delhi, NCR and 2nd amongst all private science colleges in Haryana by India Today in 2022
- Ranked in the 6th position among the Emerging Bachelor of Science (B.Sc.) colleges in India by India Today in 2023.
- Each year some of our faculty members have been recognized as Stanford's Top 2% scientists
- Running extra-mural research funding

Social Responsibility

The faculty has always given importance to inculcating social responsibilities in students during their academic years of development. We have engaged with the rural people to help develop entrepreneurship skills, especially in the nearby vicinity.

Accreditations/Affiliations/Approvals

All the UG, PG, and PhD programs are UGC-approved.

PROGRAMS OFFERED			
S.No.	Program Name	Duration	Fee (Rs.)
1	Bachelor of Science (Hons. with Research) Forensic Science	6 Semesters * / 8 Semesters **	60000 (Per Semester)
2	Master of Science (Forensic Science) with Specialization (Forensic Biological Science/ Forensic Chemical Sciences/ Forensic Physical Sciences/ Digital Forensics)	4 Semesters	60000 (Per Semester)
3	Master of Science (Environmental Sustainability)	4 Semesters	40000 (Per Semester)
4	Doctor of Philosophy (Physics)	As per UGC norms	150000 (Per Year)
5	Doctor of Philosophy Physics (Cosmology and High Energy Physics)		150000 (Per Year)
6	Doctor of Philosophy (Chemistry)		150000 (Per Year)
7	Doctor of Philosophy (Mathematics)		150000 (Per Year)
8	Doctor of Philosophy (Forensic Science)		150000 (Per Year)
9	Doctor of Philosophy (Environmental Science)		150000 (Per Year)

Eligibility: As per UGC/ Council norms

* Student will be awarded with Bachelor's Degree after successful completion of 3 years &

** Student will be awarded with Bachelor's Degree (Hons. with Research) after completion of 4 years

Relaxation in Eligibility for SC students of Haryana State only will be as per government rules. Reservation of seats will be as per government rules.

Note : Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One time refundable) as caution money and Rs. 2,500/- (One time non refundable) for registration of Alumni Association.

FACULTY OF AGRICULTURAL SCIENCES

Overview

The Faculty of Agricultural Sciences (FASC) at SGT University (ICAR Accredited), established in 2016-17, is well-equipped to address modern agricultural challenges. The faculty promotes innovative learning methods, fostering critical thinking and experiential, discussion-based learning. With a diverse team of highly qualified teachers from esteemed agricultural universities across the country, the institution ensures a dynamic teaching environment. The curriculum, aligned with the Indian Council of Agricultural Research (ICAR) standards, is used for both undergraduate and postgraduate programs.

What makes FASC stand out?

- ICAR-accredited degree programs
- Mega-size students' research and demonstration farm.
- Well-equipped laboratories of all agricultural disciplines.
- Meritorious, competent, and renowned academicians and teachers with doctorates from reputed national and international universities.
- Education focused on experiential and self-guided learning, interdisciplinary course work, undergraduate research, and student-farmer-industry interaction.
- Linkage with national and international universities, ICAR institutes, and MNCs for internships, training, research, curriculum development, and placements.
- Excellent placement records in government departments, private industry, and higher studies in IIM, Indian and foreign universities.

Pedagogy

The pedagogy must reflect the inclusive approach so learners can relate what is taught in the class to the multiple perceptions and realities they experience. In the Faculty of Agricultural Sciences, student participatory teaching methods like student interactive sessions, problem/project-based learning, blended learning, flipped classrooms, the fishbowl technique, roleplay, etc. are followed in day-to-day classes.

Career Opportunities

- Agriculture and Horticulture Development Officer
- Soil Conservation Officer and Soil Analyst
- Seed Production and Seed Certification Officer
- Rural and or Agriculture Development Officers
- Technical Officer in sugar, fertiliser, and pesticides manufacturing units

- Researcher in seed and vegetable production.
- Marketing Officer for seed, fertiliser, and pesticides.
- Entrepreneur in agribusinesses

Infrastructure

- Over 50 hectares of instructional farmland
- Well equipped laboratories covering all agricultural subjects
- Floriculture and vegetable cafeteria
- Farms dedicated to medicinal and aromatic plants and field crops.
- In-house experiential modules support skill and entrepreneurship development in areas like Hi-tech horticulture, vermi-composting, mushroom production, commercial beekeeping, hybrid seed production, etc.
- A static Soil Testing Laboratory, equipped with the latest soil, plant, and water testing technologies.
- Herbal Garden

Research

At SGT University, M.Sc. Agriculture and Ph.D. degrees are awarded upon the successful completion of coursework and research, which is in line with ICAR guidelines. The research work, which is an integral part of these degree programs, is approved by the student's Advisory Committee and the Faculty Research Advisory Committee.

Field trials conducted as part of this research are regularly monitored by the Advisory Committee and faculty members. Undergraduates are encouraged to write research and review papers, as well as to participate in conferences and workshops.

The following externally funded projects are awarded to the faculty:

- Identification of the candidate gene(s) for grain yield

under drought by fine mapping of a major QTL on wheat chromosome 7B and its transfer into a popular high-yielding variety of wheat by the Department of Science and Technology, Govt. of India (INR 30.0 lakhs).

- Establishment of Static Soil Testing Laboratory under National Soil Health Mission by Department of Agriculture and Farmers Welfare, Govt. of India and Govt. of Haryana (INR 75.0 lakhs).
- Establishment of Herbal Garden at SGT University by State Medicinal Plant Board, Haryana (Rs. 8.40 lakhs).

Industry Engagement

- **Internships:** Internships play a vital role in the education of B.Sc. (Hons.) Agriculture and Master of Business Administration (Agri-Business) students. Both programs require students to complete an industry placement lasting one to three months, where they apply their academic knowledge and skills in real-world industrial settings. Our students have interned with prestigious companies like Syngenta Ltd., Nestle India, Bayer, Dhanuka, and Harvest Gold, enhancing their practical skills and industry readiness.
- **Industry Visits:** Students are regularly taken on industry visits each semester, including trips to Krishi Vigyan Kendra's (KVKs), Research Stations of State Agricultural Universities (SAUs), and ICAR institutes. Our students have gained hands-on experience through industrial visits to leading organisations such as Canary Agro Chemicals Pvt. Ltd., ACSEN Hyveg Pvt. Ltd., Parle Agro, and Vigen Seeds and Biotech Pvt. Ltd.
- **Workshops:** The faculty organises workshops, conferences, and seminars on a regular basis to introduce students to new research, teaching technologies, skill development tools, and innovations in collaboration with national and international researchers and academics.

Social Responsibility

- The Faculty of Agricultural Sciences (FASC) is deeply committed to social responsibility through various initiatives focused on community welfare and rural development. With active participation from students and faculty, FASC conducts extension and community service activities via academic clubs, specialised training, meetings, and workshops.
- As part of the Student READY program, students engage in the Rural Agriculture Work Experience (RAWEX) during their final year, where they live in designated villages, interacting with farmers and villagers to address agricultural issues.
- FASC also supports rural women through the Stree Kitchen Project, while faculty members provide expert guidance to farmers on crop production through training camps, farmer meetings, Kisan Melas, and digital platforms like the SGT Kisan Seva WhatsApp group.
- Regular awareness events, such as Kisan Diwas, World Environment Day, and World Soil Day, are held with mandatory student participation. By empowering farmers and bridging knowledge gaps, FASC strives to enhance the long-term prosperity of rural communities.

Alumni

The alumni students are a significant asset to the faculty and are actively engaged with current-year students, motivating them to perform and excel. Some are in academics, some are in research, and others have joined reputed government and private institutions.

Achievements

The faculty and students have received many national and international awards from organisations such as ICAR, professional societies, government, and international organisations.

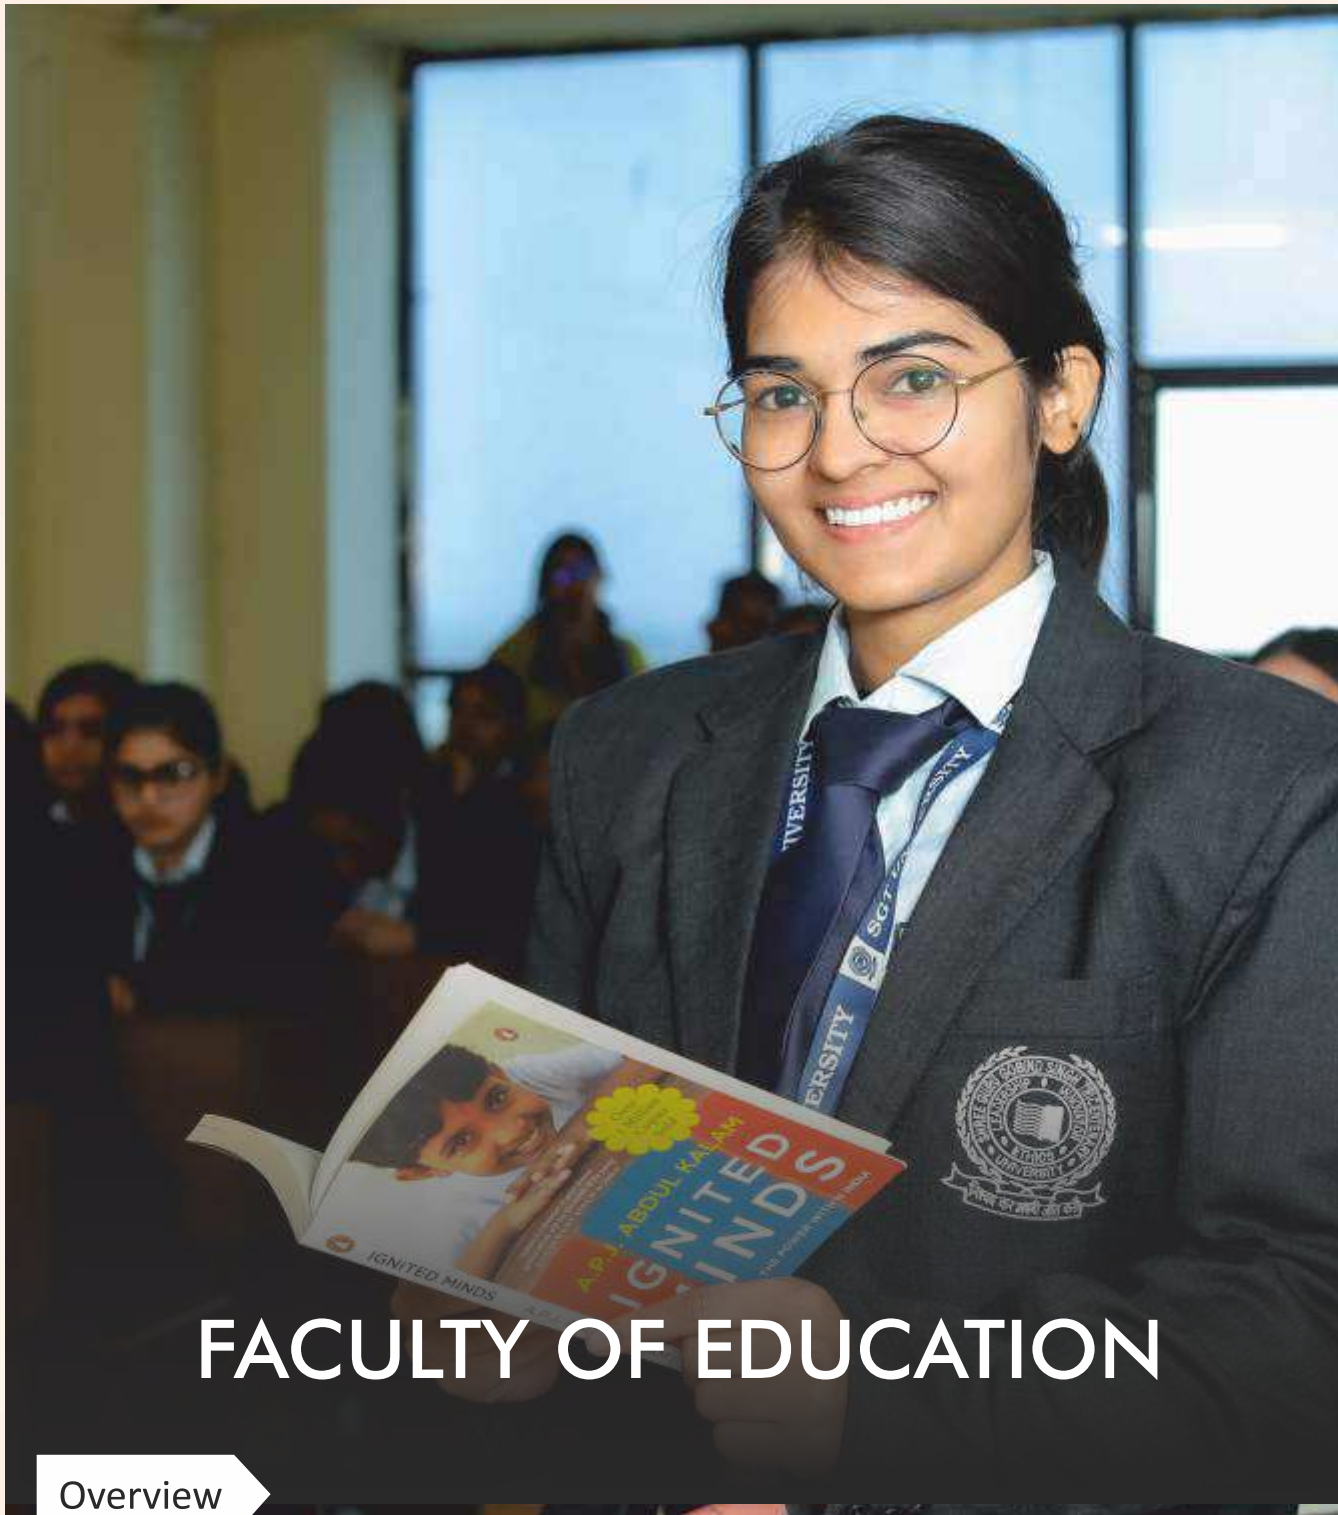

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)
1	Diploma in Agricultural Extension Services for Input Dealers (DAESI) (Certified by MANAGE Hyderabad)	1 Year	20000 (Per Year)
2	Diploma in Seed Production Technologies	1 Year	10000 (Per Year)
3	Bachelor of Science (Hons.) Agriculture	8 Semesters	87500 (Per Semester)
4	M. Sc. Ag. (Agronomy)	4 Semesters	125000 (Per Semester)
5	M. Sc. Ag. (Plant Pathology)	4 Semesters	75000 (Per Semester)
6	M. Sc. Ag. (Genetics & Plant Breeding)	4 Semesters	75000 (Per Semester)
7	M. Sc. Ag. (Soil Science and Agriculture Chemistry)	4 Semesters	75000 (Per Semester)
8	M. Sc. Ag. (Agricultural Extension & Communication)	4 Semesters	75000 (Per Semester)
9	M. Sc. Ag. (Agricultural Economics)	4 Semesters	75000 (Per Semester)
10	M. Sc. Ag. (Hort.) Fruit Science	4 Semesters	75000 (Per Semester)
11	M. Sc. Ag. (Hort.) Vegetable Science	4 Semesters	75000 (Per Semester)
12	M.Sc. Ag. (Hort.) Floriculture & Landscaping	4 Semesters	75000 (Per Semester)
13	M.Sc Ag. (Entomology)	4 Semesters	75000 (Per Semester)
14	Master of Business Administration (Agri Business Management)	4 Semesters	75000 (Per Semester)
15	Doctor of Philosophy (Agricultural Sciences) [Agronomy]	As per UGC norms	150000 (Per Year)
16	Doctor of Philosophy (Agricultural Sciences) [Horticulture]		150000 (Per Year)
17	Doctor of Philosophy (Agricultural Sciences) [Genetics & Plant Breeding]		150000 (Per Year)
18	Doctor of Philosophy (Agricultural Sciences) [Soil Science]		150000 (Per Year)

Eligibility: As per UGC/ Council norms

Relaxation in Eligibility for SC students of Haryana State only will be as per government rules. Reservation of seats will be as per government rules. **Note :** Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One time refundable) as caution money and Rs. 2,500/- (One time non refundable) for registration of Alumni Association.

FACULTY OF EDUCATION

Overview

Teachers play an important part in society. They help individuals, society, and organisations by offering valuable services to society. Therefore, a good teacher and special educator must have a broader understanding of various aspects of human development and societal structure in general to provide quality services to society.

With this motive, the Faculty of Education, established in 2016, is dedicated to preparing teachers and teacher educators for regular as well as special education to play a proactive role in bringing positive transformation to society by facilitating and enhancing the quality of education in regular and special schools and higher educational institutions.

What makes FEDU stand out?

- Professional-oriented, skill-based, and competency-based curriculum that is in tune with practical and field-based activities.
- Use of bilingual mediums of instruction and examination to cater to the educational needs of students from both rural and urban backgrounds.
- Interdisciplinary approach to deliver quality education and standard professional training both on and off the campus.
- Strong emphasis on professional training and holistic personality development to provide ample opportunities for placements as well as to promote research and development.
- Tie-ups with reputed international schools in Gurgaon and Delhi for teaching internships with ample scope of placements within the same schools.
- Multiple academic and extracurricular clubs for the holistic development of the students.
- Interpersonal skills enhancement sessions.
- Regular internship and placement fairs.

Pedagogy

At the university level, the Faculty of Education follows the principles and processes of andragogy and heutagogy and thus prepares every student to become research-oriented. These skills are imparted through creative thinking, wherein student-teacher trainees are offered theoretical and practical concepts simultaneously.

The practical classes are designed to elicit creativity among the students. With blended learning, updated knowledge related to the fields of education, special education, and inclusive education is imparted through the use of information and communication technology-enabled instructional mechanisms.

Students also present their topic through PowerPoint presentations and develop teaching and learning material using AI-based apps. Role play and case studies give the students a chance to portray societal and educational needs, which makes their learning permanent. Student teacher trainees are supposed to be involved in the community outreach program and come up with their views on upgrading the service delivery mechanism.

Student teacher trainees in special education, through their curriculum framework, become equipped with innovations and contemporary strategies that help to develop an equity-based education system and an inclusive society at large.

Career Opportunities

- **After B.Ed./B.Ed. (Spl.Edu) /D.Ed. (Spl.Edu)**
 - School Teacher
 - Special Educator
 - Counsellor
 - Social Worker
 - E-Teacher/Tutor
 - Entrepreneur
- **After M.Ed.**
 - Teacher Educator
 - PGT Teacher
 - Principal
 - Vice Principal
 - Academic Auditor
 - Institutional Effectiveness Officer
 - Accreditation Officer
 - Quality Assurance Officer
- **After Ph.D.**
 - Assistant Professor
 - Research Associate
 - Post-Doctoral Fellow
 - Project Fellow

Infrastructure

The Faculty of Education is part of a fully developed institutional area with the modern infrastructure and academic aura of SGT University. In keeping with its vision and mission, the campus has been designed and developed with a great sense of aesthetics to provide an eco-friendly environment and ambience to stimulate the learning process.

Research

The faculty has submitted extramural and intramural projects for funding to government agencies. Faculty members are engaged in research activities and actively encourage students to take up start-up projects through our incubation centre and publish in Scopus Indexed Journals/UGC-Care journals.

Industry Engagement

The faculty brings industry exposure and research domains to one place to provide an immense wealth of knowledge to our students via various industrial/hospital tie-ups, MOUs, guest lectures, webinars, industrial visits, and academic visits to various reputed industries and research institutes. Students of the faculty are placed as interns in various clinics, NGOs, and counseling centres in various areas of Delhi NCR. Along with internships, we provide placement opportunities to students in various reputed schools, NGOs, clinics, and inclusive schools.

Social Responsibility

Community outreach programs are regular feature of the curriculum engagement at our faculty. With the target populations available in outreach locations, our students

can experience and adopt to real-life industry situations. Students are also placed in UDAAN (Centre of Ability), which is the part of the Department of Special Education and works with special student. The SGT ka SPARSH Study Centre is a pioneering effort dedicated to supporting school children across various specializations. By providing specialized resources and guidance, the center empowers professionals and creates an inclusive environment conducive to effective learning and development. Additionally, the Faculty has launched the Gramin Library, a transformative initiative to enrich the educational experience of children in rural areas. This program ensures access to essential learning materials and tailored support, fostering academic excellence and holistic growth. Together, these initiatives reflect the Faculty's unwavering dedication to societal advancement through education.

Achievements

Our students have actively participated in different national conferences. Apart from academic laurels, our students have proved their mettle in extracurricular competitions. Our faculty members and students have also collaborated with other faculties on campus to win laurels, especially in social outreach endeavours.

Alumni

The alumni students are a significant asset to the faculty and actively engage with current-year students, motivating them to perform and excel. Some are in academics, some are in research, and others have joined reputed government and private institutions.

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)
1	D. Ed. (Special Education) - Hearing Impairment	4 Semesters	50000 (Per Semester)
2	D. Ed. (Special Education) - Intellectual & Developmental Disabilities	4 Semesters	50000 (Per Semester)
3	B. Ed. (Special Education) - Hearing Impairment	4 Semesters	50000 (Per Semester)
4	B. Ed. (Special Education) - Intellectual Disability	4 Semesters	50000 (Per Semester)
5	Bachelor of Education	4 Semesters	50000 (Per Semester)
6	B.A.B.Ed. Spl.Ed. (Hearing Impairment - Preparatory Stage) ISITEP Integrated Special and Inclusive Teacher Education Programme	8 Semesters	35000 (Per Semester)
7	Integrated Bachelor of Education - Master of Education - (Special Education) - Intellectual Disability	6 Semesters	50000 (Per Semester)
8	Master of Education	4 Semesters	50000 (Per Semester)
9	Doctor of Philosophy in Education	As per UGC norms	150000 (Per Year)
10	Doctor of Philosophy in Special Education (Intellectual Disability)		150000 (Per Year)
11	Doctor of Philosophy in Special Education (Hearing Impairment)		150000 (Per Year)
12	Doctor of Philosophy in Special Education (Visual Impairment)		150000 (Per Year)
13	Doctor of Philosophy in Special Education (Learning Disability)		150000 (Per Year)

Eligibility: As per UGC/ Council norms

Relaxation in Eligibility for SC students of Haryana State only will be as per government rules. Reservation of seats will be as per government rules. **Note :** Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One time refundable) as caution money and Rs. 2,500/- (One time non refundable) for registration of Alumni Association.

FACULTY OF BEHAVIOURAL AND SOCIAL SCIENCES

Overview

The Faculty of Behavioural and Social Sciences (FBSS) is a multidisciplinary centre of learning, research, and innovation that aims to understand and improve the human experience through diverse perspectives. The faculty has the following five departments under it, running a variety of state-of-the-art undergraduate, postgraduate, and licensed courses, as well as doctoral programs:

- Department of Clinical Psychology
- Department of Psychology
- Department of Cognitive Science
- Department of Liberal Studies and Social Science
- Department of Arts & Humanities

What makes FBSS stand out?

- An advanced curriculum as per the National Education Policy (NEP-2020) with emphasis on value-added and skill-based multidisciplinary courses.
- Focus on continuous curriculum revision, updated teaching-learning methodologies, and innovative thinking.
- Regular classes, mentoring, research guidance, and supervised clinical work.
- Training opportunity with the Clinical Psychology Outpatient Department (OPD) at SGT Medical College & Hospital.
- Industry exposure through field visits, workshops, seminars, expert lectures, conferences, and internships.
- High-quality academic and research mentoring by renowned and experienced psychologists both from India and abroad.

Pedagogy

The faculty embraces participatory, experiential, discursive, and student-centric practices in its teaching-learning process, such as Project-Based Learning, Dissertations, and Case Study Presentations.

Career Opportunities

- Clinical Psychologist
- Mental Health Counselors
- Family/Marital Counselors
- Forensic Psychologists
- Academician
- Career Counselors and Coaches
- Researchers
- Human Resources Specialist
- Journalist

Infrastructure

FBSS provides state-of-the-art technology to facilitate and execute the teaching and learning process. All lecture halls are equipped with free Wi-Fi facilities, enabling the prospect of integrated learning. There are technologically advanced laboratories for psychological experiments and testing facilities to promote an experiential learning opportunity for students. Students have access to the faculty's library resources. To support the teaching environment, smart classrooms, LMS (Learning Management System), and other digital modules are used to facilitate the learner's experience.

Research

At FBSS, we encourage socially meaningful, impactful, and multi-disciplinary research. Empirical articles are often referred to and discussed in class, and publications in reputed journals are prioritised. Workshops focused on research skills are frequently organised for faculty and students.

A DST-funded research project titled "Neuro-cognitive correlates of prospective memory and emotion recognition in children with and without Autism Spectrum Disorder (ASD)" is continuing and offering employment and learning opportunities to young scholars.

Science of Happiness Centre

The Rekhi Centre of Excellence for the Science of Happiness has been established with the support of eminent philanthropist Dr. Rekhi Singh's Foundation for Happiness. The aim of the centre is to nurture the mindful awareness, EI, and stress management well-being of the students, staff, and other employees of the university.

Industry Engagement

Internships: Internships are mandatory for students of FBSS who are placed as interns in various hospitals, clinics, NGOs, institutes, and organisations in Delhi NCR, where they learn important concepts and processes related to their field of study and acquire practical skills of assessment, formulation, and intervention. Some of these eminent organisations are:

- VIMHANS
- Ram Manohar Lohia Hospital
- World Brain Centre
- Ganga Ram Hospital
- Fortis Hospital
- Humana- People to people India
- I Am Wellbeing organisation
- Therapy Palette
- Emo aids

Workshops: Industry experts are regularly invited to the faculty for interactive workshops, talks, and discussions with students. This year, topics that were covered in these events include:

- Career Coaching and Life Development
- Hypnotherapy
- Application of Multiple Regression Analysis
- Research Project/Paper Writing and Publication

Social Responsibility

- Rural Connect: The faculty provides excellent exposure to the students to real-life settings and, more so, sensitivity towards the needs of the rural population, which are usually left outside the mainstream of educational and health service delivery systems.
- Toll-Free Helpline: FBSS caters to the need for mental health services by running a toll-free helpline for tele-counselling.

- **Community Projects:** Our students participate in various community projects like mental health awareness campaigns and intervention-based projects in Kendra, Vidyalayas, NGOs, Shelter homes, etc.
- **Free Delivery of Services in School:** FBSS also has tie-ups with a few schools to deliver mental health services with the aim of early identification and intervention of mental health issues in school-going children.

Achievements

Our students have actively participated in different national conferences. Apart from academic laurels, our students have proved their mettle in extracurricular competitions. Our faculty members and students have also collaborated with other faculties on campus to win laurels, especially in social outreach endeavours.

Accreditations/Affiliations/Approvals

Accredited by the Rehabilitation Council of India (RCI) for M.Phil. (Clinical Psychology) and Professional Diploma in Clinical Psychology (PDCP).

Alumni

FBSS alumni are actively connected and collaboratively working for the advancement of the faculty in various ways:

- Annual Alumni Meet
- Events, lectures, and talks
- Venture Support
- Open feedback channels for syllabus and industry engagement

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)
1	Diploma in Pain Management and Trauma Informed Care	2 Semesters	15000 (Per Semester)
2	Bachelor of Science (Hons. with Research) Psychology (Clinical/Criminal)	6 Semesters * / 8 Semesters **	65000 (Per Semester)
3	Bachelor of Science (Hons. with Research) Cognitive Science	8 Semesters	65000 (Per Semester)
4	Bachelor of Science Clinical Psychology (Hons.) #	8 Semesters	150000 (Per Semester)
5	Bachelor of Arts (Hons. with Research) Psychology (Social/ Counselling)	6 Semesters * / 8 Semesters **	65000 (Per Semester)
6	Bachelor of Arts (Hons. with Research) Liberal Arts (Global Devepolment/ Behavioural Science)	6 Semesters * / 8 Semesters **	50000 (Per Semester)
7	Bachelor of Arts (Hons.) English	6 Semesters * / 8 Semesters **	40000 (Per Semester)
8	PG Diploma in Psycho-oncology	4 Semesters	20000 (Per Semester)
9	PG Diploma in Psychotherapy and Counselling	2 Semesters	15000 (Per Semester)
10	Master of Arts Clinical Psychology #	4 Semesters	225000 (Per Semester)
11	Master of Arts Psychology (Social/Industrial-Organizational)	4 Semesters	50000 (Per Semester)
12	Master of Science Psychology (Clinical)	4 Semesters	75000 (Per Semester)
13	Master of Science Psychology (Forensic)	4 Semesters	75000 (Per Semester)
14	Master of Science Psychology (Counseling)	4 Semesters	50000 (Per Semester)
15	Master of Science (Cognitive Science)	4 Semesters	75000 (Per Semester)
16	Master of Arts (English)	4 Semesters	50000 (Per Semester)
17	Master of Philosophy (Clinical Psychology)	2 Years	500000 (Per Year)
18	Professional Diploma in Clinical Psychology	1 Year	300000 (Per Year)
19	Doctor of Philosophy (English)	As per UGC norms	150000 (Per Year)
20	Doctor of Philosophy (Psychology/Clinical Psychology)		150000 (Per Year)

Eligibility: As per UGC/ Council norms

Subject to the approval of the concerned Statutory Council

* Student will be awarded with Bachelor's Degree after successful completion of 3 years &

** Student will be awarded with Bachelor's Degree (Hons. with Research) after completion of 4 years

Relaxation in Eligibility for SC students of Haryana State only will be as per government rules. Reservation of seats will be as per government rules.

Note : Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One time refundable) as caution money and Rs. 2,500/- (One time non refundable) for registration of Alumni Association.

FACULTY OF PHYSIOTHERAPY

Overview

The Faculty of Physiotherapy (FPHY) was founded in 2013 and aims to produce competent, skilled, and dedicated physiotherapists in an atmosphere of quality teaching, learning and research.

The faculty has worked with numerous national and international medical and physiotherapeutic associations. Clinical training is provided to students at the multi-specialty, 800+-bed SGT Hospital. State-of-the-art labs and research facilities are available for both PG and UG students.

All of the faculty members are members of prestigious organisations such as the Haryana State Council of Physiotherapy and the Indian Association of Physiotherapists. The Faculty of Physiotherapy recently registered with the Haryana State Council of Physiotherapy.

What makes FPHY stand out?

- Unique style of teaching and experiential learning. We believe in achieving excellence by integrating education, learning, and research.
- Strong Advisory Board.
- Regular interaction with renowned national & international academic and clinician experts.
- The course curriculum is designed with international standards to bridge the skill gap and prepare the students for rehabilitation services.
- Simulation-based training for students based on different case scenarios.
- In-house clinical and experimental training in 800+-bedded SGT Medical Hospital & Research Institute.
- National and international MOUs with renowned physiotherapy institutions.

Pedagogy

- Constructivism
- Collaborative Learning
- Inquiry-Based Learning
- Problem-Based Learning
- Modern Technology

Career Opportunities

- Clinical Physiotherapist
- Lectureship
- Research fellow
- Scientist
- Space Physiotherapist
- Entrepreneur
- Medical coding

- Sports Physiotherapist
- Veterinary Physiotherapist
- Health Service Manager

Infrastructure

- **Electrotherapy Laboratory:** Students learn about the processing, handling, and conceptualisation of recent modalities used for therapeutic purposes before going into the clinical setup.
- **Biomechanics Laboratory:** For a better understanding of body motion, equilibrium, forces, etc.
- **Exercise Therapy Laboratory:** From suspension units to neurorehabilitation kits, our exercise therapy lab is equipped with equipment that is used to demonstrate various techniques of exercise therapy.
- **Posture and Gait Laboratory:** Discover how to improve movement health by using a thorough approach to gait and posture assessment. You will also learn how to use advanced techniques to analyse biomechanics, identify imbalances, and optimise functional mobility, which will lead to better patient outcomes.
- **Electrophysiology Laboratory:** Our Advanced Electrophysiology Lab for Diagnosis and Rehabilitation, where state-of-the-art technology and clinical expertise come together to study nerve conduction and muscle activity and optimise neurorehabilitation techniques, teaches aspiring physiotherapists about investigating neural signals.
- **Physiotherapy OPD in SGT Medical Hospital:** SGT Hospital Physiotherapy OPD is instrumental in providing relief from chronic pain, helping patients regain mobility, sports injury rehabilitation, neurological impairment management, and reducing their dependency on pain

medication. It not only treats existing conditions but also educates patients about injury prevention and maintaining a healthy, active lifestyle.

Research

- The Faculty of Physiotherapy has produced a total of 102 publications in Scopus/Web of Science/PubMed/UGC care-listed journals in the last 5 years.
- FPHY has successfully published 6 patents for their design utility and 5 copyrights for designing protocols.

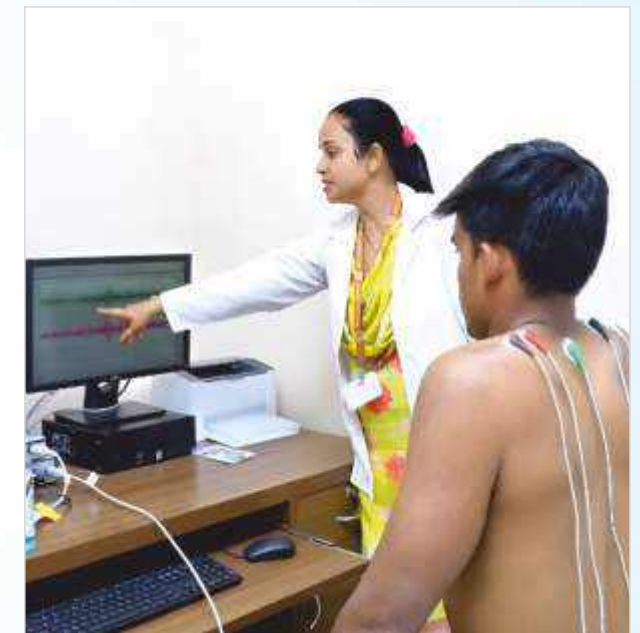

Synergy Tech-fest

Students routinely develop innovative assistive devices, diagnostic applications, and assessment tools for the university's landmark Synergy Tech-fest program. Some of the innovative projects that are under the processing of industrial collaboration and patenting are as follows:

- Modified Respiratory Trainer
- Posturography
- Portable Crutch
- Prognostic Sleeve
- Pro Rehab Unit
- Multi-therapy Chair
- Hybrid Walker for CP children

Industry Engagement

- Internships:** Students undergo six months of rotatory internship at prestigious hospitals like
- Manipal Hospital, Delhi
 - Sir Ganga Ram Hospital, Delhi
 - Indian Spinal Injuries Center, Vasant Kunj, New Delhi.

- Artemis Hospital, Gurugram
- Medanta Hospital, Gurugram
- PGIMS, Rohtak
- Artemis Hospital, Gurugram
- Max Hospital, Saket, Delhi
- Fortis Hospital, Gurugram

Industry Visits/Academic Visit: FPHY students regularly get to participate in knowledge exchanges with organised trips to prestigious institutions like:

- Indian Spinal Injury Centre (ISIC)
- National Dope Testing Laboratory
- Sprouts Developmental Centre
- Thumbay University, Dubai (Exchange Program)
- OttoBock HealthCare, Artificial Limb Fitting Centre

Workshops: Top industry experts and leaders are constantly invited to the SGT campus to share knowledge with our students on topics like:

- ICU Management Training
- Thera bands in Physiotherapy
- Rigid Taping
- Behaviour and Sensory Issues in Children with Autism Spectrum Disorder

Conferences: Regular national and international conferences are organised to keep students abreast of the most recent developments in physiotherapy. Recently, FPHY organised a three-day international e-conference on “Evolving Physiotherapy Practices,” featuring over 25 eminent speakers and 600 delegates.

Social Responsibility

Every month, FPHY plans community service projects as a small way to give back to the community. These include health awareness, physiotherapy, and check-up camps in Delhi NCR's villages, schools, colleges, and businesses. In addition, FPHY regularly advocates for environmental causes by planning plantation drives and commemorating notable days like World Environment Day and Earth Day.

Achievements

- Ashutosh Kumar, a BPT graduate, published his book “All About Muscles.”
- Gautam Rohilla from BPT second year won the National Taekwondo Tournament.
- SGT University became the only university in India to secure a position in Cricket and Football in the All India Physiotherapist League 2024.
- MPT sports physiotherapists provided physio service at Khelo India 2024.
- BPT and MPT final-year students won the Academic Excellence Award in the national physiotherapy conference “Physio Connect 4.”
- Sports PG students were posted at the Special Olympics Bharat Cycling National Championship.

Accreditations/Affiliations/Approvals

Registered with the Haryana State Council of Physiotherapy

Alumni

Our alumni are working with dedication and passion at various renowned organisations like:

- Boxing Federation of India
- Artemis Hospital, Gurugram
- Global Physiotherapy Rehabilitation Centre
- QI SPINE
- ABTP India Pvt. Ltd
- VLCC India Pvt. Ltd.

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)
1	Bachelor of Physiotherapy	4 Years + 6 Months Internship	190000 (Per Year)
2	B.Sc. Sports & Exercise Sciences	6 Semesters * / 8 Semesters **	60000 (Per Semester)
3	Master of Physiotherapy (Cardiopulmonary)	2 Years	150000 (Per Year)
4	Master of Physiotherapy (Neurology)	2 Years	150000 (Per Year)
5	Master of Physiotherapy (Orthopedics)	2 Years	150000 (Per Year)
6	Master of Physiotherapy (Sports)	2 Years	150000 (Per Year)
7	Master of Physiotherapy (Community Based Rehabilitation)	2 Years	150000 (Per Year)
8	Master of Physiotherapy (Obstetrics & Gynaecology)	2 Years	150000 (Per Year)
9	Doctor of Philosophy (Physiotherapy)	As per UGC norms	150000 (Per Year)

Eligibility: As per UGC/ Council norms

* Student will be awarded with Bachelor's Degree after successful completion of 3 years &

** Student will be awarded with Bachelor's Degree (Hons. with Research) after completion of 4 years

Relaxation in Eligibility for SC students of Haryana State only will be as per government rules. Reservation of seats will be as per government rules.
Note : Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One time refundable) as caution money and Rs. 2,500/- (One time non refundable) for registration of Alumni Association.

FACULTY OF NURSING

Overview

The Faculty of Nursing is a constituent of Shree Guru Gobind Singh Tricentenary University. It started with the name Dashmesh College of Nursing in 2012 and became the Faculty of Nursing with the advent of SGT University in 2013. All the courses in the Faculty of Nursing are recognized by the Indian Nursing Council, New Delhi, and Haryana Nurses and Nurse-Midwives Council, Government of Haryana.

The curriculum has been planned to provide in-depth knowledge, skills, and competencies to enable the graduates to function effectively in various clinical and community settings. It also prepares the students to assume the roles of educator, researcher, nurse manager, and administrator in an evolving healthcare scenario.

The Faculty of Nursing gives individualized attention to each student and emphasizes decorum, discipline, and conduct, which reflect dignified behavior on campus. It is providing academic training of very high quality to enrich the students and prepare them to fulfill their career aspirations.

What makes FNUR stand out?

- All nursing courses (UG, PG, PhD, and Diploma) are under one roof.
- State-of-the-art National Reference Simulation Centre (NRSC) on the university campus, built in partnership with the Indian Nursing Council, Jhpiego, Laerdal Medical.
- Multi-speciality parent hospital with more than 800 beds, catering to the needs of the local population.
- Emphasis on research and research-related activities with the active involvement of students.
- Tie up with well-established hospitals as well as community centres to optimise the student's clinical and community experience.
- Our faculty and students consistently exhibit exceptional dedication and performance, positioning us as a leader in nursing education. Among our notable achievements that underscore our commitment to quality education and leadership is receiving the "Nursing Education and Training Excellence Award for Northern India" at the ICC National Nursing Awards 2024.

Pedagogy

- Brainstorming Sessions
- Simulation-Based Learning
- Case Based Learning
- Peer Group Teaching
- Collaborative Learning
- Problem-based Learning
- Experiential Learning
- Project Based Learning
- E-Learning

Career Opportunities

As SGT-graduated nurses, you will be open to working in a gamut of settings:

- Government and Private Hospitals
- Community Health Officers
- Clinics, Nursing Homes, Community Setups, and Rehabilitation Centres

- Clinics, Nursing Homes, Community Setups, and Rehabilitation Centres
- Orphanages & Old Age Homes
- Military Nursing Services (MNS)
- Public Health Nursing (PHN) and Community Health Officers (CHO)
- Railways & Industrial Nursing
- Nurse Educator, Administrator, Counsellor, researcher, and Practitioner
- Government/Private Schools/Colleges/Training Institutes
- Possibilities abroad in countries like the USA, UAE, UK, Canada, Gulf countries, New Zealand, Malaysia, Singapore, Australia, etc.

Infrastructure

- Fundamentals of Nursing and Adult Health Nursing Lab
- Obstetrics and Gynecology Lab
- Child Health Nursing Lab
- Community Health Nursing Lab
- Nutrition Lab
- Pre-clinical Science Lab
- Computer Lab

National Reference Simulation Centre (NRSC)

One of the earliest referral centres in Asia, specialising in simulation-based learning for in-service training programs. Its high-fidelity, medium-fidelity, and low-fidelity manikins, each with a different level of realism, help to artificially replicate a real-world procedure and give students the skills and confidence they need to handle real patients in an emergency.

Research

- **Research Articles:** 286 (Scopus, WOS, PubMed & UGC Care)
- **ICMR (2020):** Rs. 40000/-
- **ICMR (2022):** Rs. 10,65,166/-
- **Extramural Projects:** 03
- **Books:** 12
- **Book Chapters:** 44
- **Intramural Projects:** 10
- **Patents:** 30
- **Copyrights:** 02

Industry Engagement

Internships: Students of FNUR have ample opportunities for skill development and growth with top medical institutions like:

- Medanta–The Medicity Hospital
- Fortis Hospital
- SGT Medical College and Hospital
- BLK Super Specialty Hospital
- Manipal Hospital
- CK Birla Hospital
- Max Hospital
- Cloudnine Hospital
- Civil Hospital

Industrial Visits: Never to restrict you to the classroom, students of FNUR have plenty of shared learning opportunities, with organised visits to places such as:

- Biotech Waste Ltd
- National Brain Research Centre
- BioNEST- UDSC (Delhi University)

Synergy Projects: Students from the Faculty of Nursing have actively participated in North India's biggest innovation fest, Synergy, and have been recognised for their ingenious creations, such as:

- Digi Health Care Bag
- UV Light Portable Cart for Sterilizing Surgical Instruments
- Automated Venti-Vibrator Pads

- Ease sense - An anxiety managing ball
- Smart Cap
- Hydra Tech
- Automatic spasm detector band
- Bandage: Nonstick to Latex Glove
- Power bracelet

Social Responsibility

- **Community Engagement:** Our students and faculty actively participate in community outreach programs and social initiatives. These include health camps, awareness campaigns, and volunteer activities showcasing our dedication to positively impacting society.
- **Health Education and Support:** We run programs focusing on menstrual hygiene, school health, adult health, women's health, children's health, and first aid training. These initiatives aim to educate and support community members, enhancing their overall well-being.
- **Student Opportunities:** We provide numerous opportunities for our students to become socially responsible community members. By participating in various social welfare programs, students can engage with community members and give back to society. They apply the intellectual and practical knowledge gained through their academic pursuits to make meaningful contributions.

Achievements

Our faculty and students consistently exhibit exceptional dedication and performance, positioning us as a leader in nursing education. Among our notable achievements that underscore our commitment to quality education and

leadership is winning "Nursing Education and Training Excellence Northern India" at the ICC National Nursing Excellence Awards 2024.

Accreditations/Affiliations/Approvals

All the courses of the Faculty of Nursing are recognised by:

- Indian Nursing Council, New Delhi
- Haryana Nurses and Nurse-Midwives Council, Panchkula
- Government of Haryana

Alumni

The alumni students are a significant asset to the faculty and are actively engaged with current-year students, motivating them to perform and excel. Some of our alumni who are working in leading medical institutions today feel their responsibility to visit and engage with their alma mater.

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)
1	Bachelor of Science (Nursing) (Basic)	8 Semesters	125000 (Per Semester)
2	Bachelor of Science (Post Basic Nursing)	2 Years	125000 (Per Year)
3	Master of Science. (Nursing) (Nurse Practitioner in Critical Care)	2 Years	200000 (Per Year)
4	Master of Science (Nursing) [Obstetric & Gynaecological Nursing, Child Health (Paediatric) Nursing, Mental Health (Psychiatric) Nursing, Medical Surgical Nursing, Community Health Nursing]	2 Years	150000 (Per Year)
5	Doctor of Philosophy (Nursing)	As per UGC norms	150000 (Per Year)

Dashmesh College of Nursing

PROGRAMS OFFERED

1	Auxiliary Nurse Midwifery (ANM)	2 Year	As per govt. norms
2	General Nursing & Midwifery (GNM)	3 Year	As per govt. norms

Eligibility: As per UGC/ Council norms

Relaxation in Eligibility for SC students of Haryana State only will be as per government rules. Reservation of seats will be as per government rules. **Note :** Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One time refundable) as caution money and Rs. 2,500/- (One time non refundable) for registration of Alumni Association.

SGT COLLEGE OF PHARMACY

Overview

Established in 2015, SGT College of Pharmacy (SGT COP) is a rapidly expanding institution with cutting-edge infrastructure and facilities for contemporary, ethnic pharmaceutical science education and research. It was ranked among the “Top 100 Pharmacy Institutes” in the NIRF rankings by the Ministry of Education, Government of India, in 2022.

In addition to its academic pursuits, SGT COP is engaged in ongoing drug discovery innovations. It seeks to develop innovative methods in the fields of chemistry, manufacturing, and control to improve pharmaceuticals and healthcare systems overall.

What makes SGTCOP stand out?

- 32 faculty members have Ph.D. degrees from esteemed universities.
- Highly sophisticated labs and infrastructure for research and learning.
- Facilities of the 800-plus-bed SGT Medical College, Hospital and Research Institute for Pharmacy Practice
- Novel teaching-learning methodologies using digital technologies

Pedagogy

- Experiential Learning
- Integrated/ Inter-disciplinary Learning
- Participatory Learning
- Problem-solving Methodologies
- Self-directed Learning
- Patient-centric and Evidence-based Learning
- Project-based Learning
- Role Play

Career Opportunities

- Clinical Pharmacists
- Manufacturing Chemists
- Quality Assurance Associates
- Community Pharmacist
- Academic and Teaching Positions

Infrastructure

- SGT Medicines Information Center
- Central Synthetic Chemistry Lab
- Molecular Modeling and Bioinformatics Lab
- Modular Post-Graduation Labs

- National Reference Simulation Centre (NRSC)
- Industrial Lab Machine Room with Advanced Multi-Mill and Rotary Tablet Press
- Advanced Central Instrumentation Facilities
- Well-maintained Medicinal Herbal Garden and Museum
- SGT Hospital facility for training
- SGT Drug Information and Counselling Centre (DAWA PARMASH KENDRA)

Online library facilities with recent editions of pharmacy e-books, national, international, and e-journals

Research

- **Peer-reviewed, SCOPUS-indexed Publications:** 45
- **Research Grants:** SGT COP has research and seminar grants of INR 26.8 lakh from BIRAC, DST, and ICMR. Five more proposals, to the extent of INR 45 lakhs, have been submitted to various funding agencies for approval.
- Received 2 Lakh from PCI for Pharmaveshan 2024.

Industry Engagement

Industrial MoUs: SGTCOP has signed a MoU with ten renowned pharmaceutical leaders to prepare students for successful careers along with their educational experience:

- Almelo (Hyderabad)
- LMCOP (Ahmadabad)
- Pharma Synth Formulations Limited (Uttarakhand)
- Belco Pharma (Haryana)
- Radicura Pharmaceuticals (New Delhi)
- LSSSDC
- Dabur Research Foundation (Ghaziabad)
- AIMST University (Malaysia)
- Akums Drugs and Pharmaceuticals Limited (Delhi)
- Drugfarm Laboratories (Haryana)

Industrial Visits: SGTCOP conducted industry visits to familiarise the students with the functioning of pharmaceutical industries.

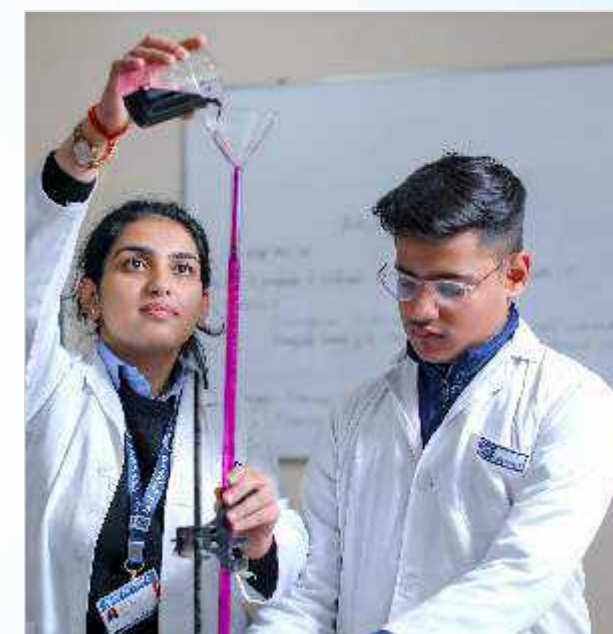

- Panacea Biotec (Faridabad)
- Synokem (Haridwar)
- ADMED Pharma Pvt. Ltd. (Baddi)
- Indian Pharmacopoeia Commission (IPC) (Ghaziabad)

Research Projects: SGCO provides the opportunity to conduct industry research projects with top organisations like:

- Sun Pharma
- Torrent Pharma
- Mankind Research Centre
- National Brain Research Centre
- IGY Immunologix
- Institute of Nuclear Medicine & Allied Sciences (INMAS) - DRDO
- Institute of Pesticide Formulation Technology (IPFT)
- Mankind Pharma

Industry Internships: Our robust internship programs connect students with leading pharmacies, hospitals, and pharmaceutical companies, providing invaluable opportunities to apply classroom knowledge in real-world settings. Our students have done internships with:

- Deen Dayal Upadhyay Hospital
- Next Wave India
- Akums Drugs and Pharmaceuticals Limited
- Tirupati Pharmaceuticals
- Rao Tularam Memorial Hospital
- Kusum Healthcare
- NITI Aayog
- Mankind Pharma
- Sun Pharma

- Pharma Synth Formulations Limited
- Indira Gandhi Hospital
- Systopic Laboratories
- Belco Pharma
- Drugfarm Laboratories
- Dr. Ram Manohar Lohia Hospital

Social Responsibility

To ensure that students not only develop their professional competencies but also foster a sense of social responsibility that could make a positive impact on public health, SGT COP conducts various outreach activities, such as:

- Awareness and Health Checkup Camps
- Celebration of notable days like World Pharmacist Day and World Health Day

Achievements

- Falling Walls: Dr. Manvi Singh and Pharm D student Ishika Soni secured third place for their innovative work on goat milk gummies.
- Ozone Day Quiz: B. Pharm students Mann, Sambhav, and Karan achieved third place in the quiz competition at SGT University.
- IPGA Annual Conference: M. Pharmacy students Sanjana, Puru, and Deepanjan each received special mention for their poster presentations.
- IDEATHON: B. Pharmacy students Himanshu, Mann, and Karan, under Dr. Kavita Attri's supervision, won third prize.
- Synergy 2024: Dr. Poonam and her team, Dr. Sonika and her team won the prize in healthcare.

- UNESCO Competition: B. Pharmacy students Mann and Sambhav won first place at the university level.
- Anveshan 2023: M. Pharmacy students Puru and Deepanjan, guided by Dr. Manvi Singh, won first prize at the zonal level.
- Scholar Project: Pharm D students Arshnoor and Naval, under Dr. Sushma Chaturvedi's supervision, won second prize.
- Poster Presentation: M. Pharmacy student Akash Mehra won second prize at KR Mangalam University.

Accreditations/Affiliations/Approvals

All our courses are approved by the Pharmacy Council of India.

Alumni

The alumni students are a significant asset to the faculty and are actively engaged with current-year students, motivating them to perform and excel. Some are in academics, some are in research, and others have joined reputed government and private institutions.

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)
1	Diploma in Pharmacy	2 Years	120000 (PER YEAR)
2	Bachelor of Pharmacy	8 Semesters	100000 (Per Semester)
3	Bachelor of Pharmacy (Practice)	2 Years	100000 (PER YEAR)
4	Master of Pharmacy (Pharmaceutics)	4 Semesters	75000 (PER SEMESTER)
5	Master of Pharmacy (Pharmacology)	4 Semesters	75000 (PER SEMESTER)
6	Master of Pharmacy (Pharmacy Practice)	4 Semesters	75000 (PER SEMESTER)
7	Master of Pharmacy (Pharmacy Quality Assurance)	4 Semesters	75000 (PER SEMESTER)
8	Master of Pharmacy (Pharmacognosy)	4 Semesters	75000 (PER SEMESTER)
9	Master of Pharmacy (Pharmaceutical Chemistry)	4 Semesters	75000 (PER SEMESTER)
10	Master of Pharmacy (Pharmaceutical Regulatory Affairs)	4 Semesters	75000 (PER SEMESTER)
11	Doctor of Pharmacy (Pharm. D.)	5 Years + 1 Year of Residency Training in Hospital	300000 (PER YEAR)
12	Doctor of Pharmacy (Pharm. D.) (Post Baccalaureate)	2 Years +1 Year of Residency Training in Hospital	300000 (PER YEAR)
13	Doctor of Philosophy (Pharmacy)	As per UGC norms	150000 (PER YEAR)

Eligibility: As per UGC/ Council norms

Relaxation in Eligibility for SC students of Haryana State only will be as per government rules. Reservation of seats will be as per government rules. **Note :** Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One time refundable) as caution money and Rs. 2,500/- (One time non refundable) for registration of Alumni Association.

FACULTY OF ALLIED HEALTH SCIENCES

Overview

The field of Allied Health sciences encompasses a diverse range of healthcare professionals who use their knowledge and expertise to assist patients in need of medical care. Allied Health professionals work to prevent, identify, and treat diseases and illnesses. They use their management and administrative skills, employ scientific principles as well as evidence-based practices to help the healthcare system and patients. The demand for skilled allied professionals is increasing as the healthcare sector expands rapidly. Shree Guru Gobind Singh Tricentenary University set foot in the field of Allied Health education in 2013 when it launched degree and diploma programs in medical laboratory technology, operation theatre technology, radio-imaging technology, and optometry. The faculty now offers 12 undergraduate, 12 post graduate, and 11 PhD programs. The faculty's courses are approved by the Haryana government. It promotes excellence in research and innovation activities with focus on multidisciplinary research in collaboration with renowned institutions.

What makes FAHS excel?

- Attached 800+ bed hospital for hands-on training for students to enhance their skills. and off-campus training in renowned corporate hospitals and research institutes in the NCR.
- Eminent, competent, and experienced faculty and innovative, industry-driven, job-oriented, and benchmarked course curricula.
- Smart classrooms with all the modern-era technologies and laboratories with the latest equipment for students to practice in.
- Placement in reputed institutes or industries.
- Regular participation in national and international conferences.

Pedagogy

- Project-Based Learning
- Problem-Based Learning
- Student Interactive Session
- Case Studies
- Student Seminar
- Critical Research Appraisal
- Simulation-based learning
- Field/Industry-Based Learning
- Outreach Activities
- Seminars and Workshops

Career Opportunities

Allied health graduates from SGT University get opportunities to build promising careers in various places:

- Research Institutes
- Government and Private Health Sectors

- Multispecialty Government and Private Hospitals
- Corporate Diagnostic Chains and Diagnostic Laboratories
- Self-Employment/Private Practice
- Teaching in Educational Institutions, Government, or Private Universities
- Higher Studies in India or Abroad.

Infrastructure

The Faculty of Allied Health Sciences boasts a self-contained, lush green campus with cutting-edge infrastructure. Wi-Fi-enabled classrooms, upgraded laboratories for every department, and a well-equipped auditorium foster academic excellence. An enriched library supports research and learning, while student-centric amenities and serene surroundings ensure a holistic, fulfilling educational experience in all programs.

Research

The Faculty of Allied Health Sciences fosters a vibrant research culture, encouraging faculty to submit extramural and intramural projects to renowned funding agencies such as DST, ICMR, BIRAC, and SANRACHNA. Faculty actively contribute to impactful research and publications, with an emphasis on securing funding and producing innovative outcomes. Undergraduate and postgraduate students are equally involved, undertaking guided research and projects, often culminating in publications in indexed journals.

Industry Engagement

Internships: Internship exposure is very important in all industry-driven programs. For the same, we have collaborations with various industry leaders for practical and clinical learning of students.

- Sir Ganga Ram Hospital, New Delhi
- Fortis Hospital, Gurugram
- Artemis Hospital, Gurugram
- BLK Max Super Speciality Hospital, New Delhi
- Columbia Asia Hospital, Gurugram
- Max Hospital, New Delhi
- Paras Hospital, Gurugram
- Health Map, PGIMS, Rohtak
- SKIMS Hospital, J & K
- JNIMS Porompat, Manipur
- SRL Diagnostic, New Delhi
- Park Hospital
- Fare Labs Pvt. Ltd.
- ALPS International Pvt. Ltd.
- Regional Centre for Biotechnology

Social Responsibility

No university program in today's world is complete without social engagements on account of spreading awareness. Students of FAHS have engaged with target groups for important focus areas.

- Nutrition Counselling at Doorstep
- Teaching Hand Washing Techniques to School Children
- Empowering Village Women Through Developing Food-Based Micro-Entrepreneurship
- Community Eye Care Services

Achievements

Our students have actively participated in different national and international conferences. Apart from academic laurels, our students have proved their mettle in extracurricular competitions like photography, sports, rangoli making, dancing, singing, and painting.

Accreditations/Affiliations/Approvals

The faculty is approved by:

- Rehabilitation Council of India
- UGC
- Govt. of Haryana
- NAAC (A+)

Alumni

The alumni students are a significant asset to the faculty and have secured reputed positions in top-ranking organisations. They actively engage with current-year students, motivating them to perform and excel. Some are in academics, some are in research, and others have joined reputed government and private institutions. Many of them have opened their diagnostic centres/clinics and employed others.

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)
1	Bachelor of Science (Neuro-physiology Technology)	6 Semesters * / 8 Semesters **	50000 (Per Semester)
2	Bachelor of Science (Medical Laboratory Technology)	6 Semesters * / 8 Semesters **	65000 (Per Semester)
3	Bachelor of Science (Anaesthesia & Operation Theater Technology)	6 Semesters * / 8 Semesters **	65000 (Per Semester)
4	Bachelor of Science (Microbiology)	6 Semesters * / 8 Semesters **	65000 (Per Semester)
5	Bachelor of Science (Nutrition & Dietetics)	6 Semesters * / 8 Semesters **	50000 (Per Semester)
6	Bachelor of Optometry	8 Semesters (Including Internship)	50000 (Per Semester)
7	Bachelor of Science (Radio-Imaging Technology)	6 Semesters * / 8 Semesters **	85000 (Per Semester)
8	Bachelor of Science (Cardiac Care Technology)	6 Semesters * / 8 Semesters **	70000 (Per Semester)

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)
9	Bachelor of Science (Perfusion Technology)	6 Semesters * / 8 Semesters **	60000 (Per Semester)
10	Bachelor of Science (Renal Dialysis Technology)	6 Semesters * / 8 Semesters **	60000 (Per Semester)
11	Bachelor of Science (Biotechnology)	6 Semesters * / 8 Semesters **	60000 (Per Semester)
12	Bachelor in Audiology & Speech - Language Pathology	6 Semesters + 1 Year internship	100000 (Per Semester)
13	Master of Science (Nutrition & Dietetics) [Clinical Nutrition, Public Health Nutrition, Sports Nutrition]	4 Semesters	60000 (Per Semester)
14	Master of Science (Audiology) #	4 Semesters	175000 (Per Semester)
15	Master of Science (Speech - Language Pathology) #	4 Semesters	175000 (Per Semester)
16	Master of Science. (Medical Laboratory Technology) [Biochemistry, Microbiology]	4 Semesters	50000 (Per Semester)
17	Master of Science (Anaesthesia & Operation Theater Technology)	4 Semesters	60000 (Per Semester)
18	Master of Science (Radio-Imaging Technology)	4 Semesters	60000 (Per Semester)
19	Master of Science (Microbiology)	4 Semesters	50000 (Per Semester)
20	Master of Science (Neurosciences & Neurotechnology)	4 Semesters	50000 (Per Semester)
21	Master of Science (Bio-Technology & Bio-Informatics)	4 Semesters	50000 (Per Semester)
22	Master of Optometry	4 Semesters	50000 (Per Semester)
23	Master of Science (Biochemistry)	4 Semesters	50000 (Per Semester)
24	Master of Science (Cardiac Care Technology)	4 Semesters	80000 (Per Semester)
25	Doctor of Philosophy (Microbiology)	As per UGC norms	150000 (Per Year)
26	Doctor of Philosophy (Nutrition & Dietetics)		150000 (Per Year)
27	Doctor of Philosophy (Neuro-Sciences & Neuro-Technology)		150000 (Per Year)
28	Doctor of Philosophy (Radio-Imaging Technology)		150000 (Per Year)
29	Doctor of Philosophy (Biochemistry)		150000 (Per Year)
30	Doctor of Philosophy (Audiology)		150000 (Per Year)
30	Doctor of Philosophy (Speech Language Pathology)		150000 (Per Year)
32	Doctor of Philosophy (Medical Laboratory Technology)		150000 (Per Year)
33	Doctor of Philosophy (Optometry)		150000 (Per Year)
34	Doctor of Philosophy (Anaesthesia and Operation Theater Technology)		150000 (Per Year)
35	Doctor of Philosophy (Biotechnology)		150000 (Per Year)

Eligibility: As per UGC/ Council norms

Subject to the approval of the concerned Statutory Council

* Student will be awarded with Bachelor's Degree after successful completion of 3 years &

** Student will be awarded with Bachelor's Degree (Hons. with Research) after completion of 4 years

Relaxation in Eligibility for SC students of Haryana State only will be as per government rules. Reservation of seats will be as per government rules.

Note : Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One time refundable) as caution money and Rs. 2,500/- (One time non refundable) for registration of Alumni Association.

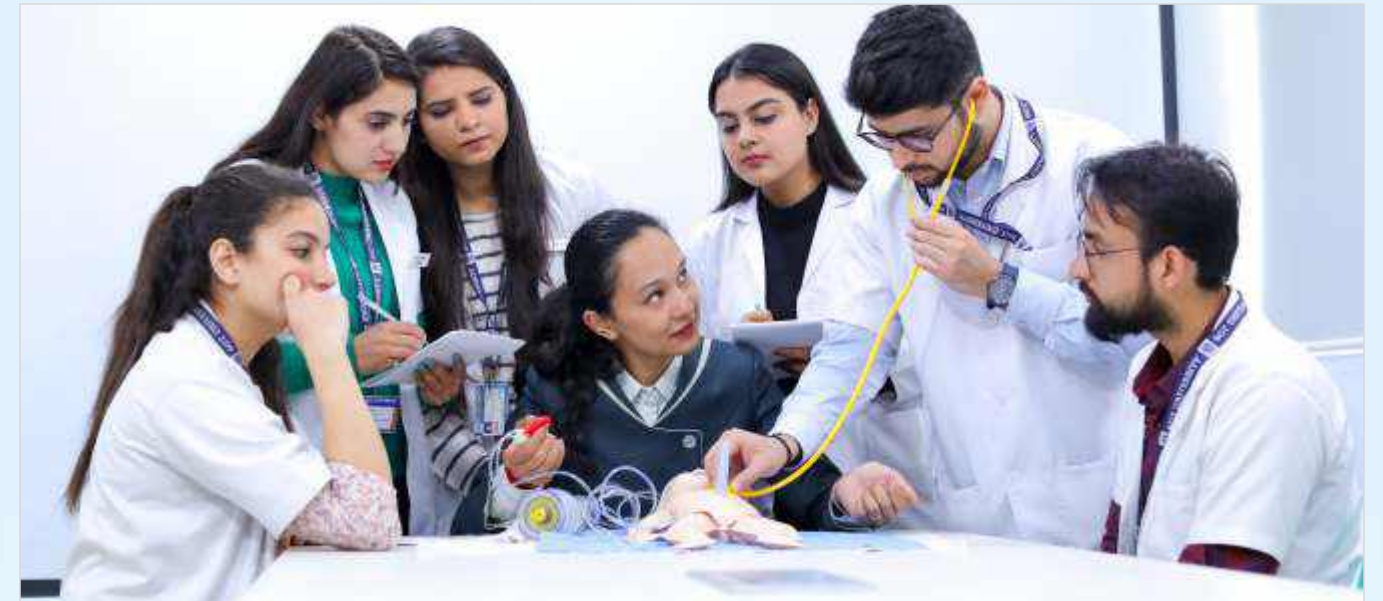

FACULTY OF MEDICINE AND HEALTH SCIENCES

Overview

The Faculty of Medicine and Health Sciences (FMHS) stands as a beacon of excellence in competency-based medical education that creates doctors who can provide holistic care with compassion and are committed to excellence.

Students here have an edge due to the excellent infrastructure, state-of-the-art labs, well-stocked libraries, and diverse opportunities provided for their holistic development. The dedicated and highly qualified faculty helps them grow from novice undergraduates to well-trained and competent Indian Medical Graduates (IMG).

Students receive clinical training at the 800+ bed SGT Hospital attached to the college, which provides health care to every section of society around the clock. The infrastructure is continuously upgraded with recent advances in the field of medicine to cater to any and every need of the rural and urban population in and around Gurugram.

What makes FMHS stand out?

- An 800+ bed multispeciality hospital for hands-on training for students to enhance their skills. Offers an innovative and hands-on learning environment in modern, world-class facilities with a sharp focus on infusing the right skills. It instils the right attitude in students while continuously strengthening their core academic and professional skills.
- Imparting skills needed in a real-world context through classroom sessions, innovative field projects, group work, and interactions with experts from the industry.

Pedagogy

- Clinical Trainings
- Simulation-based Training
- Seminars
- Workshops
- E-Lectures

Career Opportunities

- Private Clinical Practice
- Hospital Residency Work
- Post-Graduate Medical Studies (MD/MS/DNB)
- Super-Specialization (DM/MCh)
- Government Healthcare Services
- Armed Forces Medical Services
- Civil Services
- Medical Research
- Medical Teaching
- Corporate Healthcare
- Healthcare Entrepreneurship

Infrastructure

- **Virtual Dissection Table (Anatomage):** An anatomy visualisation system that allows you to view, manipulate, and dissect a 3D cadaver. The students practice procedures on real human bodies without the need for physical cadavers.
- **Museum:** At FMHS, the museum is an educational gem, displaying human and animal specimens, anatomical charts, and medical artefacts. It enriches understanding of anatomy, pathology, and medical history, offering interactive displays and guided tours. The museum fosters an appreciation for medical heritage and shapes proficient healthcare professionals.
- **Cardiac Catheterization Laboratory:** A specialised area in SGT Hospital where tests and procedures for the heart are performed. This addition allows us to provide faster, more accurate diagnoses and treatments for heart conditions.
- **Central Research Lab:** Provides all students and faculty members with easy access to research equipment. The CRL has state-of-the-art facilities, staffed by knowledgeable researchers and technicians. It was expanded with the introduction of a “Gene Sequencing Facility” in 2023, which will help in identifying genetic variants that have known impacts on health and disease.
- **National Reference Simulation Centre (NRSC):** One of the earliest referral centres in Asia, specialising in simulation-based learning for in-service training programs. Its high-fidelity, medium-fidelity, and low-fidelity manikins, each with a different level of realism, help to artificially replicate a real-world procedure and give students the skills and confidence they need to handle real patients in an emergency.

Student Research

- **Projects approved under ICMR STS Scheme:** 12 Approx
- **Total grant amount received from ICMR:** Rs. 5.5 Lakhs grant
- **No. of Publications (UG):** 116

Faculty Research

- **Research Articles:** 563 (Scopus, WOS, UGC Care and PubMed)
- **Patents:** 3
- **Books / Chapters:** 30
- **Various Extramural and Intramural Projects**

Industry Engagement

Internships: Every candidate will be required to undergo a compulsory 12-month rotational internship to the satisfaction of the university after passing the final MBBS examination. The intern shall be entrusted with clinical responsibilities under the direct supervision of a senior medical officer.

CME Events: Continuing medical education (CME) consists of educational activities that serve to maintain, develop or increase the knowledge, skills and professional performance of a doctor. CME provides a forum for the exchange of information and ideas on current practice trends, evidence-based medicine and the delivery of

high-quality, equitable and cost-effective care. FMHS organises numerous seminars and guest lectures throughout the year on a variety of topics, such as:

- Pediatric Criticare
- Zika Virus
- The Science of Sleep
- COLS (Compression Only Life Support) and Laboratory Practice
- Acute kidney injury (AKI) and chronic kidney disease (CKD)

Social Responsibility

Social outreach endeavours are a must in health care, wherein sensitisation and awareness of people, especially from rural setups, are needed for them to pursue home care for their medical health issues.

To justify this aspect, the faculty places stress on regular health camps and awareness-driven engagements, especially those led by our students. Many health-significance days are also celebrated by the departments to highlight the importance of the particular issue among students and the masses.

Aside from SGT Hospital, students also train at our Urban and Rural Health Training Centres, which cater to a combined population of nearly 80,000 and provide better, more accessible care to the disadvantaged.

Achievements

UG students, PG students, and faculty members have won awards and accolades at various national and international conferences and PG conventions every year, especially academic platforms and co-curricular and social welfare forums. Faculty members have received a total of 101 awards, including honours like "Lifetime Achievement Award" and "Distinguished Service Award."

Accreditations/Affiliations/Approvals

- Approved by the National Medical Commission, Govt. of India, for all its courses and facilities.
- The faculty was assessed and found to comply with NABH Accreditation Standards for Hospitals, 5th Edition, and hence achieved the milestone of being accredited by the National Accreditation Board for Hospital and Healthcare Providers (Constituent Board of Quality Council of India), a first for a teaching hospital in Northern India.
- SGT Medical College, Hospital, and Research Institute was assessed and accredited by the standard 150/15185:2012 "Medical Laboratory Requirements for Quality and Competence" for its facilities at Chandu Buchera, Gurpion, Haryana, India, in the field of medical testing by the National Accreditation Board for Testing and Calibration Laboratories.

Alumni

FMHS has more than 700 alumni across the globe, all of whom are well-placed at top positions in administrative services, world-class corporate hospitals and defence services.

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)
1	Bachelor of Medicine and Bachelor of Surgery	4½ Years + 1 Year internship	—
2	Master of Public Health	4 Semesters	62500 (Per Semester)
3	Master of Science (Medical Anatomy)	3 Years	100000 (Per Year)
4	Master of Science (Medical Biochemistry)	3 Years	100000 (Per Year)
5	Master of Science (Medical Microbiology)	3 Years	100000 (Per Year)
6	Master of Science. (Medical Pharmacology)	3 Years	100000 (Per Year)
7	Master of Science (Medical Physiology)	3 Years	100000 (Per Year)
8	Doctor of Medicine (Anatomy)	3 Years	—
9	Doctor of Medicine (Biochemistry)	3 Years	—
10	Doctor of Medicine (Community Medicine)	3 Years	—
11	Doctor of Medicine (Forensic Medicine)	3 Years	—
12	Doctor of Medicine (Microbiology)	3 Years	—
13	Doctor of Medicine (Pathology)	3 Years	—
14	Doctor of Medicine (Physiology)	3 Years	—
15	Doctor of Medicine (Pharmacology)	3 Years	—
16	Doctor of Medicine (Dermatology, Venerology & Leprosy)	3 Years	—
17	Doctor of Medicine (General Medicine)	3 Years	—
18	Doctor of Medicine (Respiratory Medicine)	3 Years	—
19	Doctor of Medicine (Psychiatry)	3 Years	—
20	Doctor of Medicine (Paediatrics)	3 Years	—
21	Doctor of Medicine (Anesthesiology)	3 Years	—

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)
22	Doctor of Medicine (Radio-diagnosis)	3 Years	—
23	Master of Surgery (Ophthalmology)	3 Years	—
24	Master of Surgery (Orthopaedics)	3 Years	—
25	Master of Surgery (General Surgery)	3 Years	—
26	Master of Surgery (Oto-Rhino-Laryngology)	3 Years	—
27	Master of Surgery (Obstetrics & Gynecology)	3 Years	—
28	Doctor of Philosophy (Medical Pharmacology)	As per UGC norms	150000 (Per Year)
29	Doctor of Philosophy (Medical Physiology)		150000 (Per Year)
30	Doctor of Philosophy (Medical Biochemistry)		150000 (Per Year)
31	Doctor of Philosophy (Medical Anatomy)		150000 (Per Year)
32	Doctor of Philosophy (Community Medicine)		150000 (Per Year)
33	Doctor of Philosophy (Medical Microbiology)		150000 (Per Year)

Eligibility: As per UGC/ Council norms

FACULTY OF DENTAL SCIENCES

Overview

The Faculty of Dental Sciences started as SGT Dental College Hospital & Research Institute in 2002 and is now among the frontline dental colleges across the country with its excellent infrastructure and state-of-the-art equipment.

All nine departments in the Faculty of Dental Sciences have highly experienced and energetic faculty members with an ethical and scientific mindset to carry forward the science of dentistry, placing stress on high-quality research and innovation in dentistry and applied sciences.

What makes FDS stand out?

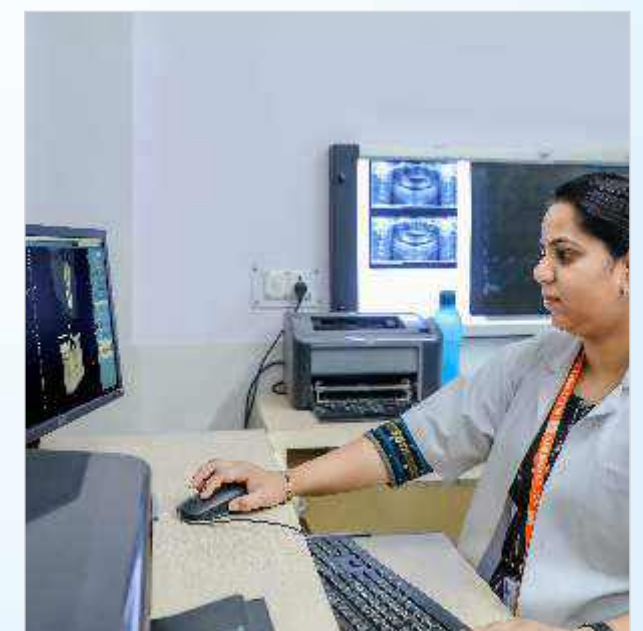

- All courses are aligned with the Dental Council of India.
- Learning through application-based scopes, seminars, and clinical case presentations.
- Dissertation and training in advanced treatment procedures at par with global standards.
- Pre-clinical training on dummies mimicking the human oral cavity and simulation.
- Clinical training and orientation at dental clinics, supervised by experienced faculty.
- Personalised guidance for advanced-level treatment procedures for patients.
- Promoting futuristic and interdisciplinary research.
- Covering all major specialisations under our PG program (MDS).
- Fully equipped minor and major operation theatres equipped with state-of-the-art equipment.

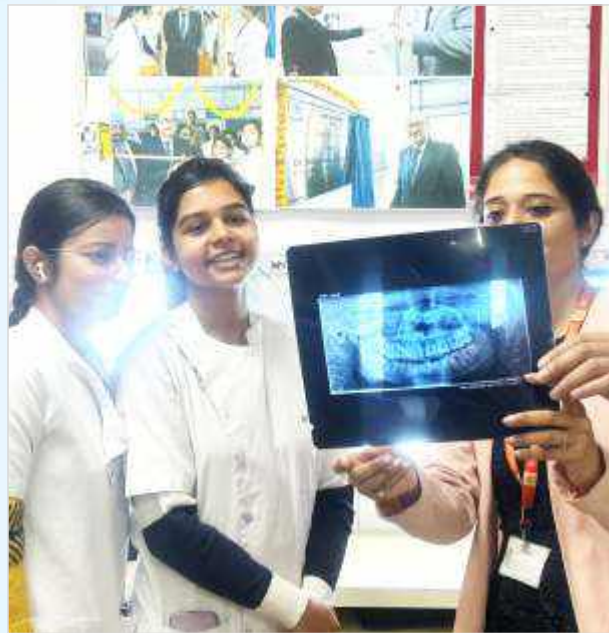

Pedagogy

- Seminars
- Workshops
- E-Lectures
- Clinical Trainings
- Field Visit
- Experiential Learning
- AI-based platforms

Career Opportunities

FDS students, upon completion of courses, are self-sufficient for private dental practices. Research culture in FDS helps to work in research-based organisations and offshore foreign engagements for pursuing higher studies and practicing dentistry abroad.

Infrastructure

- Advanced CAD-CAM System
- CBCT Unit
- Microscope-enhanced Dentistry Setups
- Mobile Dental Van.
- Dental Xpertz Clinic
- The Nav Muskaan Cleft Centre
- Specialised Implantology Unit
- Major And Minor OTs
- Lasers, RVGS, and X-Ray Units
- Conscious Sedation Units
- Orthodontic Analysis Tools
- Carbon Monoxide Monitors

Research

Most Faculty of Dental Sciences are pursuing extramural research in their specialisations having sponsoring bodies like the Science and Engineering Board, the Indian Council of Medical Research, ICSSR, BIRAC, DBT, and other corporate and social welfare sponsoring bodies.

UG students regularly participate in the annual UG-level research grant submission process and have ICMR-sponsored grants under short-term studentship.

Industry Engagement

- Internship
- Industry Visits
- Live Projects
- Workshops
- International Exchange Programs

Social Responsibility

The Faculty of Dental Sciences has extended its outreach to various areas with its state-of-the-art mobile dental van to:

- Dental health care in nearby adopted villages.
- Regular oral health screening and treatment camps with free medicines in rural areas
- Collaborative oral health activities with NGOs (MIW Foundation, DLF Global Development, Reliance SEZ Company Ltd., governmental set-ups).
- Special Camps for Prisoners at Tihar Jail, New Delhi, Jhajjar District Jail, and Bhondsi Jail in Gurgaon.
- Public-private partnership with government health care facilities in nearby rural areas.
- Peripheral centres for the blind population, in collaboration with the Blind Relief Association, Lodhi Road, New Delhi, since 2009.

Achievements

- The faculty was recently ranked 36th in the India Today Ranking at the national level and has been acclaimed on various academic and administrative platforms.
- Faculty members have received prestigious fellowships from the Board of Orthodontics, the International College of Dentists (FICD, USA), the FDSRCPS from the Royal College of Surgeons and Physicians, and the Indian Board of Oral and Maxillofacial Surgery.
- UG-PG faculty members won awards and accolades at various national and international conferences and PG conventions every year, especially at academic platforms and co-curricular and social welfare forums.

Alumni

Many FDS alumni have their own private dental practices. Alumni are also engaged in teaching, research, and innovation at prestigious public and private dental colleges affiliated with renowned universities.

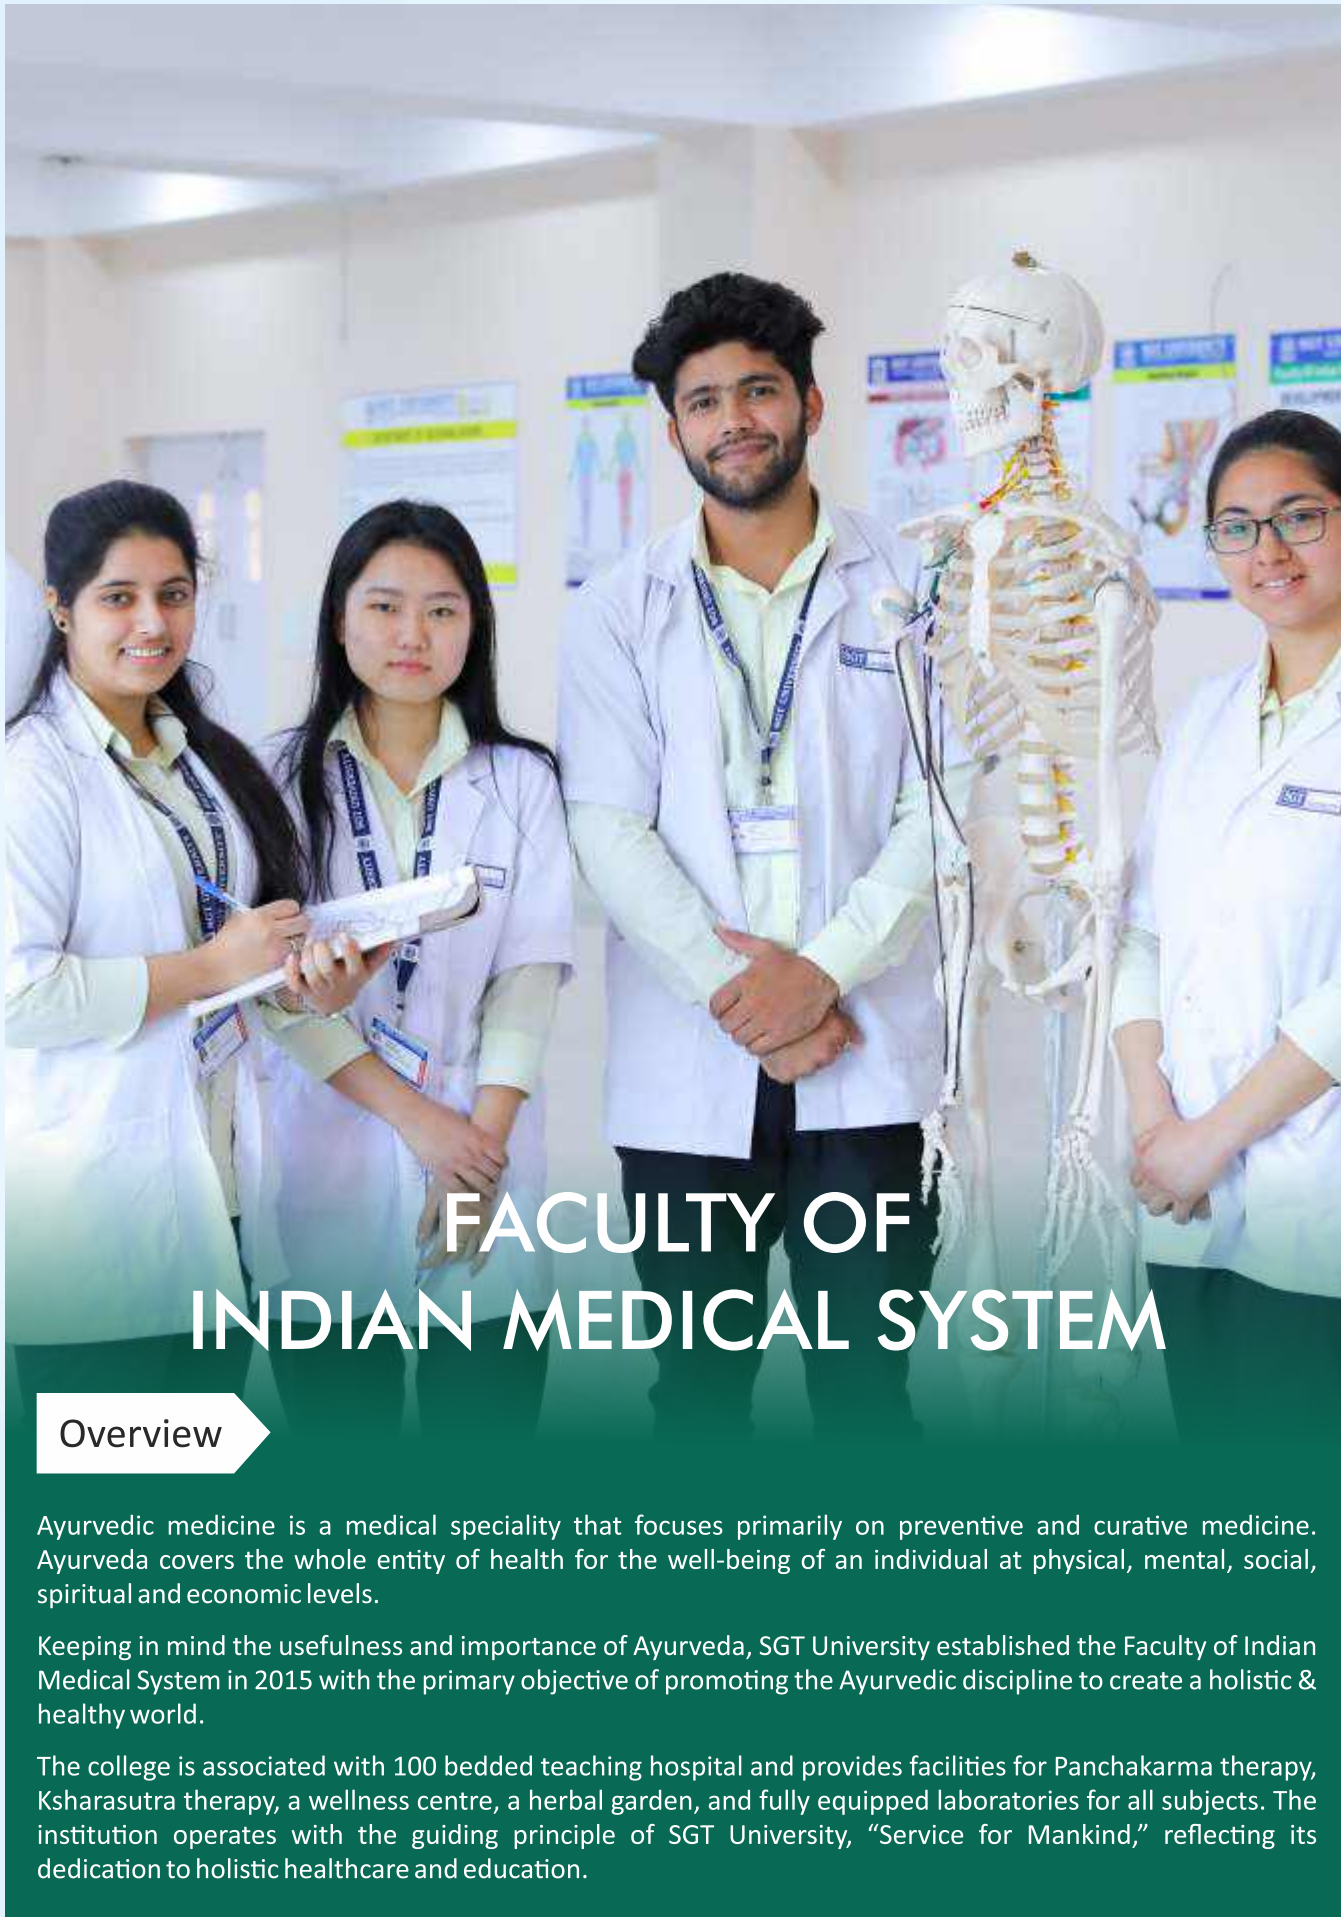

In pursuit of higher studies, many alumni have joined reputed higher education institutions both in India and abroad. As a rapidly expanding dental education centre, the Faculty of Dental Sciences incorporates feedback from its alumni into process modifications.

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)
1	Bachelor of Dental Surgery (BDS)	4 Years + 1 Year internship	–
2	Master of Dental Surgery (Conservative Dentistry and Endodontics)	3 Years	–
3	Master of Dental Surgery (Oral and Maxillofacial Surgery)	3 Years	–
4	Master of Dental Surgery (Oral Medicine and Radiology)	3 Years	–
5	Master of Dental Surgery (Oral Pathology and Microbiology)	3 Years	–
6	Master of Dental Surgery (Orthodontics & Dentofacial Orthopedics)	3 Years	–
7	Master of Dental Surgery (Paediatric and Preventive Dentistry)	3 Years	–
8	Master of Dental Surgery (Periodontology)	3 Years	–
9	Master of Dental Surgery (Prosthodontics and Crown & Bridge)	3 Years	–
10	Master of Dental Surgery (Public Health Dentistry)	3 Years	–
11	Doctor of Philosophy (Oral and Maxillofacial Surgery)	As per UGC norms	150000 (Per Year)
12	Doctor of Philosophy (Oral Medicine and Radiology)		150000 (Per Year)
13	Doctor of Philosophy (Orthodontics & Dentofacial Orthopedics)		150000 (Per Year)
14	Doctor of Philosophy (Paediatric and Preventive Dentistry)		150000 (Per Year)
15	Doctor of Philosophy (Periodontology)		150000 (Per Year)
16	Doctor of Philosophy (Conservative Dentistry and Endodontics)		150000 (Per Year)
17	Doctor of Philosophy (Oral Pathology and Microbiology)		150000 (Per Year)
18	Doctor of Philosophy (Public Health Dentistry)		150000 (Per Year)
19	Doctor of Philosophy (Prosthodontics and Crown & Bridge)		150000 (Per Year)

Eligibility: As per UGC/ Council norms

FACULTY OF INDIAN MEDICAL SYSTEM

Overview

Ayurvedic medicine is a medical speciality that focuses primarily on preventive and curative medicine. Ayurveda covers the whole entity of health for the well-being of an individual at physical, mental, social, spiritual and economic levels.

Keeping in mind the usefulness and importance of Ayurveda, SGT University established the Faculty of Indian Medical System in 2015 with the primary objective of promoting the Ayurvedic discipline to create a holistic & healthy world.

The college is associated with 100 bedded teaching hospital and provides facilities for Panchakarma therapy, Ksharasutra therapy, a wellness centre, a herbal garden, and fully equipped laboratories for all subjects. The institution operates with the guiding principle of SGT University, "Service for Mankind," reflecting its dedication to holistic healthcare and education.

What makes FIMS stand out?

- Committed and highly qualified faculty members who are former students/scholars of top Indian institutes.
- Top-notch facilities and infrastructure to support the learning environment.
- Empirical and practical teaching approaches
- Hospital attached for clinical experience
- An online learning environment that supports learning outside the classroom

Pedagogy

- Experiential Learning
- Case Studies
- Project-based Learning
- Discussions and Debates
- Group Projects
- Role Plays
- Quiz

Career Opportunities

There are many employment areas where an Ayurveda graduate can make a career:

- Government and Private Ayurveda Hospitals
- Pharma Industry
- Medical Tourism
- Health Resorts
- Dispensaries
- Panchakarma Centres
- JRF (Junior Research Fellow) and SRF (Senior Research Fellow) at various institutions
- Ayurvedic Medical Officer

Infrastructure

SGT University houses well-equipped laboratories, fully digitalised classrooms, separate hostels for boys and girls, and hospital facilities available on the University campus.

The college is built over a sprawling campus of more than 2 acres, with the building being aesthetically designed and built as per National Commission for Indian System of Medicine (NCISM) norms.

The faculty is backed by an in-house research hospital, dissection hall, yoga hall, herbal garden, and a library, which is available with periodicals, books and journals.

Research

- **Intramural Grants:** 5
- **Publications:** 59
- **Textbooks:** 10
- **Scholar's Projects:** 9
- **SPARK-CCRAS Selected Projects:** 1 (Himika, final-year student)

Industry Engagement

The faculty frequently collaborates with top organisations for workshops, internships, placements and knowledge exchanges:

- Samskrit Promotion Foundation, Delhi
- Visveswaraya Institute of Engineering Technology, Kerala
- Jiva Ayurveda

- Himalaya Wellness Company
- Association Ayurveda Academy, UK
- Ayurveda College & Hospital, Coimbatore

Social Responsibility

The community outreach team regularly visits the villages in and around Gurugram to create awareness of Ayurveda, its health benefits, and its treatment modalities. In addition, medicinal herbs are planted regularly in villages and schools. The students and villagers are also trained in health-related topics.

Achievements

FIMS students have received a total of 40 awards in the field of research, paper and poster competitions, debates, cultural and other extracurricular events. Not only learners, but faculty members have also been awarded at national and international levels for their work in the field of Ayurveda.

Accreditations/Affiliations/Approvals

Recognised by the National Commission for Indian System of Medicine (NCISM) and QCI

Alumni

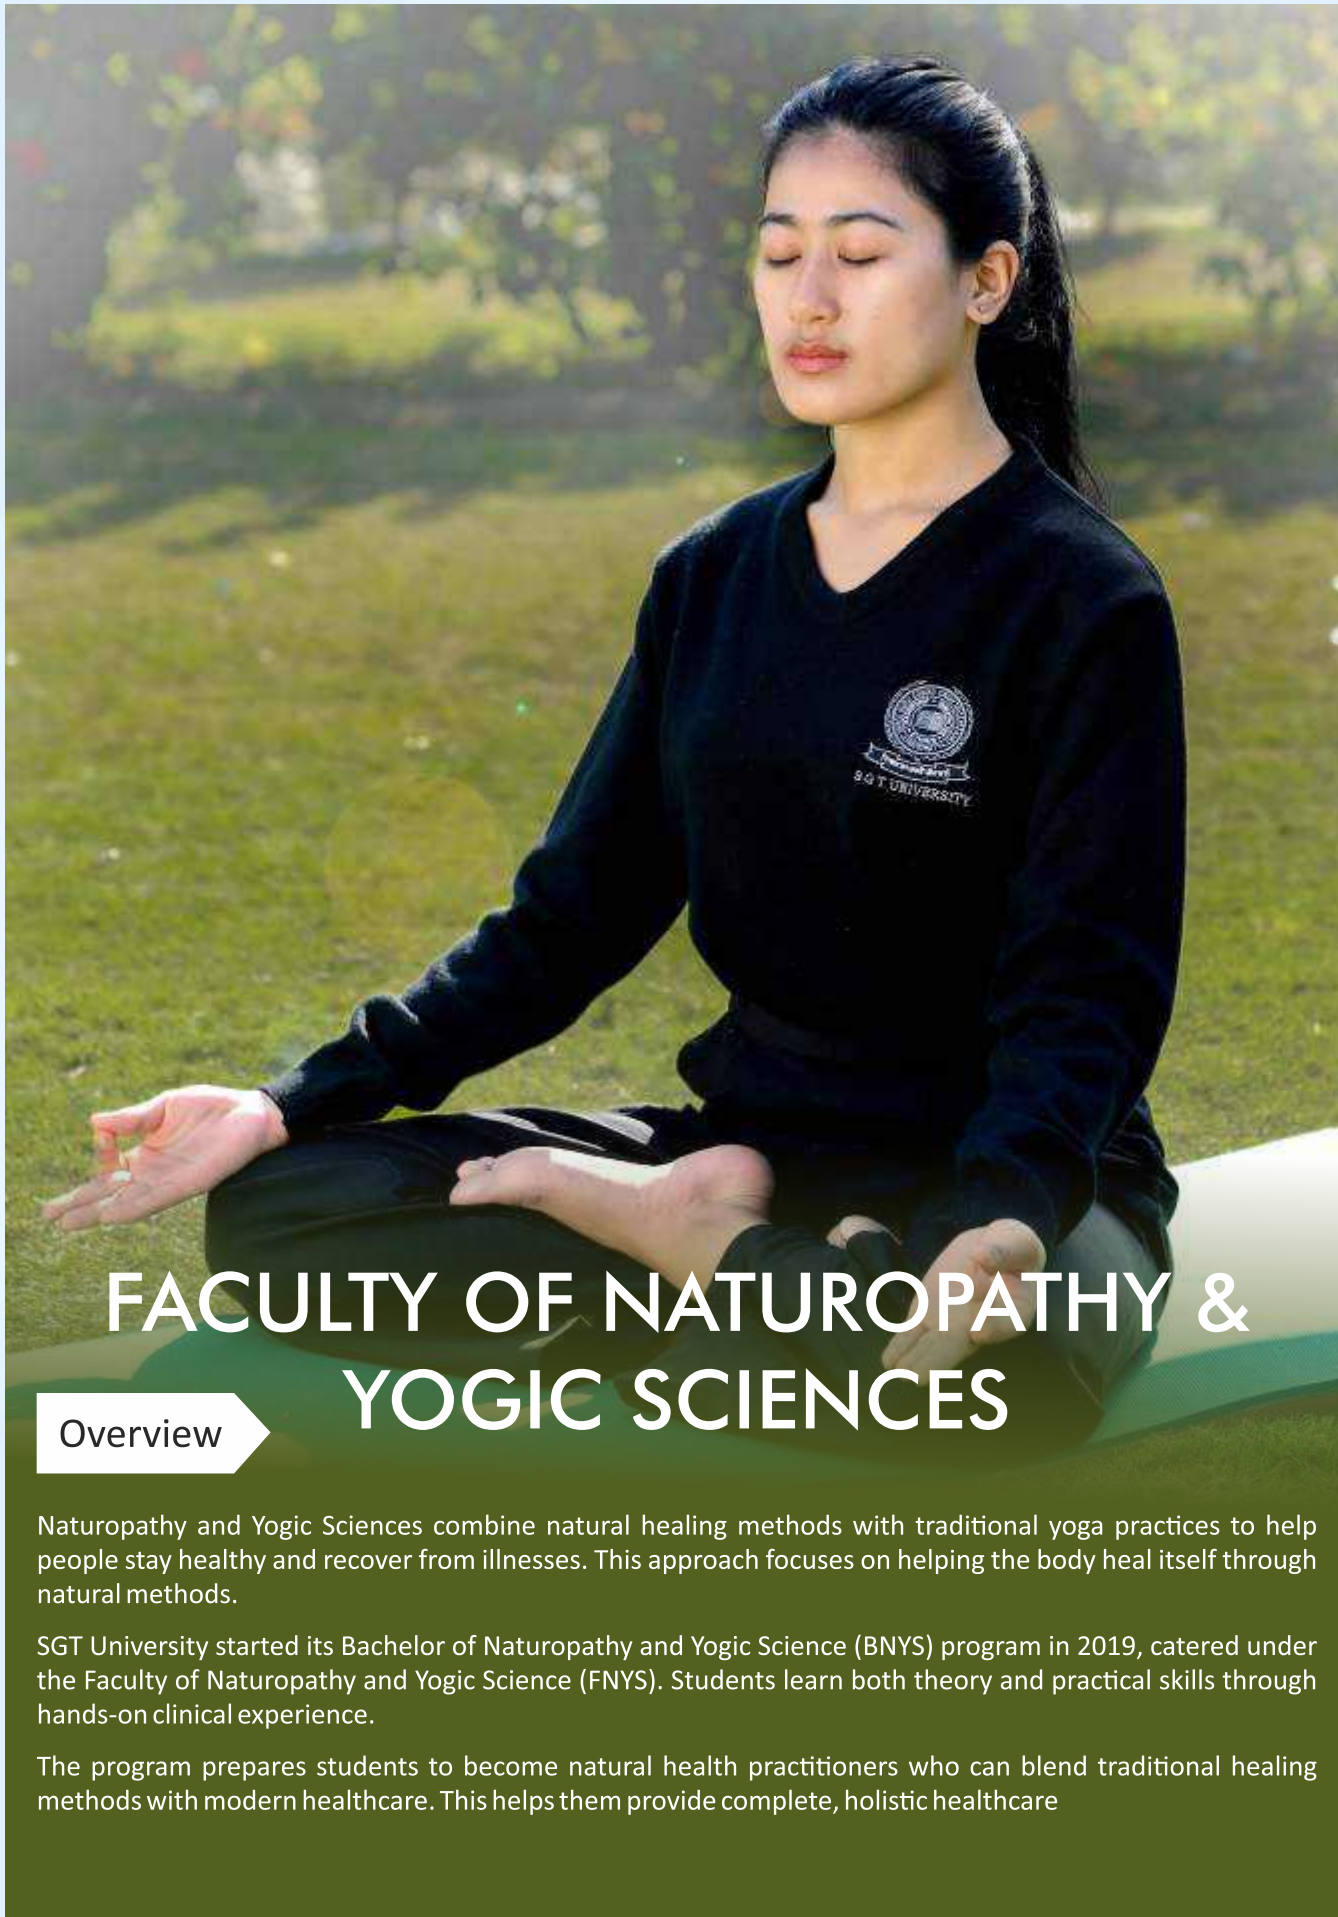

Alumni of the Faculty of Indian Medical System have been placed in government and private sectors and some are successfully running their own setups. The alumni network here at SGT University is connected through frequent interactions and meetings on different platforms. Our alumni are our most loyal supporters and best ambassadors.

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)
1	Bachelor of Ayurvedic Medicine & Surgery	4½ Years + 1 Year internship	----

Eligibility: As per UGC/ Council norms

FACULTY OF NATUROPATHY & YOGIC SCIENCES

Overview

Naturopathy and Yogic Sciences combine natural healing methods with traditional yoga practices to help people stay healthy and recover from illnesses. This approach focuses on helping the body heal itself through natural methods.

SGT University started its Bachelor of Naturopathy and Yogic Science (BNYS) program in 2019, catered under the Faculty of Naturopathy and Yogic Science (FNYS). Students learn both theory and practical skills through hands-on clinical experience.

The program prepares students to become natural health practitioners who can blend traditional healing methods with modern healthcare. This helps them provide complete, holistic healthcare

What makes FNYS stand out?

- The curriculum includes natural holistic health approaches, which are the need of the hour.
- Hands-on learning using well-equipped laboratories.
- Extensive clinical experience at the multidisciplinary SGT Hospital.
- Highly qualified and experienced faculty, as well as a healthy student-faculty ratio.
- Special lectures by industry leads and academicians.
- Exposure to industries, conferences, and workshops.

Pedagogy

- Project-Based Learning
- Problem-Based Learning
- Bedside/Clinical Teaching
- Student's Seminar
- Case Studies
- PPT cum Panel Discussion
- Practical File Submission
- Prototype / Mock Development
- Group Discussion
- Simulation Techniques
- Hospital Visits

Career Opportunities

Nowadays, a naturopath opens himself up to a successful career in many avenues:

- Entrepreneurship
- Private Clinics
- Academia and Research
- Government and Private Colleges
- Government and Private Hospitals

- Corporations
- Holistic Wellness Centers and Medi-Spas
- Naturopaths find jobs in Canada, Australia, and Europe after applying for the requisite practice licenses in those countries.

Infrastructure

- **Classroom:** FNYS features modern, air-conditioned classrooms equipped with OHPs, LCD projectors, whiteboards, and microphone systems. The institution promotes paperless learning through ERP systems for all students and faculty.
- **Laboratories:** Comprehensive science and medical labs provide practical training in basic medical and naturopathic subjects.
- **Hospital:** Features an outpatient wing with separate treatment sections for men and women, a Yoga Studio, and therapy facilities. A new Naturopathy & Yoga teaching hospital is under development. Clinical training is provided at SGT Hospital and nearby university medical centres.

Research

- **Research Articles:** 28
- **Book Chapters:** 06
- **Ongoing Research:** A 3-year extended study on the effects of a yoga program on renal functions and quality of life in patients suffering from chronic kidney disease is planned to start anytime soon in association with the Faculty of Medicine and Health Sciences, SGT University.

Industry Engagement

- Regular camps, workshops, expos such as Synergy, seminars, and guest lectures are held in the presence of industry leaders to provide students with up-to-date information and exposure.
- The Faculty of Naturopathy and Yogic Sciences, as well as Environics Pvt. Ltd., have collaborated on various research activities.

Social Responsibility

The Faculty of Naturopathy & Yogic Sciences serves as a valuable resource for local communities, offering affordable natural healing alternatives to expensive hospital care. Through collaborative health camps and outreach programs, we educate people about Naturopathy's benefits in both treating and preventing diseases.

Achievements

FNYS students actively participate and succeed in inter-faculty and inter-university events like national seminars and workshops, symposiums, conferences, continuous medical education, webinars, sports events, quizzes, literary clubs, cultural competitions, etc. throughout the country.

Accreditations/Affiliations/Approvals

- Approved by the Higher Education Department, Chandigarh, Govt. of Haryana, and Ministry of AYUSH, Govt. of India
- On successful completion of the BNYS course, students will be eligible to apply for state/central registration under their respective state AYUSH boards.
- Educational Member: World Naturopathic Federation (Asia's first Naturopathic College on the World Naturopathic Federation Platform. Reference: <https://worldnaturopathicfederation.org/educational-members/>)

PROGRAMS OFFERED

S.No.	Program Name	Duration	Fee (Rs.)
1	Bachelor of Naturopathy & Yogic Sciences	4½ Years + 1 Year internship	100000 (PER YEAR)

Eligibility: As per UGC/ Council norms

Relaxation in Eligibility for SC students of Haryana State only will be as per government rules. Reservation of seats will be as per government rules. **Note :** Other than the fee mentioned above, the students are required to pay Rs. 10,000/- (One time refundable) as caution money and Rs. 2,500/- (One time non refundable) for registration of Alumni Association.

CENTRE OF EXCELLENCE FOR ANDRAGOGICAL AND PEDAGOGICAL SCIENCES (CEAPS)

SGT University is committed to becoming a globally recognised institution by aligning with the National Education Policy (NEP) 2020, emphasising student-centric learning and multidisciplinary approaches. To meet these goals, SGT University established the Centre of Excellence for Andragogical and Pedagogical Sciences (CEAPS) to drive pedagogical innovation and faculty upskilling.

The Centre conducts various faculty development programs with national and international experts, focusing on student-centred pedagogies like experiential learning, pedagogy, problem-based learning, and case-based learning. Since October 2022, approximately 40 activities have been conducted, training about 700 faculty members in areas including outcome-based education, pedagogical effectiveness, and applications of generative AI.

Collaborations: CEAPS has partnered with Skills and Education Group, UK, implementing a 3-month Professional Development Program on Innovations in Teaching and Learning. Select faculty members visited UK universities to study best practices, which were then incorporated into training modules for university-wide dissemination. Additional collaborations include programs with NPTC Group of Colleges, Universiti Teknologi Malaysia, Guru Angad Dev Teaching and Learning Centre, and ICT Academy.

CCSP

The Thanu Padmanabhan Centre for Cosmology and Science Popularisation (CCSP) is intended to conduct research in cosmology and popularise science at the grassroots level. It comprehensively aims to produce well-rounded intellectuals and groom excellence as rational thinking in society, substantiated through multi-dimensional and multi-directional major components like:

- Excellent research in cosmology and particle physics.
- Popularisation of science for the common masses.
- Visitor's program for students and researchers.
- Ph.D. program with advanced courses in physics and mathematics.

The centre has strong research foundations in cosmology, astrophysics, particle physics, and allied areas. Faculties have collaborations with notable national and international institutions like ISRO; IUCAA; Chinese Academy of Sciences; Eurasian National University, Kazakhstan; Omeg Institute, South Korea; International Collider Experiments, Jagiellonian University, Poland. Most of the faculties are affiliated with the Indian Academy of Sciences. CCSP develops scientific temperament through a mobile planetarium of specialised audio-visual equipment, projecting 360-degree immersive experiences inside a planetarium.

NATIONAL REFERENCE SIMULATION CENTRE

The National Reference Simulation Centre (NRSC), established in 2018, is a tetrapartite collaboration of the Indian Nursing Council (INC), the John Hopkins Program for International Education in Gynecology and Obstetrics (JHPIEGO), funded by USAID, Laerdal Medical India, a Norway-based company and Shree Guru Gobind Singh Tricentenary University (SGTU), Gurugram, in a 14000 sq. ft. area. It is one of Asia's earliest referral centres designed to cover medical and nursing inter-professional education and deliver in-service training programs using simulation-based learning.

The centre has high fidelity, medium fidelity and low fidelity manikins of significant degrees of realism that help in the artificial representation of a real-world process. Students are exposed to being competent and confident enough to encounter actual patients in any emergency. The centre focuses on adult learning with experiential and reflective learning in a psychologically safe container.

ADVANCED STUDY INSTITUTE OF ASIA (ASIA)

The Advanced Study Institute of Asia (ASIA), established in 2023 and affiliated with Shree Guru Gobind Singh Tricentenary University in Gurugram, India, serves as an interdisciplinary research center dedicated to enhancing the understanding of Asia, particularly South and Southeast Asia. Situated in New Delhi, ASIA aims to navigate the complexities of various fields, including International Relations, health, law, and societal issues, by leveraging the expertise of leading scholars and practitioners. ASIA's mission is to create a comprehensive research environment that fosters a nuanced understanding of Asian dynamics through a multidisciplinary lens. Over the past two year, the institute has initiated diverse projects spanning historical, political, and health-related themes. This work is disseminated through various formats, including publications, ASIA SenseMaker conversations, videos, podcasts, and newsletters, thereby establishing a platform for diverse perspectives on the continent. The institute's strategic approach encompasses both short- and long-term research objectives, facilitating networking across various thematic areas. ASIA has a dedicated team of young researchers, who actively engage in public discourse and contribute to academic discussions. The collaborative atmosphere within ASIA is designed to maximize the potential of its researchers. In the coming years, ASIA aspires to expand its research scope to include primary studies alongside secondary analyses, further enriching its contributions to the academic community and enhancing its role as a critical think tank in the region

About the Board

The institute is chaired by Sh. Najeeb H Jung, an erudite scholar of energy and Urdu. Vice-chairman of the institute Sh. Indu Bhushan, is public health professional former bureaucrat who helped set up Ayushman Bharat as its first CEO, Sh. Rajat Nag, former MD of the Asian Development Bank (ADB) with unmatched insight on several issues and challenges pertaining to Asia, Mr. Manpreet Singh Badal, Distinguished Visiting Professor ASIA Board Ms. Sandhya Vasudevan, former MD and CEO of Deutsche Bank who has been working on fintech & innovation across India, Prof. Amogh Rai, Research director, young researchers and scholars are the members of the board.

In 2024, ASIA made significant strides in thought leadership and academic engagement. It launched its in-house journal, De/Cypher, focusing on South Asia's security and geopolitical issues. The ASIA SenseMaker series hosted insightful discussions with scholars, fostering understanding of diverse topics. ASIA also expanded its presence in print media with selected articles published in prominent outlets. Key publications like the GI Atlas and active participation in global scholarly events highlighted its growing influence as a hub for research and discourse.

ADVANCED RESEARCH LABS

XEBIA INNOVATION CENTER FOR EDUCATION

Co-creates technology and business-based undergraduate degrees by working with tech industry leaders and preparing students to excel in the latest technologies in industry developments, covering data science, devops etc.

ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING LAB

Offers a unique curriculum deploying deep data science and AI consulting capabilities to train students to create true business value, expertise in big data, creative applications of global best practices, and AI and ML solutions.

APPLE DEVELOPMENT CENTRE

Designed to help software developers write codes for the macOS, tvOS, watchOS and iOS platforms using Xcode.

ELECTRIC VEHICLE LAB

The Electric Vehicle Lab - "Skill Next," built in collaboration with Electric One Mobility Private Ltd., is a benchmark in the EV revolution, aiming to educate, engage, and enhance students' skills in a changed EV environment. The certification and curriculum-based experimental program at the centre will develop skills for professional and academic opportunities among students for the futuristic growth of electric vehicles and strengthen India's EV Vision.

GEO SPATIAL RESEARCH LAB

Equipped with GIS System Software to train students in sustainable constructions in urban town planning. It supports data visualisation, advanced analysis, and authoritative data maintenance in 2D, 3D, and 4D to identify patterns and make predictions for the smooth functioning and planning of smart cities.

HIGH-PERFORMANCE COMPUTING LAB

Has specialisations in machine learning and high-performance computational platforms for our students. Our partnership with YOTTA/NVIDIA ensures our students and faculty access the computing resources on the NVIDIA cloud for research and training.

FORVIA HELLA TESTING LAB

Established under a CSR Initiative by Forvia Hella Pvt. Ltd., this lab offers a fully functional Industrial testing facility. Students gain practical experience in testing advanced automobile systems, including driver monitoring systems, safety sensors, smart car access systems, and next-generation lighting solutions.

HYDROGEN TESTING LAB

Established in collaboration with CST Envirotech and supported by Mankind Pharma's CSR initiative, this lab focuses on cutting-edge hydrogen technology. Students actively participate in a pioneering project that produces steam, power, and oxygen from hydrogen gas, promoting sustainable energy solutions.

SGT UNIVERSITY INCUBATION CENTER CUM ACCELERATOR

Identifying potential innovators and offering them a conducive ecosystem are crucial elements of incubation management. Apart from the infrastructure and networking support, innovators and startup founders find here a decision-making support system to mitigate inherent risks in dealing with customers, products, markets, and growth. We offer a portfolio of innovation camps and workshops by qualified domain experts of requisite market experience and competencies to enable innovators, mentors, product leaders, and startup founders to come up with and execute better decisions.

CENTRAL SYNTHETIC CHEMISTRY LABORATORY (CSCL)

CSCL focuses on supporting drug discovery research, with support in medicinal chemistry and synthetic chemistry, metabolite synthesis, pro-drug synthesis, collaboration for the synthesis of building blocks, etc. The Computer-Aided Drug Design (CADD) laboratory augments the drug discovery research process.

MOLECULAR BIOLOGY LAB

To substantiate the advancement in healthcare and other scientific fields to emerge from the constant pursuit of new knowledge gained through research, the Molecular Biology Lab was established in 2010 to provide UG, PG, PhD scholars, and faculty members with easy access to research equipment for research activities. The laboratory provides sufficient bench space for multidisciplinary research with state-of-the-art facilities, staffed by knowledgeable faculty members, researchers, and technicians in the domain of molecular biology.

Research and Development Cell

SGT University is dedicated to imparting quality teaching and providing a conducive research, innovation, and entrepreneurship ecosystem. The Research and Development Cell (RDC) is a strategic component of SGT University that drives innovation and fosters research growth. It ensures long-term viability in a competitive landscape to meet the ever-changing market and technological demands.

Vision

To be a research-intensive institute that provides transformative education to develop future leaders and innovators

Mission

To nurture the research culture in emerging and challenging areas.

Expanding the scope and impact of undergraduate and postgraduate research.

Promoting the ethical conduct of research and encouraging quality research among students, faculties, and innovators.

Collaborate with other academic and research institutions worldwide to strengthen the education and research ecosystem.

Support strong infrastructure facilities for transdisciplinary research.

Overview

The university has framed several policies, including the research policy, research promotion policy, plagiarism policy, IPR policy, consultancy policy, Ph.D. ordinance, etc., to implement research activities systematically.

The university actively fosters linkages with government, industry, academia, and other relevant bodies so that our university is widely connected across different sectors and our students and faculty can avail themselves of better opportunities at national and international levels.

The RDC actively disseminates information on funding schemes from government and private funding agencies to the various faculties and supports enhancing the quality of proposals. RDC regularly invite experts to deliver talks, organise workshops, and provide hands-on training, especially for undergraduate and postgraduate students, to tap their research-inquisitive minds.

ACADEMIC CLUBS

The academic clubs at SGT University, founded in 2019, are student-driven initiatives aimed at providing students with opportunities to learn beyond their regular curriculum. These clubs are designed to enhance the overall academic experience by offering exposure to domain specific, improving interpersonal skills, expanding networking opportunities, and preparing students to be industry-ready. In addition, the clubs foster lifelong values of volunteerism and service to others, contributing positively to student satisfaction and their university experience.

There are 80 academic clubs at the university, each following a structured approach under the guidance of faculty advisors and co-advisors. Each club is managed by a student committee, which is led by a Student Representative (SR) and supported by roles such as Student President, Student Joint-Secretary, Student Creative Head, Student Secretary, Student Document Curator, and Student Executive Members.

The student office bearers for academic clubs, ANVAYA, plays a pivotal role in unifying and organising the various academic club activities across all 18 faculties at SGT University. Anvaya's mission is to ignite intellectual curiosity and foster innovation, creating a dynamic and collaborative academic environment that inspires students to achieve new heights.

Objectives

The objective of the academic clubs is to give exposure to the students in the form of workshops or hands-on activities that go beyond their routine curriculum and relate to the future challenges of their respective fields. The platform provides students the opportunity to:

- Learn through hands-on experience
- Acquire skills in leadership, strategic decisions, and project management.
- Interact with professionals and industry experts to learn from their real-world work experiences.
- Access competitions, intramural fundings for research, concept to proof-of-concept, etc.
- Develop satisfaction in the student life-cycle experience at SGT University.
- Provide useful experience in obtaining a job and providing job-related skills
- Develop lifelong values of volunteerism and service to others
- Develop a satisfaction in student life cycle experience in SGT University

ANAVYA - The Central Academic Club.

Anvaya is a student body formed to oversee the 80 academic clubs that SGT University has across 18 faculties. Its motto is "Unleashing Brilliance, Shaping Tomorrow," and it looks to further augment academic growth and student life excellence at SGTU.

CENTRAL LIBRARY

The university library is a shrine of knowledge at SGT University. It has a large collection of the most recent books, online journals, national and international publications, and other learning resources in both print and electronic formats. The air-conditioned library has been professionally designed, with plenty of space and natural lighting for the comfort of readers, and can accommodate more than 1000 readers at once. It has more than 85000 volumes on its premises.

The digital library contains various media on a wide range of subjects, including medical sciences, dental sciences, allied health sciences, management, engineering, computer sciences, and so on. Aside from that, the library subscribes to over 35000 online e-journals and 1,59,000+ e-books, both of which can be accessed around the clock.

The library offers 24/7 remote access to digital resources via the mLibrary mobile app service and the digital library platform on sgtuniversity.knimbus.com. Users can also check all library resources and personal information remotely via the library OPAC service.

All of the library's operations, including classification and cataloguing, check-in and check-out, information services, and book barcoding, have been completely automated. Teachers and students can freely access over 100 nodes in the attached internet lab to browse the internet.

OFFICE OF DEAN - STUDENTS' WELFARE

Overview

SGT University believes that student well-being consists of a lot more than just academic success; it encompasses cultural, social, emotional and personal development as well. To form a bridge between the management and the students of the university, the Office of Dean-Students' Welfare (DSW), which is headed by Prof. (Dr.) Vijay Sharma, offers a platform for university students to grow, to nurture themselves and to discuss their problems and find amicable solutions too.

The primary objective is to create a conducive and compassionate environment for the overall development of students in curricular and co-curricular activities and to ensure a healthy feedback mechanism.

The DSW works closely with accredited bodies like the Association of Indian Universities (AIU) and UGC for programs like Azadi ka Amrit Mahotsav, Swachh Bharat Abhiyan, FIT India Movement, and many social initiatives and awareness programs on topics like Female Foeticide, Ragging, and Human Rights, etc.

Extra-Curricular Activities

SGT University is a mosaic of activities, adventures, and cultural events! There are a variety of recreational clubs and societies that engage in and propagate these events to make the campus a happening and thriving place. Club activities have been incorporated into the academic curriculum to encourage and motivate students to actively participate.

Students can participate in extracurricular activities in the areas of music, dance, literature, fashion, the arts, social responsibility, theatre, photography, and health. This will help them develop holistically by nurturing themselves. Various cultural fests are organised from time to time within the campus. The major fests worth mentioning are:

- Radha Krishna Sang Phoolon ki Holi • Hariyali Teej • Janmashtami & Dahi Handi Competition
- Basant Utsav • Diwali • Christmas.

These are big affairs where the students showcase their talent on stage. In addition to this, the DSW also sponsors teams and individuals for participation in various contests and events organised by other universities in India.

Major Achievements

SGTians excel nationally and regionally, with students participating in sports, academia, and the arts. From dominating sports championships to pioneering scientific research, students showcase diverse talents. With supportive faculty and a nurturing environment, students thrive in debates, cultural events, and innovative challenges. These achievements reflect the institutions' commitment to holistic development, instilling values of leadership and teamwork. SGTU students not only bring home accolades but also inspire future generations to pursue excellence and make a difference in the society.

Synergy: Delhi NCR's Biggest Tech-Fest

SGT University conceptualised its marquee annual fest, SYNERGY, hoping for it to be their contribution towards the nation's future. First launched in 2017, it is a platform for solutions, where students from SGTU and other institutions across Delhi NCR present prototypes and propose innovative answers to real-world challenges using scientific principles.

Innovators face strict scrutiny from experienced judges, distinguished members of the industry and government, and even their peers. There are also intense competitions in Robotics and Drone Technology that push the creative and technical capabilities of the participants.

Objectives

Fostering Creativity and Multidisciplinary Research: Synergy seeks to ignite the creative spark within young minds and steer students towards multidisciplinary research and innovation. It challenges participants to develop prototype models that offer practical solutions to real-life challenges by applying science and technology.

Showcasing Diversity: This technical extravaganza proudly showcases a broad spectrum of projects spanning science, technology, medical sciences, management, the humanities, the arts, fashion, and culture.

Promoting Innovation: Synergy actively encourages participation in competitions where innovative ideas take centre stage, captivating and engaging the audience. Moreover, it actively promotes establishing industry connections, filing patents, and cultivating entrepreneurial skills among its participants.

Synergy 2024

Synergy 2024 was more than just an event—it was a breathtaking celebration of endless possibilities where innovation and creativity seamlessly came together to shape the future. With cutting-edge projects, visionary thinkers, and a passion for progress, Synergy 2024 is the ultimate celebration of technology's power to transform the world.

This year marked a historic milestone, with over 22,000 students from more than 215 schools, making it a truly remarkable gathering. The event showcased more than 250 projects across diverse categories, including Healthcare, Societal Development, Future Tech & Innovation, and Natural Resource & Sustainability. In addition to these technological marvels, Synergy 2024 also featured engaging competitions like Drone and Robotics challenges, Nukkad Natak, and vibrant dance performances, adding an extra dimension of creativity and energy.

Synergy 2024 aimed to inspire and empower individuals to break the boundaries of knowledge and creativity. The sight of these young minds, fully immersed in the event, with faces glowing with excitement and curiosity, was a heartening experience for all. The event was also marked by impactful initiatives such as SGT Ka Sparsh, SGT Haat, and Taramandal, which underscored the commitment to community development. These exceptional efforts were praised by a distinguished panel of judges, who recognised the outstanding contributions of the students.

The inauguration of Synergy 2024 on Day 1 was graced by prominent figures, including Chief Guest Sh. K. Raja Bhanu, Director General, Pharmaceuticals Exports Promotion Council of India, Guest of Honour Sh. Pranshuman Roy, Global Director, Gen AI Infusion & Automation Kyndryl and Guest of Honour Sh. Prashant Tandon, CEO, Tata 1mg.

The event reached its highly anticipated Valedictory Ceremony, a moment of celebration and recognition for the remarkable contributions made by participants throughout Synergy 2024. As the ceremony unfolded, the top contributors—whose projects and initiatives had distinguished themselves through innovation, impact, and creativity—were celebrated. These exceptional participants were honoured with well-deserved trophies and impressive cash prizes, a true reflection of their hard work, dedication, and unwavering commitment to excellence. The ceremony was graced by renowned personalities, including Ms. Harleen Kaur IAS, Special Secretary to Lieutenant Governor, Delhi, and Sh. B. R. Sikri, Chairman, Federation of Pharma Entrepreneurs (FOPE).

SPORTS AT SGT UNIVERSITY

At SGT University, sports play a crucial role in students' overall development. It offers the chance for involvement, accountability, enjoyment, learning as a team, and a feeling of unity. A lifelong love of sports, fostered in school, can contribute to a future that is happier, healthier, and more fruitful. We at SGT University provide a variety of team and individual games with the chance to compete both within and against other universities. To foster a love of sports in the students from an early age, Mr. Uma Dutta, Director of Sports, regularly organizes a variety of series and tournaments and offers numerous opportunities for the students to represent themselves.

Campus Sports Infrastructure

- Basketball Court
- Volleyball Court
- Football Ground
- Cricket Ground
- Lawn Tennis
- Table Tennis
- Indoor Badminton Court

Major Sports Achievements

National Level

Khoda Kanu, a student of the Faculty of Behavioural and Social Sciences, participated in the 60th National Chess Championship at Pune (Maharashtra).

Mayank, a student of the Faculty of Agriculture, secured the 120th position in the Gurugram Marathon 2024.

Anuj Yadav, a student of the Faculty of Agriculture, participated in the Senior National Ball Badminton Championship held at Gadchiroli (MHA)

All India Inter-University

Lokesh, a student of the Faculty of Engineering and Technology, participated in the All India Inter University Archery Championship held at Punjab University, Patiala (Punjab) from December 23rd to 26th, 2024.

All India Inter-University (North-Zone) Championship

The SGT University Chess Team participated and secured 15th position in the All India Inter University (North – Zone) Chess Championship held at Bundelkhand University, Jhansi (U.P.)

The SGT University Basketball team participated in the All India (North – Zone) Inter University Basketball Championship held at Amity University, Gurugram (Haryana).

The SGT University Badminton team participated in the All India (North–Zone) Inter-University Badminton Competition held at Chitkara University, Rajpura (Punjab).

The SGT University Cricket Team participated in the All India Inter University (North – Zone) Cricket Tournament held at J.J.T. University, Jhunjhunu (Rajasthan)

PRABANDHAN– The Student Council of SGT University

Run solely by the students and works to execute various workshops, festivals, fests, and other events of the college. Its work involves studying the concepts and themes of the event, identifying its target audience, and coordinating the technical aspects, followed by mock drills before launching the event.

Prabandhan is also included in the process of planning and coordinating the event, which includes budgeting, arrangements, site selection, acquiring necessary permits, coordinating transportation and parking, arranging for speakers or entertainers, and much more, depending on the type of event.

National Cadet Corps (NCC)

The Office of Students' Welfare established an NCC SUB-UNIT at the university campus under the 5 Haryana Battalion, which is monitored and functions under the guidance of Mr. Vipin Yadav (Office Associate - Students' Welfare, and C.T.O.).

The NCC aims to develop character, comradeship, discipline, a secular outlook, the spirit of adventure, and ideals of selfless service amongst young citizens. Further, it aims to create a pool of organised, trained, and motivated youth with leadership qualities who will serve the nation regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces.

Office of International Relations

International Collaboration for Education - A Passport to Global Networks

Clinical Observership Program to Thumbay Rehab Centre, UAE (Dental and Physiotherapy)

This International Clinical Observership Program offers students a chance to elevate their clinical skills and explore global best practices. From diagnosis to treatment plan and follow-up, interactions with their diverse team are planned to provide holistic patient care.

Benefits:

Hands-on Training: Provided with advanced equipment where one learns to utilise cutting-edge technologies in imaging and patient care.

Specialised Services Observation: Observe specialised procedures performed by a team of experienced specialists, offering valuable insights into various disciplines.

JCI Accreditation Insights: Benefits from sessions on JCI standards, hospital policies, and infection control protocols, aligning your practices with globally recognised quality standards.

Licensing Guidance: Understand the licensing process in the UAE, including eligibility criteria and required documentation facilitating a smoother transition into professional practice post-graduation.

Semester Abroad Program With Keele University, UK (Basic Sciences or Behavioural Science)

SGT University offers a fantastic semester- or year-long program at Keele University, UK.

Benefits:

Access to their libraries for study materials and tests.

Extra credits, which you can flaunt in your resume along with a transcript.

Accommodation at reasonable rates on campus, access to facilities on campus, and practical exposure.

Semester Abroad Program to Vilnius Tech, Lithuania (Engineering)

Looking forward to taking a fresh breath in the land of Lithuania? Engage in this internship, where you will spend a whole semester gaining exposure to engineering skills at Vilnius Tech, Lithuania and understanding cross-cultural perspectives and international standards.

Benefits:

Easy accommodation (dormitories and personal). Reasonable rates in PGs in groups
Academic credits to be added to your resume along with transcripts'
Study materials from the host university.

International Internships (Hotel Management)

Does trying out new cuisines and lip-smacking flavours of different cultures and meeting new people excite you? The Office of International Relations offers internships for food and tourism enthusiasts in five countries: the USA, France, UAE, Thailand, and Mauritius! Visit your dream country and try out the special ingredients; explore, experiment and treat yourself and others under the guidance of industry experts.

International Faculty Mentorship: Prof. Robert Green, Kent University, UK (Forensic Science)

SGT University was honoured to have Prof. Robert Green, OBE University of Kent, for a mentorship program in September 2024, and after signing a Statement of Cooperation, we are glad to have him again with us for mentorship for 2 weeks in December 2024 with yet another thrilling program of forensics along with some interesting case studies and activities.

Faculty Exchange from the Hungarian University of Fine Arts

The Erasmus+ program at the Hungarian University of Fine Arts offers students, faculty, and staff valuable international learning and teaching experiences across Europe. Through this EU-funded initiative, participants can study, train, teach, or gain work experience at partnering institutions, enriching their artistic skills and cultural understanding. Erasmus+ provides the chance to engage with diverse artistic traditions, collaborate on projects, and broaden your academic and professional horizons.

International Certifications from the UAE Under a Week-Long Mobility Program

If you are interested in gaining cross-cultural perspectives and are a travel enthusiast, this one's for you! You can take a dip into what culture has a role to play in your discipline and take a tour of Arabian culture.

Projects and Short-Term Courses in Germany

If you are a person who would like to specialise in one certain area or topic of your field, short courses can help your dream come true! Germany provides an array of projects and short-term courses for students pursuing engineering at SGTU. There are long-term research projects as well as short courses in sustainability, technology, leadership, and innovation.

Atal Community Innovation Centre (ACIC)

About ACIC-SGTU

ACIC-SGTU aims to create design-aware societies, enabling them to leverage design principles to build more human-centric, meaningful innovations. This is done primarily by providing innovators with financial support, physical space, and mentorship through our grants and partnership programs. Our success hinges on our proven ability to work closely on the ground with our partners while providing strategic support to help them achieve scale and impact

Objectives

Empowering Society to Bring Change: To support cross-community learning by providing enabling infrastructure and linkages.

Thinking Local, Acting Global: To build the capacity of community innovators in evolving technologies while also building upon traditional insights.

Serving Society, Mind to Market: Scalable design solutions for innovative offerings encompass the whole innovation cycle.

Big Ideas Start Small: To offer an opportunity for everyone to innovate, ideate, and design impactful solutions, irrespective of their age.

Focus Sectors

- Agriculture and Allied Fields
- Green and Clean Energy
- Healthcare
- Internet of Things (IoT)

Support Methods

- Experts Interactions
- Discussion Areas
- Free Thinking Zones
- Mentorship Sessions
- Co-Working Spaces
- Meeting Rooms
- Fundraising and Grants
- Maker Spaces

Startups Incubated in ACIC SGTU

Incubatees Details	No.
Pre-Incubated Startups	33
Incubated Stage Startups	46
Private Limited Companies Incorporated Startups	17
Total	79

Startup Name	Awards/Achievement
Kshitiz	Founder Mrs. Pooja Sharma received Nari Shakti Puraskar , India's highest civilian honour for women, from the President of India on 8 th March 2022.
	Received a grant of Rs. 2,00,000/- under the AIM Community Innovator Fellowship Program (CIF)
Medico Albatross	Received grant of 4 lakh from the Ministry of Electronics & Information Technology (Meity Startup Hub) under the TIDE 2.0 Scheme with the VC Chitkara Innovation and Incubation Foundation.
	1st Position in ICFAI Hyderabad Idea Challenge (Cash Reward: Rs. 10000/-)
	1st Position in MIET Business Idea Pitch (Cash Reward: Rs. 10000/-)
WomenasticCo	Received a grant of Rs. 10,00,000/- under Aditya Birla Capital (Bits Pilani Startup Challenge)
	Received a grant of Rs. 2,00,000/- under the AIM Community Innovator Fellowship Program (CIF)
	1st position in Ideathon Haryana 2023 , organised under Haryana Skill Development Mission (Cash Reward: Rs. 31000/-)
	Nominated for a grant of Rs. 3,00,000/- under Startup Punjab (Fund yet to be released)
	3rd position in the Together 4.0 program organised by Startup India and York University , Toronto, Canada (Cash Reward: 500 Canadian Dollars)
Sumiom Innovation	Received a grant of Rs. 8,52,866/- from the Department of Science and Technology under the NIDHI PARYAS Scheme with VC Chitkara Innovation and Incubation Foundation.
	Received a grant of Rs. 4,00,000/- under the Yukti Scheme Ministry of Education (Going)
	Nominated for a grant of Rs. 3,00,000/- under Startup Punjab (Fund yet to be released)
	Nominated for a grant of Rs. 10,00,000/- under Startup India (Fund yet to be released)
	1st Position in National Innovation Challenge at Panipat Institute of Engineering and Technology (Cash reward Rs. 30,000/-)
	3rd Position in Central India's Largest B-Plan Pitch Deck Competition at E Summit 2023, Maulana Azad National Institute of Technology, Bhopal (Cash reward Rs. 15,000/-)
	2nd position in the Dental Innovation category at Oral Health Innovation Conclave 2023, which was conducted at Manekshaw Centre, New Delhi, on the 25th and 26th of March 2023.
	Best Innovative Stall at Regional Meet Institution's Innovation Council, MoE's Innovation Cell (Govt. of India) at Amity University, Uttar Pradesh.
Herbchick Pvt Ltd	Emerged as a top 5 startup for National Level Funding, organised by VFSTR TBI Council .
	Received a grant of Rs. 2,00,000/- under the AIM Community Innovator Fellowship Program (CIF)
One House Solution	3rd position in Ideathon Haryana 2023 , organised under Haryana Skill Development Mission (Cash Reward: Rs. 11000/-)

STUDENT COUNSELLING CELL

Recognizing the importance of mental health in academic success

The Student Counselling Cell at SGT University, established by the Department of Student Welfare and the Faculty of Behavioural and Social Sciences, is dedicated to support students in their personal and academic journeys.

Offering a confidential and safe space, the cell provides guidance to help students manage academic pressures, emotional well-being, and personal challenges. Professional counsellors are available to help students navigate their thoughts, build resilience, and foster growth.

This initiative reflects the university's commitment to creating a supportive environment where students can thrive and achieve their full potential.

GRIEVANCE REDRESSAL CELL

The student welfare team at the university and other welfare professionals within the wider university are happy to listen to any concerns that students may have and can offer strong support with a practical solution. The DSW office is always ready to register the grievances of the students and provide them with an easy platform to speak about their issues. The sessions are conducted by experienced professionals to help the students and to overcome the challenges they face.

GENDER SENSITISATION COMMITTEE

In order to promote gender equality, as guaranteed by Article 15 of the Indian Constitution, there is a need to change the mode of interaction at all levels, like home, school, college, the workplace, and so on.

SGT University believes in creating an environment that fosters equal treatment and envisages "Gender Champions" among the students from different faculties on the campus. These "Gender Champions" are envisioned as accountable executives who will foster an environment at the university where all students are treated with respect and decency.

HOSTEL, CANTEEN, AND MESS MONITORING COMMITTEE

The Hostel and Mess Committee is responsible for providing round-the-clock support to the hosteller students on campus by ensuring the quality of the food in the mess and outstanding infrastructure facilities. The committee looks after the management of hostel-related issues, drafting and execution of the mess menu, and ensuring that premium quality food is offered at the mess and the canteens on campus.

STUDENT HOSTELS

SGT University hostels are designed to feel like a home, away from home. Each hostel has a set capacity and separate rooms for girls and boys. Students have a variety of lodging options to pick from, according to their convenience.

Students staying in this type of housing have access to a TV room and water dispensers that provide hot, cold, and regular drinking water, as well as other recreational and sporting opportunities on the hostel grounds. Other amenities include:

- **Constant Wi-Fi connectivity**
- **CCTV cameras for safety**
- **24-hour electricity and water supply**
- **Caretakers and housekeeping services**
- **Laundry facilities**

Life @SGT

Evening Activities: The resident students are welcome to participate in social and cultural events during the evenings. Vibrant music and dance evenings are a regular occurrence on campus. There are occasionally scheduled literary, dramatic, and talent@SGT events, as well as Melodious Friday. Every Friday, the resident students are treated to a screening of Bollywood and Hollywood films at Friday Talkies.

Festivals: At SGT, given the diversity of our student body, we take every chance to recognise, respect, and maintain our unity, despite the differences in backgrounds. Vigorous celebrations of Onam, Pongal, Lohri, Dandiya, Christmas, etc. happen yearly at our institution.

SCHOLAR'S COUNCIL

Research at the undergraduate level serves as a cornerstone of intellectual growth and innovation. Universities are hubs of knowledge, where scholars and experts come together to explore, question, and expand the frontiers of understanding in various disciplines.

Established in 2017, the Scholar's Council at SGT University is a space where knowledge is cultivated, ideas are exchanged, and groundbreaking discoveries are made. In this setting, students are encouraged to think critically, challenge existing theories, and push the boundaries of knowledge in their respective fields.

This research environment fuels curiosity, encourages experimentation, and nurtures a deep passion for uncovering new insights and solutions. Scholar's Council is a place where innovation flourishes, paving the way for advancements that shape our world and drive societal progress.

Comprised of a committee representing various faculties, the Scholars Council is committed to offering guidance and mentorship to students enrolled in the University Scholars Program, as well as organising all activities associated with the council. Each year, outstanding students are granted the opportunity to collaborate with a faculty supervisor on research projects. These students collaborate closely with faculty members to explore a wide range of fields and interests.

The Scholar's Council aims to create a platform for extracurricular engagement, separate from regular academic pursuits, that brings together like-minded individuals to foster a shared intellectual curiosity and forge lifelong friendships.

Centre for Career Advancement (CCA)

CCA at SGT University supports students in exploring placement opportunities by inviting companies for campus recruitment drives, targeting final-year students who are set to graduate by the end of the academic year.

CCA's focus begins from the very first year when students are admitted, guiding them to explore multiple career paths and make informed choices. This early intervention helps students identify and prepare for their ideal career trajectory through a structured engagement with industry, including:

- Robust Internships
- Guest Lectures
- Industrial Visits
- an industry-aligned Curriculum
- Pre-placement Training Sessions (PPTs)

Together, these initiatives create a comprehensive pathway leading to successful placements. Additionally, CCA bridges the gap between academia and the corporate world by gathering and utilising industry feedback to design targeted Pre-Placement Training Programs. This feedback-driven approach is crucial in enabling students to reach their career objectives and succeed in a competitive job market.

CCA is dedicated to a learner-centric and outcome-based educational approach, focusing on comprehensive career development for students.

Key Objectives:

- Organising pre-placement training, workshops, and seminars to equip students with essential skills.
- Identifying suitable employers and assisting them in meeting their hiring objectives.
- Supporting students in securing final placements with reputable companies.
- Collecting and analysing employer feedback on student performance to enhance training programs.
- Acting as a vital link between students and the employment community, fostering strong industry connections for mutual success.

At SGT University, our mission is to nurture professionally competent graduates through value-based and quality education, equipping them to meet the ever-evolving demands of the global workforce. This commitment to excellence has seen our alumni excel in prominent roles across leading corporations worldwide.

Benefits to Students:

- Alumni from SGTU have established a strong presence across major corporations worldwide, showcasing the university's commitment to excellence.
- Students develop robust theoretical knowledge and practical understanding through rigorous academic programs.
- Exposure to real-world environments is provided through hands-on internships and project-based learning.
- High professional standards and a strong work ethic are instilled, ensuring students uphold integrity and discipline in any setting.
- The curriculum integrates advanced practices in higher education, fostering an innovative and critical-thinking environment.
- Extensive training by industry experts equips students with adaptable skills to succeed across various domains.
- Holistic development is prioritized, with a focus on enhancing teamwork, communication, and interpersonal skills.
- The Centre for Career Advancement (CCA) efficiently manages campus recruitment, providing a seamless and well-structured placement experience for companies.

ALUMNI ASSOCIATION

The Alumni Cell of SGT University is a dedicated body that is focused on building and maintaining a strong and engaged relationship between SGT University and its graduates. Every year, it hosts grand "Alumni Meets," which provides students a chance to come back to their alma mater, talk to old friends and faculty members, and reconnect for the future.

In 2024, the university also officially launched its "Alumni Connect" mobile app, which makes it easier than ever for our proud alumni across the globe to network, explore, and excel with each other.

The university feels proud to mention the success of its students who are excelling in their careers, and many of them are at prestigious posts in the government sectors, private sector, armed forces, public health sector, pharmacovigilance sector, fashion industry, and some are on their path of pursuing masters in various specialities of their interest.

SGT Alumni are really excited to visit their alma mater and meet their teachers and peers, and they are eager to guide and help their juniors and contribute to the institution in any way they can. A feedback mechanism is also designed by the DSW Office to collect valuable suggestions and responses for the further development of the university.

The Alumni Cell is focused on building and maintaining a strong and engaged relationship between SGTU and its graduates that supports the university's mission and goals.

Maintaining open lines of communication remained a priority, and the year 2024 began on an exciting note with the hosting of the **Alumni Meet at Rangmanch Nature Farms** on 17th February. The Alumni Meet brought together over 700 attendees, representing diverse professional backgrounds and graduation years. The event provided a platform for alumni across various batches to reconnect, reminisce, and strengthen their ties with the institution. The serene and eco-friendly ambiance of the farm was the perfect setting for a day of engagement and celebration, setting a positive tone for the rest of the year. The feedback received from participants was overwhelmingly positive.

One of our most significant achievements this year was the announcement of the **Alumni Connect** mobile app. A special segment was dedicated to launching the **Alumni Connect** mobile app during this annual meeting, which would serve as a one-stop platform for alumni to stay connected with each other and the institution. Features of the app include:

- Event Registration
- Job Board and Career Support
- Mentorship Opportunities
- Digital Directory for easy alumni interaction.

As we reflect on the year 2024, the Alumni Cell is proud to have organized a series of 36 successful Alumni Engagement and Events till September 2024, including reunions, talks, and networking sessions, providing a platform for alumni to share experiences, offering guidance, advice, and real-world insights.

Alumni were also invited as guests of honor for the Induction program, farewell to celebrate the success of individuals who have walked the same academic path and sports tournaments. It highlighted the achievements of the faculty's graduates and showcased the positive impact of the educational experience provided.

These activities not only facilitated professional networking but also reignited the spirit of camaraderie among our graduates. Regular surveys and feedback sessions were conducted during these activities to understand alumni needs and preferences.

Creating a sense of community among alumni across geographical locations helps maintain a lifelong connection with their alma mater. This year alumni Cell is also excited to start 2 new chapter in Jammu & Kashmir and North-East Region to begin with. These Alumni state chapters will offer a platform for graduates to network professionally and personally within their respective states.

SGTU Alumni Cell remains committed to furthering these initiatives, exploring new avenues for engagement, and ensuring that the bond between our University and its alumni only grows stronger with each passing year.

Alumni TESTIMONIALS

SGT provided me with excellent hands-on experience and expert faculty guidance, which equipped me with invaluable skills and knowledge to pursue a rewarding career in this field.

Preeti
Associate Consultant
EY Global Ltd

As an alumnus of physiotherapy, I want to express my gratitude towards SGT University for its exceptional training and support. Everyone there played a pivotal role in shaping my career as a physiotherapist and left a lasting impact on me.

Dr. Abhishek Kumar
Sports Medicine and Rehabilitation Department
Boxing Federation of India

One of the highlights of my experience has been the emphasis on developing leadership and communication skills. The college offers various workshops, seminars, and guest lectures that have expanded my horizons and prepared me for the real world.

Ruchira Kapoor
Special Educator
Pathways School, Gurugram

It was a tremendous experience in SGT. The students and the teachers gave immense support, and it was very satisfying studying here. I studied UG as well as PG from here, and I gained not only knowledge but also the attitude and skills to handle every situation.

Richa Dhingra
Onco-Psychologist
Army Hospital Research and Referral, Delhi

I am thankful to all the faculties, mentors, and SGT for providing us with quality education and giving us practical and hands-on experience in all departments in the hospitality industry. Currently, I am getting a package of approximately 1800 Euros per month.

Mohit Chaudhary
Commis de salle
Hôtel Golf Château de Chailly, France

The medical college faculty has provided me with an exceptional education and has shaped me into a competent and compassionate future healthcare professional. I am grateful for the wealth of knowledge, mentorship, and hands-on experience I have gained here.

Dr. Akshit Chitkara
Resident Physician,
Internal Medicine University of California, USA

The curriculum is well-designed. The coursework challenges us to think critically, solve complex problems, and collaborate effectively with our peers. Another thing that I really appreciate about SGT is the focus on innovation and entrepreneurship. I am really proud to be an alumnus of this university.

Nikhil Dhawan
Senior IT Analyst
FIS Global Services

Nursing is a field with uniqueness and individuality, the passion for which comes from within the individual. Being a part of the Faculty of Nursing at SGT University is like discovering your own uniqueness. The college provided us with great clinical facilities in hospitals, giving us fantastic exposure and allowing us to deliver hands-on care. Confidence is built, and ambitions are realised here.

Captain. Priya
Nursing Officer
Indian Army (MNS), BHDC

The faculty of law has provided me with a solid foundation in legal principles, analytical thinking, and professional skills. It has shaped my passion for justice and advocacy. I am grateful for the invaluable education and support I have received here.

Rama Kumari
Assistant District Attorney
Prosecution Department, Haryana

The curriculum is well designed and planned according to market needs and strikes a balance between theoretical knowledge and practical application, ensuring that we develop the necessary skills to become competent. I am grateful and proud to be a part of SGT.

Mr. Altaf Ahmed
Sr. Lab Technician
ESI Medical College & Hospital, Rajasthan

TRANSPORT SERVICES

The University supports a vast fleet of more than 60 buses and other vehicles for the convenience of the students, faculty, and staff. Ambulances for to-and-fro free transportation of patients to the University hospital are also available. Signboards depicting directions to the university have been put in all important and strategic locations to help visitors reach the campus with ease.

Note: Transport facilities will be allotted to the students for full year and not on semester basis. In case of new joiners; if they start availing the transport services from the month of August, he/she has to pay the full year fee, and if, he/she start availing the transport services from September onwards, pro-rata transport fee will be collected up to next year July.

HOW TO APPLY

- The candidate must go through the information brochure carefully and familiarise themselves with the eligibility criteria for admission and other requirements before filling out the application form.
- The application form should be filled out in English only.
- The candidate should fill out the application form in his or her own handwriting, neatly and legibly.
- Overwriting, cutting, or erasing in the application form should be avoided. It is advisable to first fill out a photocopy of the form and then the main application form.
- A correct and complete address should be filled in the application form, failing which the responsibility for going stray from communication or any other implication shall lie with the candidate.
- The candidate should write his or her father's and mother's name against the relevant columns in the form, as given in the DMC and the degree of the qualifying examination for admission.
- The candidate should enter the date, month, and year of birth as recorded in the secondary school certificate or its equivalent certificate.
- The candidate should affix a recent high-contrast photograph, preferably on a white background, in the space earmarked for it on the application form, wherever required. Photographs with a cap, hat, or dark spectacles are not permitted. Affix the photographs firmly with adhesive; they should not be pinned or stapled.
- Requests for changes in particulars in the application form shall not be entertained under any circumstances.
- Incomplete applications will not be entertained for processing.
- The application form must be accompanied by all self-attested essential certificates.
- The enclosures should be firmly tied or stapled to the application form.

MODE OF FEE PAYMENT

1. Fees may be paid by demand draft, through ERP (student log-in), or any other mode approved by the university from time to time. The demand draft is to be drawn in favour of "Shree Guru Gobind Singh Tricentenary University," payable at "Gurugram."
2. A candidate who is offered provisional admission by the Admission Cell/Counselors shall submit the Application Form duly completed in all respects to the Registration Branch and shall deposit the course fee with the Finance Branch (Collection Counter) so that registration formalities can be completed.
3. Students must obtain the receipt for every payment made to the university and deposit one copy in the respective student section.
4. Fees shall not be accepted in part or in installments unless specifically allowed by the competent authority of the University.
5. Delayed payments will attract late fee charges as prescribed by the university from time to time.
6. A student opting to withdraw his or her admission will be entitled to a refund of the fee as per the university norms.
7. The last date for admission in any program will be as notified by the regulatory councils, i.e., AICTE, UGC, NDC, NMC, PCI, BCI, INC, RCI, NCISM, etc., or as notified by the university.
8. Refundable caution money submitted at the time of admission will be refunded within 6 months from the date of declaration of the result or from the date of withdrawal from the course on the production of a NO DUES CERTIFICATE PRESCRIBED BY THE UNIVERSITY along with the original identity card.

FEE STRUCTURE REVISION

The university reserves the right to decide the fee structure and review the same as per the provisions of the Haryana Private Universities Act, 2006, as amended from time to time, which mandates that the university shall be self-financed and shall not be entitled to receive any grant or financial assistance from the government or any board or corporation owned or controlled by the Government. However, the fee structure so approved by the university will be notified. Hostel and transport charges will be increased by 8% (eight per cent) every year.

SCHOLARSHIPS/FEE CONCESSIONS

1. The University awards scholarship in the form of tuition fee concessions to bonafide meritorious students as per the University's Scholarship Policy or fee concessions as per the provisions of the Haryana Private Universities Act, 2006, as amended from time to time.
2. The interested and eligible candidates shall submit their application in the prescribed form on or before the last date notified each year by the University at the commencement of the academic session.
3. The candidates may be called for interaction by the Committee constituted for the purpose.

GENERAL RULES

1. No candidate shall be admitted to the course to which he/she is seeking admission unless he/she fulfills the eligibility conditions. Admission will be purely provisional subject to verification of the candidate's eligibility by the University as per laid down rules and regulations. In case, a candidate is found ineligible at a later stage, the provisional admission will be cancelled and the candidate will have no right for admission to the course or a refund of fee paid by him/her.
2. No candidate shall be admitted to any university examination unless he/she has been enrolled/registered as a student of the University. This condition may be relaxed in respect of students or scholars studying Under the University's student exchange programme with any other University/deemed to be a University/autonomous institution.
3. A candidate from other University shall be eligible for admission to this University only on the submission of Migration Certificate. However, the condition of producing a Migration Certificate will not apply in case of students passing the equivalent examination from a foreign University recognized by UGC/NMC/DCI any other Indian regulatory body. These candidates shall submit any such equivalent certificates as provided/issued by their University.
4. In cases of real hardship, a student may be admitted provisionally at his/her own risk and responsibility subject to the condition that he/she shall submit his/her Migration Certificate to the University upto 31st December of the admission year.
5. If a candidate fails to submit the Migration Certificate until 31st December of the admission year, he/she will not be allowed to appear in the Annual Examination. However, in a sheer hard case, the Vice-Chancellor may allow a Candidate to appear in the examination provisionally on payment of a prescribed late fee and on submission of an affidavit from the First Class Magistrate to the effect that he/she is not appearing in any examination conducted by other University/Board simultaneously. If such a candidate fails to submit his/her migration certificate before the declaration of the result, his/her result shall be withheld. However, in hard and deserving case, the Vice-Chancellor may allow the declaration of result on submission of the migration certificate with a prescribed late fee within one year and with a prescribed late fee during the next two years of the declaration of the main result.
6. After admission the student shall pay to the University, through the University department/faculty which he/she joins, University enrolment-cum-eligibility fee and the continuation fee. In case of re-admission of a student whose name has been struck off from the rolls of the Department/Faculty, he/she shall pay the prescribed fee for making the necessary entries in the University register. However, no further fee for registration will be charged.
7. On registration, the student shall be issued the registration card by the Registration Branch through the respective HOD/Dean of Faculty in case of regular students, indicating the number under which his/her name has been entered in the register and that registration number shall be quoted in all correspondence with the University. In case of loss/misplacement, a duplicate copy of the registration card can be obtained by the student by making an application to this effect along with the prescribed fee.
8. Application for correction in the particulars of a student shall be entertained by the Registration Branch within 30 days from the date of registration without any fee. Applications received after this period shall be entertained only with the prescribed late fee.
9. Reservation policy shall be as per prevailing rules/Acts of the state of Haryana.
10. If a student remains absent from classes for a continuous period of seven working days without any valid reason, medical or otherwise, his/her name shall be struck off from the rolls of the university department / constituent college concerned irrespective of the fact that he/she has paid his/her dues in part or full. However, the student may be re-admitted with the permission of the Dean of the Faculty concerned on the recommendation of Head of the Department on payment of such fee as prescribed for the purpose from time to time in addition to arrears of fee, if any; provided that the Head of the Department concerned is satisfied that if re-admitted, the student will not fall short of requisite percentage of attendance/lectures, etc.
11. Each candidate shall submit the following Affidavits/Declaration-cum-Undertaking in the format given in the Information Brochure:
 - i. Anti-Ragging undertaking by the student.
 - ii. Anti-Ragging undertaking by the parent/guardian.
 - iii. Declaration-cum-Undertaking (Agreement Bond) by the parent/guardian/student.

IMPORTANT HOSTEL RULES AND REGULATIONS

The students admitted to the hostel are assumed to be prudent persons, having sufficient maturity to live in an adult environment. Such living involves full respect for the rights of others, regard for self-discipline, high standard of honesty, and enviable moral conduct. These regulations have been framed not to restrict the conduct of individuals but to ensure that a multitude of students should live and work harmoniously together with minimum discord.

1. Hostel residence is optional for all categories of students.
2. Hostel Fee:
 - a) First year Student will apply and get the hostel room allotment from the warden and after the room allotment he/she will deposit the hostel fees with the accounts department. On receipt of the fees, room allotment will be confirmed.
 - b) Second year onwards, all the students staying in the hostel will get the re-allotment from the respective warden on the request for continuation by the students.
 - c) For MD, MS, MDS, MBBS, BDS and BAMS (Annual) Programmes, hostel allotment will be done on annual basis and from start of the academic session as per council norms and fees will be deposited for the full year in one instalment.
 - d) Hostel fees for all Programmes will be collected for full year in advance. Student shall not be permitted to leave the hostel in mid of the session.
 - e) If any student occupies the hostel in the month of August, he/she has to pay the full year fees, and if, he or she occupies the hostel from September onwards, pro-rata hostel fees will be collected up to next year July.
 - f) If the payment is not deposited in time, as specified by the accounts, a fine will be imposed at Rs. 500/- per day up to one month, if hostel fees is delayed by more than one month, then management has the right to get the room vacated.
3. Partial Hostel fee will not be accepted by the University.
4. Once paid, the hostel fee will neither be refunded nor transferred.
5. On completion of the course, those who join the Internship shall shift immediately to the hostel, marked specially for Interns without any fail.
6. All the hostellers who proceed for vacation or outside the University shall deposit the key of their room with the respective Hostel Warden.
7. Hostel accommodation (if available) will be provided to the students for a period equal to the duration of the concerned course. However, if a student fails in the year-end examination (two semesters) and, hence, is not promoted to the next higher classes as per the provisions of the course ordinance, he/she shall not be allowed to stay in the hostel.
8. Up-gradation of hostel room is allowed if available and permitted, subject to clearance of difference of charges. Furthermore, this facility can only be availed once in each academic year with the approval of hostel administration.
9. Students seeking admission to the hostel shall apply through ERP (student Login) immediately on confirmation of admission to the 1st year/1st semester of the course. A copy of latest medical certificate should be submitted to the respective hostel warden.
10. Each hostel resident should bring one lock (with three keys), dustbin and a bucket with a mug for his/her personal use. These items will not be provided by the University.
11. Hostel residents are not permitted to inter-change their rooms without the permission of the Hostel Administration. The decision to allot rooms will be prerogative of the administration.
12. Each hostel resident shall enter leave details in the 'Movement Register' kept in the Hostel.
13. Hostel residents shall show their Identity Card if so, required by any officer of the University at any time.
14. All the hostellers must take permission for leaving the hostel through ERP only and before leaving the campus, the hosteller must get endorsed the out time at Security Gate otherwise the hosteller will be liable for disciplinary action as per the rules of the University. On working days, no permission to leave the hostel will be granted unless the student has obtained written permission from the parent/local guardian. Movement register is mandatory for leaving the hostel. If student is absent during attendance time parents/local guardian will be informed by warden on same day. If a student is not reporting consistently for 3 days, then the matter shall be reported by the respective warden to the hostel committee/concerned HOD/Dean.
15. If any hostel resident provides false information about his/her night stay out of the hostel, it will be considered as an act of indiscipline and will warrant penal action.
16. Hostel residents are permitted to watch TV located in the Common Room of the hostel till 10.00 P.M.
17. All hostel residents are expected to be in their rooms by the time fixed by Chief Warden/Hostel Warden. Those who are found out of room after the specified time will be marked absent. In case, a room-mate is found absent after 10.00 P.M. without leave or prior intimation, the other room-mate shall report the matter immediately to the Hostel Warden/Chief Warden/some senior staff in the campus. If any student is found absent from the room during a surprise check at night, the room-mate will be considered to be in collusion with the absentee and will also be held responsible for not reporting the matter.
18. Ragging and/or harassment of any kind to other students is strictly prohibited. Necessary disciplinary action shall be taken against the offenders as per the Hon'ble Supreme Court's guidelines on ragging.
19. Possession or consumption of drugs/alcoholic drinks/tobacco in any form/any other intoxicant or possession of any kind of ammunition/weapon of assault/fire-arm is strictly prohibited in the hostel and University campus. Those, who are found to be involved in such activities, will be expelled from the hostel and the matter will be further reported to the district administration/police.
20. Association of any hostel resident with any unlawful organization or indulging in any anti-national /social activities are strictly prohibited. If a hostel resident is found/reported to be involved in such activities by the University, the concerned hostel resident will be expelled from the hostel.
21. Use of electrical appliance of any kind is not permitted, except the room Air Conditioner during the summer months (April to September). Lights & fans should be switched off and water taps to be shut off when not in use. If electrical appliances other than AC and ceiling fan are found, it will be confiscated, fine will be levied besides initiation of disciplinary action and such appliances will be returned after course completion only.
22. Consumption of 100 units per month/per student for air-conditioned rooms is free, subject to modification by competent authority from time to time. The charges exceeding the permissible limit will be shared by the occupants on pro-rata basis and charged monthly.

23. Misuse of mobile phones in any manner including MMS, activities amounting to cybercrime and viewing of questionable websites in the campus is strictly prohibited. Students are not permitted to make audio/video recordings of hostel or mess premises or upload the same on the Internet. Students are expected to be vigilant and avoid posting derogatory or insulting comments in social media platforms.
24. Washing & drying of the clothes is not permitted except in the dedicated washing and drying area in each hostel.
25. Hanging of clothes in the balcony is not permitted.
26. Hostel residents are advised not to keep valuables with them in the room. Such items, if any, should be locked in their respective cupboards or any other safe place for safekeeping. The university shall bear no responsibility for the loss of such personal belongings.
27. Each hostel resident shall be responsible for the furniture and the electrical fittings provided in his/her room. He/she should get his/her room checked for furniture, fittings & fixtures etc. at the time of allotment and hand over the charge of the same along with the room key while vacating the room to the Warden.
28. In case of damage to any building, furniture or other university property, the cost of repair and/or replacement along with the appropriate penalty will be levied on those found to be immediately responsible. But, if the individual(s) causing the damage is unidentifiable, the cost of repair and penalty charge shall be recovered from all the residents of the hostel/block/room on a pro-rata basis.
29. While vacating the room, the resident must ensure that bills of all services availed by him/her are duly paid for speedy settlement of caution money. Submission of 'No Dues Certificate' on the prescribed form is essential.
30. University reserves the right to break/open any room which is not vacated, pack up the belongings and store it. No complaints of breakage or loss will be entertained. University can also break open the rooms in case of any violation of hostel rules, suspected unlawful activities or on the basis of security risk perceived.
31. Hostellers will not be allowed to keep their vehicles in the campus (except PG Students of Medical and Dental in designated parking area).
32. Hostel residents are required to divulge information if they have any medical problem(s) or are allergic to any medicine, immediately.
33. If any hostel resident(s) is suffering from a communicable disease or any other disease which requires constant medical attention, he/she shall vacate the hostel unconditionally and immediately on knowing the disease/ailment.
34. In case of any emergency/hospitalization, the University will contact the parents/local guardian of the hostel resident to inform them of the situation and take their advice. In the scenario where, due to any reason, the parent/local guardian could not be contacted, then the decision(s) made by the University will be final and acceptable by the parents/local guardian. All expenses incurred for the resident's treatment will be borne by the parents/local guardian.
35. DSW will, appoint one or more student as "Prefect(s)" on the basis of academic merit out of top five students to coordinate between the Warden and the residents.
36. Hostel residents are permitted to entertain their guest(s)/local guardian/parents in the Visitor's Room of the hostel only as per following visiting schedule:

Weekdays	:	05.00 P.M. to 07.00 P.M.
Sundays/Holidays	:	10.00 A.M. to 07.00 P.M.

However, in exceptional circumstances, parents may be allowed to visit their wards out of visiting hours with the prior permission of the Warden.
37. No other individual(s) other than the hostel residents and university staff are allowed to enter the hostel premises.
38. Parents/local guardians/guests are not permitted to stay overnight in the hostel.
39. The hostel residents are required to take their meal(s) in the mess only. The timings of meals shall be strictly observed. At present, the timings are as follows:

Working Days	Non-Working Days
Breakfast 07:15 AM to 08:15 AM	Breakfast 07:30 AM to 09:00 AM
Lunch 01:00 PM to 01:30 PM	Lunch 01:00 PM to 02:00 PM
Dinner 07:30 PM to 08:45 PM	Dinner 07:30 PM to 09:00 PM
40. Hostel Residents are not allowed to take out meals and any utensils/crockery from the Mess. If Mess utensils/crockery are found in rooms then he/she will be penalized. However, in case of illness, this may be allowed with the permission of the hostel warden.
41. The hostel residents must be dressed properly while going to the mess.
42. The food in mess will be served in buffet style. Wastage in any form should be avoided.
43. Defaulting hostel residents shall be liable to fines/penalties for violation of rules as prescribed by the University.
44. An appeal against fines/penalties/other actions shall lie with the Vice-Chancellor who will have full authority to reject the appeal or reduce, enhance, or modify the action taken by the competent authority.
45. The hostel rules are subject to change from time to time with the approval of the competent authority.
46. If the hostel resident is not feeling well, he/she should seek medical help at the appropriate time. However, in case of emergency necessary help will be provided by the University on the request of the hostel resident to reach the hospital.
47. Students may also be asked to shift to alternate accommodation at short notice due to administrative reasons. Students shall be required to make their rooms available for inspection, repairs, maintenance or disinfection, whenever required and shall vacate the rooms when leaving for the vacations/holidays. Students should vacate the rooms only on working days and during the office hours.
48. Once a student vacates the hostel at his/her own request, he/she will not be re-allotted hostel accommodation for a minimum period of six months. Residents who wish to vacate the hostel are to meet the warden to start the formalities. Permission of the parents is mandatory for vacating the hostel.
49. Pets of all kinds are prohibited inside the hostel. Feeding stray dogs or cats in the hostel premises is not permitted.
50. Fire Hazards and Safety: Candles and incense are a fire hazard and are not permitted in the hostels. Combustible materials such as gasoline, paint thinner and oil lamps also are not permitted (as well) BURSTING CRACKERS, CARRYING CRACKERS TO THE ROOMS AND LIGHTING OF LAMPS/CANDLES ARE STRICTLY PROHIBITED IN AND AROUND THE HOSTEL PREMISES AT ALL TIMES.
51. Giving the room keys to any person other than the Block Supervisors/ Caretakers/ Wardens, in good faith is at their own risk.
52. Students shall not write or display slogans, posters, flags in his/her room or anywhere in the premises.
53. The university authorities will not be responsible for any self-harm actions by any student.
54. Personal belongings of the students proceeding on vacation may be left behind in the hostel till they return. All such articles must be packed, properly labelled, and entrusted to the hostel cloak-room for safe custody. Students are advised not to leave behind any costly items in the hostels when they go on vacation. The university reserves all rights to allocate the room for another academic activity or undertake repairs/maintenance work during holidays/vacations.

55. The rooms allotted to students will be changed every year after summer vacation. He/she may be allotted room in same or another hostel. The decision of the university will be final and binding in this regard.
56. Playing loud music or disturbing fellow hostel inmates will not be permitted. Use earphones while listening to music. Playing outdoor games inside the hostels/corridors is not permitted. Silent Hours will be observed from 10:00 p.m. to 07:00 a.m. on all days. No sort of noise will be permitted during the Silent Hours. Serious action will be taken on the breach of this rule as per university rules.
57. The gate closing time for both Girl's and Boys' Hostel is 09:30 PM.
58. The gate pass automatically stands cancelled once the student has entered the hostel premises.
59. Wardens are authorized to issue gate passes exclusively for declared vacations and off days. If a hostel resident requires a gate pass during the academic term, he/she must obtain approval from the respective Dean and hostel warden.
60. No furniture should be shifted from one room to another without prior written permission of hostel administration.
61. Residents should inform to the Hostel office for any change in address, email address, Mobile phone number and Telephone Nos. of local guardian and parents, immediately.
62. Detailed rules and regulations are to be signed separately by the student and their parents at the time of Hostel Admission.

PREVENTION OF RAGGING

1. Ragging is a punishable offence under the guidelines issued by the Hon'ble Supreme Court of India.
2. The following will be considered as acts of ragging:
 - a. To physically assault, threaten, and/or use of physical force.
 - b. To violate the status, dignity, and honour of a student.
 - c. To expose a student to ridicule and contempt/affect his or her self-esteem.
 - d. To entail verbal abuse and aggression, indecent gestures, and obscene behaviour.
 - e. To compel newcomers to indulge in activities related to dangerous stunts.
 - f. To force junior or new students to parade and stage entertainment.
 - g. To impose a heavy financial burden by way of forced celebrations and hosting.
 - h. To create rowdy celebrations through forcible acts, thus compelling the juniors to participate.
 - i. To press the newcomers for a noisy, disorderly scene.
 - j. To tease, play rough jokes, and engage in rough play against companions, especially the new students.
 - k. To be noisy and riotous, thus disturbing the peace and tranquillity of the campus.

All students are advised to refrain from engaging in any sort of ragging activity. Any student found involved in any sort of ragging activities in the campus, bus, or hostel shall invite disciplinary action as per the ruling of the Hon'ble Supreme Court of India and guidelines issued by UGC, MCI, State High Court, and District Court. Such a student may even be expelled from the university.

PREVENTION OF SEXUAL HARASSMENT & EVE TEASING

The University has a 'Zero tolerance' policy for any act of sexual harassment. A standing committee for the prevention of sexual harassment and eve-teasing has been constituted to look into any complaint in this regard.

Internal Complaints Committee on Sexual Harassment and Eve Teasing

In compliance with the "The Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013," SGT University has constituted an Internal Complaints Committee on Sexual Harassment and Eve Teasing as per the provisions of this act for the effective enforcement of the basic human right of gender equality and guarantee against sexual harassment and abuse, more particularly against sexual harassment at work.

Objectives of the Committee

1. To prevent discrimination and sexual harassment against women by promoting gender equality among students and employees.
2. To make recommendations to the university authorities for changes or elaborations in the Rules and Regulations for the students and the staff to make them Gender-just and to lay down procedures for the prohibition, resolution, settlement, and prosecution of acts of discrimination and sexual harassment against women by the students and employees.
3. To deal with the cases of discrimination and sexual harassment against women in a time-bound manner, aiming at ensuring support services to the victimised and the termination of the harasser.
4. To recommend appropriate punitive action against the guilty party by the university authorities.

Procedure for Approaching the Committee

An aggrieved woman shall make, in writing, a complaint to the Internal Complaints Committee within a period of three months from the date of the incident and, in case of a series of incidents, within a period of three months from the date of the last incident. The written complaint may be addressed by the victim or a third party to the Chairperson of the Internal Complaints Committee. The complaint can also be made online, for which a link has been provided on the university website (<https://sgtuniversity.ac.in/form-raising-grievance-complaint/>). If the complaint is made to the Head of the Department/Dean of the Faculty, or any committee member or any other officer of the university, the same shall be forwarded to the Chairperson of the committee through the Office of the Registrar. The Committee shall deal with all the complaints of sexual harassment relating to students, staff and faculty studying/working at the SGT University in consonance with the provisions of the POSH Act, 2013.

The following acts shall be deemed "unwelcome" sexually determined behaviour and are considered as punishable offenses under Bharatiya Nyaya Sanhita:

1. Physical contact and advances.
2. Demand or request for sexual favours.
3. Sexually coloured remarks.
4. Showing pornography.
5. Other unwelcome physical, verbal, or non-verbal conduct of a sexual nature.
6. Eve-teasing.
7. Unsavoury remarks.
8. Jokes which are likely to cause awkwardness or embarrassment.
9. Gender-based innuendos and taunts.
10. Gender-based insults or sexist remarks.
11. Unwelcome sexual overtone in any manner, such as over the telephone (obnoxious telephone calls) and the like.
12. Touching or brushing against any part of the body, and the like.
13. Displaying pornographic or other offensive or derogatory pictures, cartoons, pamphlets, or sayings.
14. Forcible physical touch or molestation.
15. Physical confinement against one's will and any other act likely to violate one's privacy.
